NTUITION SAVES LIFE OF WOMAN

LOS ANGELES, Cal., April 14.—A man's "intuition" was assigned as the reason by Miss Ida Trask for the probable saving of her life when she learned that a package of apparently tasteless mouthwash she had purchased at a neighborhood drug store and intended to use last night, contained enough poison to kill several persons.

Soon after Miss Trask left the drug store, the druggist noticed his mistake and notified the police department. Scores of policemen were dispatched to the neighborhood and started a house to house canvass in an attempt to locate the purchaser before she should use the poison. After a two-hour search they located a friend of Miss Trask who had accompanied her to the pharmacy.

When Miss Trask was informed of the druggist's mistake she said she had intended to use the medicine last night but that she felt as though she would wait until morning.

ewiston Council Accepts Proposal Of Timber Company

LEWISTON, Ida., April 14.— The Lewiston city council last night accepted the proposals of the Clearwater Timber company and the Inland Power and Light company in the matter of establishing mills, power plant and log storage in the Clearwater river at Lewiston. The city is bound to give assistance in the matter of securing sites at reasonable prices and the companies agree to begin operations at once and to have the plants in operation by the spring or early summer of 1927. The investments of the two companies at Lewiston will be more than five million dollars.

The action of the council secures to the Clearwater valley an extension of the railroad into the Clearwater timber belt by the Northern Pacific and Great Pacific railroads. The two companies will join in this development and are a part of the agreement with the Clearwater Timber company and the Inland Power and Light company. It is estimated the total investment incident to the milling operations, power development and railroad extension will aggregate twelve million dollars.

erigin's Coming To Canada Awaited

SASKATOON, Sask., April 14.—Great preparations are being made to welcome Peter Verigin, Jr., who became king of the Doukhobors after his father was killed in an explosion on a train in British Columbia, when returns from Russia, it was learned here today from F. W. Cazakoff, vice-president and general manager of the Christian Community of Universal Brotherhood, Ltd.

"Young Verigin will be the great spiritual leader of his people and he will not have any business worries to distract him," said Cazakoff, "He is well educated along spiritual lines having left Canada shortly after his arrival with his father to attend the university of Tiflis in the Causasus, Russia. He is not a business man and his arrival will not change the business policy of the community.

"We like Canada and the government of the dominion. There is no truth in reports that we are leaving for other climes for we are satisfied. We intend to keep all the land we have and in the future the Doukhobor colony will enlarge the settlements."

Mexican Soldiers Rescue American

WASHINGTON, April 14.—George B. Fertner, an American citizen employed by the Penn Mexico Fuel company and abducted on April 6 by Mexican bandits near Tuxpam, has been rescued by Mexican federal soldiers, A report to the state department from Charles Bay, American consul at Tampico, telling of Fertner's return, said that in the fight between the federal and bandit forces one bandit was killed and the leader captured and executed.

The state department had made urgent representations to the Mexican government in this case and officials are gratified by the forceful and prompt action taken by the Mexico City government.

IMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the wonderful substitute for calomel; there's no sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and natural, instead of severe and irritating. No one who takes Olive Tablets is ever cursed with a "dark brown taste," bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad complexion or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the splendidly effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c.

valley at some places a mile wide, is under water.

Hundreds of small houses, many of which are set on stilts, line the river at its bank, but state troopers believe no lives were lost because of the warning.

Although the water was high around the bridges of the Michigan Central and the Detroit, Toledo and Shore line railroads below Flat Rock, traffic was not interrupted. Small barns, boat houses, wooden farm implements, trees, bushes and furniture were drifting down the valley on a current running ten miles an hour. The troopers reported seeing chickens clinging to drifting sheds and once a dog marooned atop a small barn, howling in fear as the waves rocked and buffeted his raft through the wreckage.

TWO DIE IN STORM

BENTON HARBOR, Mich., April 14.—A high wind and electric storm caused two deaths, wrecked a partly completed factory building and snapped off numerous telephone poles in Berrien county last night.

HOMES DAMAGED

INDIANAPOLIS, Ind., April 14.—A windstorm that almost attained the proportions of a tornado, hopped about over Indiana last night, leaving in its wake a number of damaged homes, uprooted trees and levelled power and communication lines.

Apparently entering the state from the west, the storm passed over Sullivan in the southwestern section only a few miles north of the territory hit by last month's disastrous tornado, then moved northwest, tracing a path through Indianapolis, Kokomo and South Bend, and veering eastward to Fort Wayne.

The damage will aggregate several thousand dollars.

Roofs were blown from a few houses in Fort Wayne.

Liquor Prohibited During Election

MANILA, April 14. — (AP) — The legal machinery has been set in motion for the enforcement of the new prohibition law regarding the sale of intoxicating liquors during the national elections next June. The law, as amended by the last session of the legislature, prohibits the sale and dispensing of intoxicating liquors during the two days on which electors register, during the two days prior to and on election day and during the entire time consumed in canvassing the votes.

The old law prohibited the sale of liquor only on the two registration days, the eve of election, on election day and during the counting of the votes.

At the elections in June there will be chosen members of the house of representatives, one-half the membership of the senate, governors and other officials of the various provinces of the Philippine Islands.

Seattle Telephone List is Advancing

SEATTLE, April 14.—Telephone subscribers in Seattle in 1924 totaled 90,942 compared with 86,488 in 1923, figures announced by Superintendent Jackson of the department of public utilities showed.

