being the date (Cora Smith expects every man out for the 1925 eleven, to be in a suit and ready for practice.

Was Jackson Speaks— To have developed the power of speaking, a sense of value, and the ability of cooperation should be the aim of the college graduate, according to Miss Florence Jackson, an expert vocational worker at Boston, who spoke at a mass meeting of the Women's League Monday in Villard hall, after the completion of a college career. She is able to hold intelligent talks on subjects which are of interest to the world, the nation and the individual's own community.

Fourteen Out for Tennis— Freshmen tennis, with 14 already in on in full swing at the University of Oregon. A ladder tournament is in progress, and a three team is now in progress, and a three man team will be picked as early as every man has had a chance to demonstrate his ability with the racket. Men who desire to try out for the team still have a chance, it is announced. The university will play the O. A. C. first year five man team and either a three or five man team will get into the match, depending upon the size of the team entered by the Aggies.

Homecoming Planned— A homecoming of all graduates of Eugene Bible university during the last 30 years is planned this spring. The committee is headed by Rev. Dr. E. C. Sanderson, president. Senator Morrow of Australia, who is now on a tour of the United States, will deliver the commencement address. Rev. Morton L. Rose of the First Presbyterian church in Eugene, has been selected for the baccalaureate services. Commencement will begin May 20 and end June 1.

Canvass Goal Set— The goal for this year's Student Union drive at the university has been set for \$70,000. \$65,000 to be raised by the freshmen and \$5,000 by the transfers from other schools. The freshmen goal was set in part upon the record of last year's freshmen, who were supposed to raise \$60,000 and went over the top with \$64,000. This year there are 752 freshmen, and the committee believes that they will be able to raise this quota.

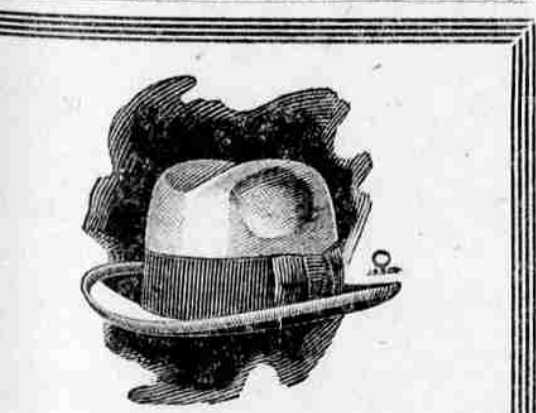

Enter Prize Story— The University of Oregon Marshall prize story, "A Problem in Math," by Miss Doris Parker is to be printed in the Spectator, a weekly journal devoted to literary and musical achievements, according to a letter received from Hugh Hume, editor of the Spectator. F. G. Thacker of the school of Journalism, Mr. Hume writes that he will print the story winning story in the Spectator every year.

Health Service Busy— The university health service staff

County Farm Home Furnishings Bought

New furnishings for the Lane county farm home were purchased during the past month including 25 mattresses and a quantity of new furniture. New equipment for the farm was needed as much of the furniture was old, according to Judge C. P. Barford of the county court. A work horse was also bought for the farm during the month, the report of Victor Hoare, superintendent, shows. Twenty three inmates, two women and 21 men, are now at the county farm, the report shows. During the month 175 loaves of bread were used, 65 gallons of milk, three sacks of potatoes, and one sack of sugar. The most of the food used at the farm is produced there.

Tiny Shields is Better, he Says

A. E. (Tiny) Shields, football hero of the University of Oregon team several years ago, is on his way to recovery, he stated in a letter to Jack Benefield, graduate manager, which was received yesterday. Shields injured his spine in a football game. To

CONFIDENCE!

THE largest-selling tire made in any Pacific-Coast-owned factory is the C-T-C.

Today the largest-selling tire, a year ago C-T-C was "on its way up"! Two years ago it was a babe in the industry. Three years ago, an idea. Four years ago—an ideal!

Yet it has taken twenty-five years' tire-building experience to build C-T-C!

Behind C-T-C stands a staff of engineers whose experience in Akron factories runs back more than a quarter century! They know tires!

When you need new tires, let us show you what the C-T-C can do. Or, better still, call in now and get acquainted with this tire that has "made good" quickly because of remarkable mileage records.
