

# BEARS COME BACK AND GARNER GAME FROM AGGIE QUINT

CORVALLIS, Ore., March 14.—The California Bears got revenge last night for the defeat handed out to them Thursday evening by the Oregon Aggie basketball quintet, winning the second of the three game series for the coast title, 32 to 17. The final and deciding game will be played tonight with both contenders on even terms.

The California displayed a much different brand of basketball in last night's game than on the previous night. The Bears, by close checking, almost completely smothered the Aggie sharpshooters, holding their opponents to three field goals for the entire game. The Aggies made up the bulk of their scores from free throws.

Rimms, star Aggie forward whose specialty is bouncing the ball through the basket, failed last night to get a single field goal.

The game was rough, with fouls frequent. Early in the game Steele, O. A. C. captain, was knocked out and was replaced for ten minutes by Grapp. The score at the end of the first half stood 18 to 12 for the Bears. In the last half California played offensive basketball, keeping the ball in Aggie territory. The Aggies got one field and three points for free throws during the half, all made in the first few minutes after the intermission. From then on it was all California. The Bears shooting basket after basket.

Summary: O. A. C. (17) California (32)  
 Watson.....F..... Ridings  
 Jorgenson.....F..... Baker  
 Higgins.....C..... Diwoy  
 Belasco.....G..... Grapp  
 Fletcher.....G..... Stoddard  
 Substitutions—Aggies: Grapp for Steele; Steele for Grapp, Elberton for Stoddard.

California—Carver for Fechter; Fechter for Watson.  
 Scoring—California field goals: Jorgenson 4; Watson 1; Higgins 3; Belasco 3; Free throws: Jorgenson 5, Higgins 2; Belasco 3.  
 Aggies—Field goals: Baker 2; Diwoy 1. Free throws: Diwoy 5; Steele 1; Grapp 1; Stoddard 4.  
 Referee—Hollander.  
 Umpire—R. V. Borleske.

## To be Seen in Action Here Monday Night

Lon Perry, one of the headliners on the boxing bill at the Winter Garden Monday evening. He will meet "Slow" York of Eugene in the main event.

## DEPARTMENTS OF CITY ARE SHORT

(Continued from page one)

## Contract let for Harrisburg Paving

HARRISBURG, March 14.—(Special.)—Decision was reached at the city council meeting Monday evening and a contract signed by the highway commission giving that department the right to grade and pave 4767 feet through Harrisburg. The contract will also include the paving of the highway from the Scott bridge to Junction City. Concrete paving will no doubt be used and the contract for its construction will be let at the next meeting of the highway commission. The city has its share, 10 per cent of the estimated cost of \$3500 in road tax, part of a bond issue voted more than a year ago.

## EUGENE HIGH TO MEET FRANKLIN AT SALEM TODAY

SALEM, Ore., March 14.—The Salem, McMinnville, Eugene, and Franklin high school basketball teams emerged winners from the second round of the Oregon state high school basketball tournament, held here yesterday afternoon and evening. Salem won over Astoria 27 to 12; McMinnville defeated Arago 22 to 16. Eugene was winner over Hood River 39 to 9 and Franklin nosed out a win over Pendleton in the closest game yet seen in the tournament, coming from behind late in the second half and finally pulling out with a win of 18 to 13.

Salem meets McMinnville and Eugene tonight with Franklin in the semi-finals here this afternoon. The winners will meet each other in the finals tonight.

The lineup of the Eugene-Hood River game: Eugene—Hood River Emmons 6.....F..... Hathorn Coleman 4.....E..... Miller Schrader.....C..... Kohberg 3 Bully 11.....G..... Flint Milligan 14.....G..... Foreman Substitutions: Eugene, Olson 3 for Schrader; Elberton for Coleman; Schrader for Milligan; Barnes 1 for Emmons; Milligan for Bully. Hood River, Wright 1 for Kohberg.

## Thompson Radio Neutrodyne

The Thompson Parlor Grand provides a quality of tone anyone will be proud to have his friends listen to.

Local and distant stations are heard in natural, clear tones always at the same dial settings. The two-tone mahogany finished cabinet is an ornament to any living room.

For 15 years the Armies, Navies and Big Commercial Companies of the world have used radio apparatus produced by the Thompson Organization.

Greer Callahan Co., 858 Pearl St.

## EUGENE BAKERY TO ERECT PLANT HERE

Deeds are recorded in the office of the county clerk whereby Lawrence T. Harris sells his building on east Ninth between Willamette and Oak streets to the Eugene Bakery Company, Inc. This building is now occupied by Jensen's restaurant.

The Eugene Bakery company takes possession of 87 feet on the south end of the lot on which they will commence the erection of a bakery building and will move their machinery and all manufacturing equipment to that location.

The Eugene Bakery company was opened by the Grays Cash & Carry store in May 1922 and was operated by them until October 1, 1922, at which time the Eugene Bakery, Inc. was organized and the control and management passed to J. F. Roadman who came here from Spokane, Wash., as bakery manager for the Grays Cash & Carry chain stores.

Grays Cash & Carry stores will maintain a retail bakery stand in their store.

The Eugene Bakery company will engage in the wholesale bakery business.

