The plumbing and heating in the Stanley building was installed by FINNIE'S PLUMB SHOP. The material was furnished by the Peerless Pac Co., located at 2nd and Stark Sts., Portland, Ore., dealers in wholesale plumbing and heating supplies. The installation is open for your inspection, and we consider it a favor to bid on any plumbing or heating you may be contemplating in the future. Heating plans drawn and estimates cheerfully given. We are also experts on remodeling both plumbing and heating. Also cater to any repair work you may have and employ nothing but first class journeymen plumbers. Our prices will meet your expectations.