"Gas consumption last year was 1,710,418,000 cubic feet compared with 1,623,828,600 cubic feet the previous year, his report read.

FEW DICTIONARIES ARE REMAINING

The great demand for the New Universities Dictionary which is now being offered to readers of The Guard has reduced the supply to such an extent that those who have not yet secured a copy should present their coupons at once if they do not wish to be disappointed.

It is most gratifying to note the appreciation of the offer by readers, marked by the eagerness they have shown in taking advantage of it.

It is agreed that the book is wholly deserving of the success which is attending its distribution. The New Universities Dictionary is new in all that word implies. It is newly compiled, printed from new type, new in contents, and new in the arrangement of helps to the study of language.

It is the new dictionary for those who wish to keep up with the procession. It contains all the words that will ever be required by the average reader or student, and at the same time the scientific scholar will find words in this dictionary that are not found in any similar volume.

Sweden Vindicates American Citizen

BORAS, Sweden, April 14.—(AP)—Full redress for unjust imprisonment has been accorded by the highest Swedish judicial authorities to an American citizen, Charles Winter of Moorhead, Minn., who, armed with a power of attorney, came here in October 1923 to collect an inheritance for a client.

On the accusation of a rival claimant, a woman resident, who charged that his power of attorney was a forgery, Winter was arrested and kept confined for 15 days. As soon as the genuineness of the client's signature was established he was immediately released and the chancellor of justice himself took action against his accuser and her attorney.

Governor Suggests Record Attendance

SALEM, Ore., April 14.—Governor Pierce today issued a letter to the people of Oregon suggesting a record attendance at the opening game of the first series of games of the Pacific Coast Baseball league to be played in Portland Tuesday, April 21, and suggesting that business men allow their employes a half holiday for the afternoon.

"It gives me great pleasure," says the governor's letter, "to announce that the opening baseball game of the Pacific Coast league will be played on the afternoon of Tuesday, April 21, 1925. I urge everyone to attend the game. Baseball is a distinctly American game—the finest American sport. The men who spend their time and money to bring this attraction to our very doors should be encouraged by large attendance. I suggest that business men give their employes a half holiday in order that all may have the privilege of witnessing what will unquestionably be a real game of the greatest sport of the 20th century."

Bees Discourage Home-Loving Wren

ABERDEEN, Wash. April 14—(AP)—How the maternal instinct of a tiny wren twice in as many years was frustrated by a colony of wild bees has been related here by Samuel Benn a bird lover of this city.

For two years, Mr. Benn said, he watched a wren carrying material to build her nest in a bird house he had erected, and although she occupied it for a time each season and laid her eggs, no baby wrens ever put in their appearance.

Recently when he was changing the location of the bird house, Mr. Benn discovered that both years wild bees had taken possession of the nest and had formed their honeycomb over the mother wren's eggs. The second nest had been built over the honeycomb and the wreckage of the former season's hopes.

PENSIONS UP FOURFOLD

LONDON, April 14.—(AP)—Great Britain has expended in war pensions $3,000,000,000 since 1917, according to Major Tryon, minister of pensions. Incidentally the minister points out that the pension paid a totally disabled man today is four times greater than before the World War.

The public schools of the United States cost about $1,800,000,000 in 1924, the largest yearly amount in history.

University Glee Club Concert

The combined men's and women's Glee Clubs of the University of Oregon in their annual concert.

UNIVERSITY WOMEN'S BUILDING

Thursday, April 16

Tickets on Sale at Laraway's and Co-op.

TWO GLEE CLUBS TO GIVE CONCERT

Eugene citizens will have an opportunity to hear a concert by the combined glee clubs of the University of Oregon Thursday evening, April 16 at the Woman's building on the campus. This concert will be under the direction of John Stark Evans, which will mark the fourth number of the series of concerts sponsored by the university music committee. This concert is anticipated with more than the usual interest this year due to the combining of the two clubs, which is an entirely new and distinct feature.

"Hiawatha's Wedding Feast" by Coleridge-Taylor, which is a musical setting of Longfellow's famous poem, is one of the most beautiful and novel numbers on the program. It has never been heard in Eugene, which fact gives it a distinct element of interest. Frank Jue, Chinese tenor, does some of his finest solo work in this selection.

The unusual choral technique of the glee clubs will be displayed in a separate group of numbers to be rendered by each club. Many well known numbers will be presented, among which are "Mah Lindy Lou," by Strickland, and "The Bird of the Wilderness," by Horsman, which will be given by the women's glee club, and "Castilla," by Protheroe, and "Songs of Araby," a solo by Richard Adam, accompanied by the men's glee club.

Avoid Operation In Serious Case Of Kidney Trouble

"For the past three years I had serious thoughts of an operation, due to a serious case of kidney and prostatic trouble. In talking to a friend regarding this trouble he suggested I try Alvita, assuring me if it did me no good it would surely do me no harm, as it was purely vegetable compound. I used to suffer great pain, getting up four or five times each night, and I want to tell you I am entirely relieved after taking one month's treatment of Alvita. Do you know it has even helped my appetite." (Signed) R. G. FRAZER.

Alvita Tablets are scientifically prepared from the wonderful alfalfa plant, which through its long root absorbs the vital elements—lime, iron and phosphates—necessary to health and vigor. Alvita has proved especially beneficial in overcoming kidney, bladder and prostate trouble. No matter what you have tried, try this remedy of Nature now. A dollar buys a box at any drug store. Always in stock at Kuykendall Drug Co. Mail orders accepted.—Adv.
