TUNNEY DEFEATS GREB; GIBBONS TO BE NEXT IN LINE

ST. PAUL, Minn., March 28.—(AP)—Whatever doubt existed as to the superiority of Gene Tunney, American light-heavyweight champion, over Harry Greb, former holder of the title, was dispelled today as a result of Tunney's decisive victory over the world's middleweight title holder here last night.

Tunney gave Greb as thorough a beating in their ten round no-decision bout as he has ever received. To Greb's credit, he showed assimilative powers in standing up under Tunney's vicious attack.

GIBBONS IS NEXT

ST. PAUL, Minn., March 28.—(AP)—Jimmy DeForest matchmaker of the Polo Athletic club in New York, expressed his confidence today that a 15-round contest between Gene Tunney and Tommy Gibbons would be closed within 24 hours.

DeForest remained here today for another conference with Gibbons and plans to depart for Chicago to meet Eddie Kane, manager of the St. Paul heavyweight, in that city tomorrow. DeForest said Gibbons favors the proposal offered him and undoubtedly will urge Kane to accept the match with Tunney.

Gibbons plans to discuss the situation with Kane by long distance telephone today and then convey his rejection or acceptance to DeForest.

The New York matchmaker has offered Gibbons 30 per cent of receipts of the fight, which would be set for June 12 at the Polo grounds.

Billy Gibson, manager of Tunney said he and DeForest would have no trouble in coming to terms provided the percentage offered Tunney was reasonable.

GIBBONS PLEASED

ST. PAUL, Minn., March 28.—(AP)—Tommy Gibbons, St. Poul heavyweight, whose next engagement probably will be a 15-round contest with Gene Tunney, American light-heavyweight champion, expressed the opinion today that Tunney would give him a good hard fight.

Gibbons witnessed Tunney's triumph over Harry Greb here last night, watching Tunney in action for the first time. He never took his eyes off the hard punching New Yorker during the ten rounds of vicious fighting.

"Tunney is a big strong fellow and ought to give me a good hard fight." Gibbons said. "I like the way he boxes. He hits hard and accurately."

Ira Dern Defeats Jew in two Falls

PENDLETON, Ore., March 28.—Ira Dern, Salt Lake City light-heavyweight wrestler, made short work of Abe Caplan, Chicago light-heavyweight, here last night when he took the Hebrew champion two straight falls. The first came in 41 minutes with a combination leg split and leg strangle, while the second was in six minutes with an arm scissors and body pin. Caplan put up a game fight, but was unable to offset Dern's speed and strategy.

Cambridge Wins in Oxford Boat Race

PUTNEY, March 28.—(AP)—The annual Oxford-Cambridge boat race ended sensationally this afternoon when the Oxonians after rowing about two miles in very rough water, were forced to abandon the contest owing to the waterlogged condition of their boat.

Cambridge, which started the general favorite, was lucky in winning the toss which enabled the light blues to select the north shore for their station, thereby gaining protection from the strong north wind which was not only bitingly cold, but badly roughened the water.

COMBS SAVES DAY

NEW YORK, March 28.—Long range artillery in the Yankee's lineup that has been conspicuously effective on major league diamonds, was silenced yesterday at Savannah, Ga., by minor league pitching in a game with the Rochester Internationals, and it fell to the lot of the newly installed regular, Earl Combs, to save the former American league champions from defeat.

His home run in the ninth with one on tied the score at 4-4. The game was called in the eleventh with the score unchanged.

VALLEY CHERRIES BEING CONTRACTED

New Crop of Bings and Lamberts on Guarantee Basis Signed

PORTLAND, Ore., March 28.—Willamette valley cherries are being contracted. Buyers are already in the field signing up the new crop of bings and lamberts on a guaranty price plus basis. Approximately 900 tons have been signed up around McMinnville, Sheridan, Salem, Albany, Portland and The Dalles, figured on last year's tonnage as a basis.

R. R. Hurst, representing Denney and company of Chicago, reports that the contract proposition is popular among the growers and should net them a fancy price if the cherry deal is as good as last year.

Growers are being schooled on the proper spraying to insure the cherries a good shipping quality and to eliminate insect and worm damage.
