BERKELEY, Cal., March 14.—C. M. Gates, painting contractor, put nine men to work on an apartment house here yesterday and at the close of the day surveyed the job with great satisfaction. Then the owner of an apartment building across the street stepped over and had a few words with him, after which the air about him became sultry and he wiped great beads of sweat from his brow. He had painted the wrong house.

### APPOINTMENT TO BE COURSE IF VOTE FAILS

Hint is Given That new Candidate may be Suggested To Senate

White House Silent on Plan For Future Action in The Matter

WASHINGTON, March 14.—(AP)—Announcement was made today at the White House that President Coolidge will offer Charles B. Warren of Michigan a recess appointment as attorney general if his nomination of the post is not confirmed by the senate.

The following statement was issued by Secretary Sanders on behalf of the president.

"Notwithstanding various reports and rumors the president is making every possible effort to secure the confirmation of Mr. Warren. As the time is very short and to accommodate the senate he has consulted certain men and certain senators as to what course should be pursued in case Mr. Warren is not confirmed. He has decided on no other appointment. He will offer him a recess appointment. He hopes, however, that the unbroken practice of three generations of permitting the president to choose his own cabinet will not now be changed and that the opposition to Mr. Warren upon further consideration will be withdrawn in order that the country will have the benefit of his excellent qualities and the president may be unhampered in choosing his own methods of executing the laws."

#### VOTE IS DELAYED

WASHINGTON, March 14.—(AP)—President Coolidge asked today that a vote on the nomination of Charles B. Warren, to be attorney general be deferred until Monday.

This word was taken to the capitol by Senator Curtis of Kansas, the republican leader, who had been summoned to the White House.

Some senators said the president had been convinced the nomination would not be confirmed and that he wanted time in which to make another selection before the senate adjourned.

There was no indication, however, that the president would withdraw the nomination. On the other hand it was said he was still insistent that a full statement on Mr. Warren's (Continued from page five)

#### Chicago Influenza Attack on Wane

CHICAGO, March 14.—Chicago's influenza pneumonia attack appeared on the wane today, when reports to the city health department showed a marked falling off in the number of deaths and new cases.

The last available records, covering a period from 8 o'clock yesterday morning until four o'clock in the afternoon showed only 12 deaths from respiratory causes.

#### Board of Regents At Meeting Today

A meeting of the board of regents of the University of Oregon was held this morning.

Up to a late hour this afternoon the regents were in closed session, and no announcement was available as to what action they would take on the Doernbecher Memorial hospital for children, as a result of Governor Pierce's veto of the appropriation for the first year's maintenance.

It has been generally agreed that the loss of this appropriation should not cause the delay in the construction of the building, which is to be adjacent to the university's medical school. So unless the emergency board over which the governor now has no control, comes to the aid of the hospital organization, or unless a campaign is conducted for the \$200,000, it is, together, probable that the new building will stand unused for a new year, and this question, it is believed, is under discussion by the regents today.

#### DEPARTMENTS OF CITY ARE SHOWN SHORT OF FUNDS

Fourteen departments of the city of Eugene operated under a deficit for the months of January and February, according to a comparative analysis of departmental and general expenditures compiled by the city's auditor. This is the first complete detailed financial audit made of the city to be made since the new system of books was installed.

The deficits are determined on a basis of total and prepared budget expenditures for the year 1925, and vary from \$233 "in the red" in the city attorney's office to \$2137.50 in the street department.

Surplus Shows.

Net operating deficit for all city departments for the two months, as shown by the report, is \$20,975. However, this is not as bad as it seems, for an accrual amount of \$14, (Continued on page six)

#### FRED SWARTZ KILLED

SALEM, Ore., March 14.—Fred Swartz, rancher, 48 years old, was killed at his ranch 12 miles south of here on the Pacific highway this morning, by a premature explosion of dynamite which he was using in blowing stumps. His stump blowing operations was within a few feet of the heavily traveled highway. Swartz was using fuses not over six inches in length, so he could touch them off when the highway was clear of cars and secure a rapid explosion. Investigating officers believe a defective fuse caused an almost instantaneous explosion, killing him before he could get away.

#### Alphabets of all Languages Vary to Surprising Extent

In the old days the first thing that children were taught in school was the alphabet, known as the A, B, C's. Then when the child learned to count the twenty-six letters, it had quite a good start on arithmetic.

Where would the beginner be after learning the Chinese alphabet? There are more than 200 letters in that, and the Chinese laundryman uses them all when we accuse him of a shortage in the weekly wash.