## COUNTY SELLS CAR AT AUCTION FOR \$5

Something in the way of a new standard value was set for used cars here this afternoon when a 1918 model Buick, rebuilt for a truck, sold for a cash bid of \$5. The car was confiscated by the county while it was alleged to be in the transportation of liquor was purchased by a University of Oregon student who rashly bid and was found to be the owner of the car before he could change his mind. Although the four tires have given up hope and the steering wheel and some other essential fittings are in need of major operations, "the car can still go," according to the persuading talk of Earl Luckey, deputy sheriff.

A Star touring car 1923 model sold to the highest bidder in the county auction brought in \$110. This was purchased by the Service Garage.

## HARSH WORDS ARE HURLED IN SENATE

(Continued from page one)

who previously had sought unsuccessfully to interrupt the speech of Senator Cozans, arose and said: "Mr. President, I wish to ask if there are any rules of the senate that would permit me to call a fellow senator a willful, malicious, wicked liar as I wish to avail myself of this rule."

Senator Glass refused.

Senator Glass leaped to his feet, shouting that the Kentuckian should say specifically to whom he was referring, and Senator Robinson of Arkansas, the democratic leader, jumped from his seat demanding the right to make a point of order. He drowned out Senator Ernst, who was attempting to speak and placed himself directly in the pathway of Senator Glass, who had started across the chamber toward the republican side. Senator Reed of Pennsylvania sought unsuccessfully to throw the senate into executive session, so it could dispose of its troubles behind closed doors. There was a chorus of objections and while Senator Fess of Ohio, who was presiding, pounded for order, Senator Borah of Idaho began a speech which eventually brought the chamber back to its senses and restored a semblance of decorum.

## CROWDS FLOCK TO INCOME TAX OFFICE

Regardless of whether you are exempt from tax or not from income tax, if you earned more than \$1000 during 1924 you must file a return today or Monday or you are violating the law.

This is the announcement from the local income tax offices, who are swamped with requests from local taxpayers for assistance in filling out the blanks required. Hundreds of persons have filed through the local offices of James Furnish, revenue officer, on the second floor of the city hall, in the last few days, and although three deputies are busy caring for the crowd, there is always a waiting line.

To comply with the law, the blanks must be in the Eugene postoffice by midnight Monday, March 16, according to Mr. Furnish. The law requires that they must be filed on or before March 15, but as that date falls on Sunday this year the additional day is given.

## Radio Programs

The radio discloses unexpected possibilities. Edward Murphy was sitting on the stage at a gathering in Manchester, N. H., when he interrupted the speaker of the evening with a cough. Mr. Murphy, tuning in on the speech with his radio, heard that cough a mile away and recognized it. Fifteen minutes later on the Murphy boys arrived with father's favorite cough drops.

## Radio Gossip

M. J. Skinner, 590 Thirteenth avenue west: "Where I am living there is not much interference to bother with good reception, and I manage to pick up about every eastern station of any consequence. Our log book contains stations from California to New York to Texas. I couldn't get along without my broadcast receiver. I am not a fisherman. I generally hitch the instrument onto KGO or KFI or some good station and let it stay for the evening."

Bi-weekly dance music is now being broadcast every Wednesday evening at 10 o'clock from KOA, Denver, Colo., by Joe Mann and his Rainbow-Lane orchestra from the Shirley-Savoy hotel.

Bob Callahan, 858 Pearl street: "To check upon some of the reports that Eugene people had picked up President Coolidge's message from KGO, I wrote to KGO and asked if he had broadcast the message. Their reply said they did not. I have not heard of any station in Oregon that picked up the inauguration."

Billy Sunday, Oregon's rip-snorting evangelist, broadcast a sermon last week from WMC while visiting at Memphis. During the closing week of his campaign, when repentant sinners were hitting the sawdust trail to the municipal auditorium, WMC broadcast his afternoon sermons.

Baking an apple pie for a prize was the latest stunt broadcast from WJZ, New York.

Mrs. E. D. Anderson, 1004 Monroe street: "We get eastern stations regularly and all through the loudspeaker. As a matter of fact, we don't own a set of headphones, and usually can get the distance stations loud and clear. We think KFI puts on about the best coast programs, and KOA of Denver also offers splendid concerts. We live on the car line, and switch from the aerial to the loop when it gets too noisy. The loop usually gives us the best results."

## Eugene People to Broadcast Program

Several Eugene people are to appear on a program to be broadcast from station KGW of the Morning Oregonian soon. The program is to be made up of selections by members of the school of music of the university. This program is in addition to the regular Friday night broadcast period and will take place on Tuesday evening, March 24.

Alfred Powers, assistant in the extension division, in charge of the radio department, has arranged the following program:

Rex Underwood, violin.  
 Mrs. Rose McGraw, soloist.  
 Louis Artau, pianist.  
 The broadcast from the station is in charge of Richard V. Hays and as yet he has made no announcement of the length of the program.

## High School Gets Addition to Radio

The University high school of Eugene is constructing a radio set. The physics class is doing the work, and the set has a recent addition—a Tunzart Rectifier for recharging A and B batteries. This is the latest word of E. R. Means, the science instructor.

It also reports that books on radio communication have arrived and for the rest of the term, the physics class will go ahead on a mathematical study of radio, with the others will continue with occupational physics.

The building of the radio was a practical problem assigned the students last term.
