

NO ORDERS GIVEN FOR AIR PATROL

Although Congress has appropriated \$50,000 for "forest patrol" by airplanes in the northwest, no instructions from the United States air service have been received relative to the establishment of an air patrol base in Eugene, according to a statement by Major Delos C. Emmons, commanding officer of the air service, Crissy field, San Francisco.

It is generally assumed by forest officers in Eugene that the patrol would be established in this city, although no specific information to that effect has come from the air service. "We have no information at these headquarters as to whether or not army planes will be used for the forest patrol work this summer," said Major Emmons.

RINGS ARE BITTEN OFF BY HOLD-UPS

(Continued from page one)

city. The jewelry belonged to George E. Black, wife of the president of the company. It included a \$4,000 pearl necklace that had been an heirloom in the family for 100 years. The robbery was not discovered until late today.

AUTO DRIVER VICTIM
TACOMA, Wash., March 9.—To be forced to drive two thugs into Tacoma from a point south of Chehalis with rap over the head, from time to time to remind him of his danger and to be robbed as he neared the city, was the experience of R. G. Paxton, Winlock auto dealer, yesterday afternoon, in return for an attempt to play good samaritan.

Paxton reported to the police here that he had offered to take the two men in his car into Chehalis but, despite the fact that he broke all sorts of traffic rules in the towns through which he passed in efforts to get rid of his passengers, the thugs kept him to his task until they arrived in Tacoma where they left the car after robbing him of \$40 and throwing the auto crank at his head.

THREE SAFES BLOWN
SAN DIEGO, Cal., March 9.—Three safes of the Marston department store, were blown open last night by one or more robbers and their contents made away with, according to police reports. No estimate of the amount taken could be taken until the office force arrived.

At 2 o'clock this morning a passing policeman heard the cries of the store watchman. All doors were locked. Breaking the lock of one of them, the police found the watchman manacled to a stair rail.

SOCIETY AND WOMEN'S CLUBS

Club Items Should Be Phoned To the Society Editor Between 8:30 A. M. and 10 A. M. Telephone Number 1200

By MARIAN LOWRY

Mr. and Mrs. Herbert Boone will be dinner hosts this evening to members of the Monday Dinner club.

Mrs. E. S. Tuttle will entertain members of the P. E. O. Sisterhood at her home this evening.

Of chief interest of Tuesday's affairs will be the open house and reception to be held at the new Congregational church tomorrow afternoon and evening. Between the hours of three o'clock and five o'clock open house will be at the parish house, and in the evening between eight o'clock and ten-thirty a reception will be held in honor of Rev. and Mrs. Fred J. Clark.

An event planned for tomorrow afternoon in which club women will be greatly interested will be the lecture to be given by Mrs. Juanita Penman at the chamber of commerce rooms, under the auspices of the Home Science club. The public is cordially invited to the lecture which is to be on entertaining and table etiquette.

For a six-thirty o'clock dinner to be followed by initiation members of the Williamsport Court, Order of the Amaranth are meeting this evening in the Masonic temple.

Of special interest to many in Eugene comes the news that Miss Eleanor Spall of Portland has announced her engagement to Edward F. Holt of San Francisco. The announcement was made at a series of bridge parties given in Portland this week-end. Miss Spall is the daughter of Mr. and Mrs. G. H. Spall. She is known to many in Eugene where she attended the University of Oregon. She is a member of Kappa Kappa Gamma. Mr. Holt is in business in San Francisco, and is the son of Mr. and Mrs. G. N. Holt of Marshfield. He is also a graduate of the university. The wedding will be an event in San Francisco on April 11.

The Avard Thimble club met at the home of Mrs. George Diess of motor route A the past week with Mrs. W. M. Marshall, president, presiding. The club is active in charity work and is at present making quilts for the children's farm home. Those present were Mrs. Frank Needham, Mrs. J. H. Douglas, Mrs. G. T. Ray, Mrs. Clara Gater, Mrs. H. F. Brogren, Mrs. J. Beebe, Mrs. Arthur Beebe, Mrs. Charles C. Lowe, Mrs. Roy Smith, Mrs. George Lakin, Mrs. H. A. Sims, Mrs. Weber, Mrs. H. Schwarzer.

Mrs. R. C. Griswold entertained at bridge Friday after at her home. Guests were Mrs. M. G. Dunn, Mrs. J. F. Potter, Mrs. M. Lesley, Mrs. Charles Lowe, Mrs. Elmer Stone, Mrs. L. Larsen, Mrs. Carl Dupuis.