Next in size comes Sanskrit, the ancient Aryan language of the Hindus, with 44 letters; then Russian, 33, Persian, 31; Turkish, 28, and Spanish 27. Those with less than our 26 are French, 25; Greek, 24; Latin and Hebrew, each 22; Italian, 20; and Celtic, 11.

Get the New Universities Dictionary so that you may be sure that you are using every letter of our alphabet correctly. This volume contains all of the words necessary for everyday use—and more than the Chinese use ordinarily. The coupon in The Guard today shows how to get this new dictionary.

#### ROAD FUNDS ASKED BY LANE DISTRICTS

Requests that the county match \$500 raised by residents of the upper Camp Creek road district for improvement of that route were made to the county court today. Last year this district raised \$250 for road improvement purposes with the promise of a similar amount to be given by the county. No action has yet been taken by the county court on the request this year.

"Several districts of the county are willing to donate money for road purposes if the county will match these contributions," said Clinton Hard, county commissioner, today. Between \$8000 and \$10,000 could be raised this way if funds of the county were available, the commissioner pointed out.

Residents of the Blachly valley area also are willing to raise road funds. One property offered to put in \$200 if arrangements could be made with the county to match these funds, Mr. Hard said.

#### President's Old Aversion to rum Recalled in Story

NEW YORK, March 14.—The aversion of President Coolidge against selling liquor now is revealed as one thing that possibly started him on the road to the White House.

At a banquet of Amherst alumni last night President George Daniel Olds of Amherst said that John Coolidge wanted to apprentice his son as a druggist clerk at the age of fifteen until terse objection was made by the youth.

The story came from Colonel Coolidge while bound to Washington with Mr. Olds, for the Harding inauguration.

As Mr. Olds told it: "Colonel Coolidge said he was not sure his son was the right type and that he finally decided he had better apprentice him to a pharmacist. At that time all drug stores had liquor in stock and after the colonel told Calvin of his decision, his son thought for a moment or two and then said: "Father, sell rum? That ended it."

Calvin Coolidge was graduated from Amherst.

#### Seven Killed in Communist Clash

HALLE, Germany, March 14.—Seven persons, including two women were killed here in the clash last night between policemen and communists.

A dispatch from London last night said the trouble at Halle had begun when the police objected to the translation of speeches by French and German communists. The police accused the police of shooting without provocation. Thirty-six persons were said to have been wounded.

State Announced—

Students entitled "A Day in the..." sung by a chorus of more than 150 grade children from Eugene schools will be presented some time today at a public performance, it is announced today by Miss Leona Mars...

Children's chorus in meeting each Sunday morning with a large and enthusiastic attendance she reports. The chorus assembles at the Junior school Saturday morning at 9 o'clock. Miss Marsters is director of the chorus, and is assisted by Miss Elizabeth Nelson of the university, and Miss Juanita Wolff, piano accompanist. Chorus singing in such a large group is an innovation in school music, according to Miss Marsters. Members of the chorus, however, are picked initially according to their ability to sing and the quality of their voice. From the interest and enthusiasm displayed at rehearsals thus far, the contacts, when presented, will be a pleasant surprise to school friends, the director believes.

Approximately 50 members of the county post, American Legion, are to leave this afternoon at 5 o'clock from the chamber of commerce for Corvallis, where they will attend the big district convention in that city. The local delegation is headed by Kenneth Ables, commander of the post, and George E. Love, past commander and state head of the 40 and 8 society. The drum and bugle corps will not play at the meeting, Mr. Love announces, although several members of the organization are going as delegates. The district convention is being attended by the state officers of the legion, and is called for the exchanging of ideas and outlining of policies for the ensuing year. The local group assigned to the Eugene group is "How to Gain Membership." A banquet will be held this evening, and most of the local delegates expect to return home following the evening session.

Eighty-five or more members of the R. C. Needle club gathered at the armory for their regular meeting this week. Following a business meeting a program was given in observance of Washington's birthday. McKinley's birthday and St. Patrick's day. Miss Eva Charlet gave several dances as a feature for the afternoon. In keeping with St. Patrick's day the rooms were decorated in shamrock and hyacinths in pink, white, and red colors. The committee in charge for the afternoon were Mrs. C. C. and Mrs. A. J. Members of the committee were Mrs. Elizabeth Heston, chairman; Mrs. Lottie Hummer, Mrs. Laura Morris, Mrs. Minnie Goodnow, Mrs. Mabel Black, Mrs. R. Hudson, Mrs. Edith Stage, Mrs. Lillian Hakes, Mrs. E. Charlet, Mrs. Emma Lavery, Mrs. M. L. Gillett, Mrs. Phoebe Fortney. The organization will meet again on the second Thursday in April.
