This White King Deal is the most wonderful offer in this 16 page ad. For nearly eight years we have been selling White King in the Los Angeles territory, the home of White King, and we know what we are talking about. We have sold car loads. In the Los Angeles territory it is easier to sell White King Washing Machine Soap than it is to give away many would-be imitations. We stand behind every product made by the Los Angeles Soap Company and sell it on a money-back guarantee. Yours truly, GEO. C. STANLEY