Motor Parties of State are Coming
Another sure sign of the near approach of spring is the increasing influx of tourists from other states who drop in at the Eugene chamber of commerce to obtain temporary state registration for their "foreign" cars. A total of 148 cars from other states have been registered at the chamber since the first of the year and the daily calls for licenses are increasing, according to Mrs. Noble Bond, who has charge of the bureau. From 10 to 12 tourist parties a day are now being registered, the most of them from California and Washington as the parties from distant states have not yet started their coast pilgrimages.

Thanks Sent Here By Chamber Chief
A. S. Dudley, recently manager of the Oregon state chamber of commerce who resigned to accept the secretaryship of the Stockton, Calif., chamber of commerce writes to E. Eugene Chadwick, secretary of the Eugene chamber, to thank him for his co-operation in the work of the state chamber. Irving E. Vining, president of the state chamber, will hereafter have charge of the management of the organization, according to word received at the chamber here. Mr. Dudley is well known among Eugene business men as he has appeared here as speaker at chamber events a number of times.

Angler Lucky on Teckenitch Foray
Ten big bass, weighing a total of 40 pounds, were caught in Lake Teckenitch during the past two days by one local angler who reports that this species is biting good at the present time. The bass season closes April 15 and it is expected that with good weather between now and the time limit that there will be an increasing number of anglers on the lake. The bass limit is 20 pounds in one day or 30 fish. Rain, hail and snow marred the week-end in Western Lane around the lake, the fishermen report.

Elks Realize \$200 On Amateur Comedy
Approximately \$200 was realized for the Christmas cheer fund of the Elks lodge in the performance of "The Arrival of Kitty," a farce-comedy by the Eugene high school dramatic club, it is announced by Fred Chase, chairman of the committee in charge.

The following students took part in the play: Elvert Vadnais, Ralph Newman, William Bartle, Virginia Riley, Joy Ingalls, Louise Tretheway, Tom Wells, Addison Brounman, Ellen Renie.

EVANGELIST TELLS LESSON OF LOVE

By H. W. HALL

Victoria Booth-Clibborn Demarest, the evangelist holding forth at the army faced a splendid audience yesterday afternoon and evening. The subject of the sermon was "The Greatest Thing in the World" and she asked the audience to tell her what it was. They replied "Love" and she then wanted to know where the text for the sermon could be found and they said 13th chap. of 1st Corinthians.

It was during the delivery of the sermon that she used the story to the effect that a certain preacher had delivered a wonderful sermon one Sunday morning and going home to dinner had found a "cinder" in the soup. This so nettled him that he lost his temper and made everybody miserable about his home—cook, wife and children—forgetting the teachings of the 13th chapter.

In this connection one is reminded of the 12th chap. of Hebrews, 15th verse: "Looking diligently lest any man fail of the grace of God; lest any root of bitterness springing up trouble you, and thereby many be defiled." The grace of God is sufficient, but we fail of the grace.

It was a wonderful sermon and the speaker had the closest of attention. Rev. Weatherhorn, pastor of the

Baptist church at Springfield, offered the opening prayer.

One of the best solos yet rendered by Agnew Demarest was heard at the afternoon session. The words "Love Won on Calvary" were very appropriate for the sermon.

It was announced that there would be services tonight, but not on Tuesday night because of the militia taking it over on Tuesday night for regular drill.

Wednesday night will be a sermon for men only and the evangelist said she would be the only woman present, that she didn't want any women around on that night. So the women will not have another service to attend from tonight until Thursday night.

"Cat and Canary"
At Heilig Tonight

Tonight marks an epoch in theatrical circles here when "The Cat and the Canary" will be seen at the Heilig. Henry Duffy, the producer of this great mystery-comedy, has sent to Eugene a company of Broadway caliber headed by the same star who toured the United States in the play appearing in the principal municipalities of the country. He is Robert Toms and in the role of Paul Jones, he is said to be at his best.

As an indication of the popularity of "The Cat and the Canary" it might be mentioned that it has just concluded a run of eighteen weeks in Los Angeles and ten weeks at the Alcazar theater, San Francisco. Originally it was on Broadway for a year-and-a-half and in Chicago for eight months.

Poisoned Grain to Be Sent to Farms

Plans are ready for the distribution of poisoned barley to the farmers of Lane in the war on the gray diggers and about 1400 pounds of the grain has been prepared as a starter, according to O. S. Fletcher, Lane county agricultural agent. This grain will be packed in small sacks, three and one-half pounds to the sack, and sold to farmers at 50 cents a sack.

In giving advice to farmers as to the use of the poisoned barley, Mr. Fletcher says that the grain should be spread out on the ground and not left in heaps where cattle might eat it. If spread out the stock will not be able to pick up the barley, he states.

"The strychnine poisoned barley does not harm game birds as many suppose," Mr. Fletcher said. "Extensive tests made in the state of California show that fowl seem to be immune to the poison," the county agent states.

It is expected that the barley will be sent out to various districts of the county this week.
