A CUT-PRICE GROCERY—FRUITS AND VEGETABLES—BAKERY—A FIRST CLASS MEAT MARKET

4
different Syrups!

What kind of syrup do you like best?
Perhaps it's the good, old-fashioned New England Maple Sap! Or it might be Cane and Maple Syrup, blended of pure maple sugar and cane, which contains 10% more sugar than ordinary syrups. Then again it might be the finely flavored Cane and Corn Syrup, or the fancy New Orleans Molasses, mild and free from sulphur.
But whichever it may be, you can now get your favorite syrup in "the little glass barrels." All four of these delicious new BARREL BRAND Syrups are the result of a very high standard of manufacture. See how clear, pure and perfectly filtered they are!
As to their flavor—you'll exclaim that you never tasted such good Syrups!

YOU KNOW the unvarying policy of this store—Food Products of the Highest Quality. We must be sold on quality before we attempt to sell to you.

On such a basis is founded our most valued asset—the reputation of purveying the best foods of the world's markets.

Added to our extensive lines comes a food new to this country—VEGEX—richest of known foods in the essential Vitamin B and those mineral and organic salts necessary to growth, health and general well-being, which are

so sadly lacking in what the scientists call "over-civilized" foods.

VEGEX is served in many ways—all deliciously appetizing—all certain to benefit every body function. Especially valuable as a hot weather food, being many times as nourishing as meats, yet much less heating.

Buy a can of VEGEX today. You will like it in soups, gravies, stews and numerous other phases of your daily diet. And you will find it unequalled in fine flavor when used in sandwiches.
