

You Fathers-

Who Want to Make Pals of Your Sons and Daughters

What man hasn't a desire to make Pals of his children?

Every man knows that only as the close confidant of his children can he advise and help them—guide them until their judgment is more mature—help them avoid life's pitfalls. The young folks are full of life. You wouldn't have them different. They enjoy music, singing, dancing—entertainment. That is quite natural—as it should be.

But wouldn't you rather they find these at home than at some public place of amusement?

Put Music in Your Home

Give your children a Gulbransen Registering Piano; let their friends be your friends. You'll be amazed how much more HOME will mean to them—how much oftener they'll come to "Dad" for counsel.

Mothers Important

Mothers should see that the whole family take a thorough, purifying system cleaning laxative this Spring NOW IS THE TIME. The family will be healthier, happier, and get along better if the blood is given a thorough purifying, the stomach and bowels cleaned out, and the germs of winter accumulated in the system, driven away. HOLLISTER'S ROCKY MOUNTAIN TEA is one of the very best and safest spring medicines to take. Try it and see the difference in the whole family.
