Eugene Fans Will
Go to Beaver Tilt

Although the Portland Beavers are
coming home for their opening clash
of the baseball season with a rather
poor record there is still some early
season enthusiasm in the success of
the team and some Eugeneans have
hoped that Oregon may yet make a
showing. A large number from this
city are planning to attend the first
home game at Portland tomorrow...

FIVE FATALITIES
PORTLAND, Ore., April 20.—Au-
tomobile accident fatalities in Oregon
and southwestern Washington totaled
five over the week-end.

Mrs. George M. Swineheart, 35, of
Black Butte, Oregon, was killed at
Cottage Grove this morning when a
car driven by C. H. Busse of Cottage
Grove swerved to avoid hitting a
truck.

John Morris, nine, was killed at
Marshfield last night, when thrown
from a bike under the wheels of an
automobile. The accident was attrib-
uted to poor vision on account of
a driving rain.

Mrs. Eliza Goldstein was killed in
Portland yesterday in a traffic acci-
dent.
George L. Withrow, Portland, was
killed late Saturday, when an auto-
mobile left a road near Brightwood,
Ore.

CAR TURNS OVER
SPRINGFIELD, April 20.—(Spe-
cial)—An automobile accident which
might have proved serious occurred
yesterday morning on the Fall Creek
road when R. L. Burnett of Spring-
field lost control of the coupe he was
driving and it overturned. He and
Mrs. Burnett and their small son Bill
escaped injury, the car being caught
by a large rock and kept from rolling
down the grade. The glass in the
windshield and side of the car was
smashed. The Burnetts were on their
way to visit Mr. and Mrs. L. A.
Smith, Springfield persons who re-
cently purchased the Snooks ranch at
Fall Creek.

SUFFERERS STILL UNPAID
LONDON, April 20.—(Sp.—) Eng-
lishmen who suffered damages during
the war from the German raids over
London have been paid a total of
\$25,000,000 as compensation by the
government. This amount is, how-
ever, considered inadequate by the
claimants, some of whom have re-
ceived nothing, and they now suggest
that German reparations money be di-
verted to their benefit.
