

LEGION PAGEANT, "NIGHT IN PARIS" TO OPEN TONIGHT

The stage is all set for the opening of "A Night in Paris," the big fun pageant of the American Legion, assisted by Elks, Kiwanians, Rotarians and Lions, at the armory tonight.

Doors of the building will be thrown open at 7:30 o'clock tonight, and the show will last until 12 o'clock. The pageant will be repeated Saturday night. Following are the events on the program:

Jack Fox, formerly leading man with Elaine Janis.

By Lily, "radio songwriting song buster."

Mr. and Mrs. Sid Woodhouse and company, in "A Night in Paris" dance skill.

Margie Mustafa, "master of black and unseen arts."

Hawaiian Serenaders, in home land songs and music.

Old Fellows band, in interludes and concert.

A stilt show, featuring popular members of Eugene's younger set in the season's latest fashion creations. There will be concessions and side shows galore, according to George E. Love, general chairman in charge.

A "La Legionnaire" Cafe will be conducted by the ladies auxiliary to the legion, and the Salvation Army will serve coffee and doughnuts.

"Receipts will go to three worthy causes," says Mr. Love. "These are to needy families of Lane county disabled veterans, or to veterans themselves who, because of government red tape, cannot receive hospitalization or compensation, to the W. C. T. U. farm home for children at Corvallis, and to the Boy Scouts of Eugene. The show will be clean and refined, and we particularly invite ladies to attend."

PARADE DETAILS ARE ANNOUNCED

Details of the parade to feature the Lane county school children's pageant to be held here Saturday, May 9, are taking shape, according to announcement today of E. J. Moore, county superintendent of schools, Major W. G. White will be marshal of the day and the policing of the route of the parade will be done by members of the local national guard companies, it is announced.

The parade will form on the north of Olive street extending as far south as the number of entries participating. The parade will go east on Fifth avenue to Willamette street, south to either Thirteenth or Sixteenth avenues, depending on the length of the parade and the number of spectators, then counter march on Willamette north to Sixth, then east to Oak street and the armory.

"The counter-march will enable all those taking part in the parade to see the entries of all other districts and this will add to the interest of the event for those who will be in the parade," Mr. Moore said.

The board of three judges who will pass on the entries and award the prizes will have their stand on the balcony of the building at the northwest corner of Tenth avenue and Willamette street at the Eugene Business college, is the announcement.

Jurymen Declare Tillamook Child Died From Beating

TILLAMOOK, Ore., April 24.—The body of Sylvia Louise Descomp, aged 4, has been taken to Portland for burial following the inquest late yesterday which resulted in a verdict that her death was caused by a beating with a strap administered by her grandmother, Mrs. M. C. Paton.

Mrs. Paton, 52, Descomp's child's mother, took the body and also the three year old son, Clarence.

The father, Peter C. Descomp, after leaving the oldest son, Leroy, 10, with neighbors in the Meda district, left for Portland with the two year old son, Frank.

Mrs. Paton remains in jail, awaiting action by the grand jury tomorrow.

Witnesses at the inquest yesterday included several neighbors who told of reports that Mrs. Paton had beaten the Descomp children. It developed that neighbors had sent a petition to county officers urging action for the safety of the children.

Archdiocese Gains Christie Estate

PORTLAND, Ore., April 24.—The entire estate of the late Archbishop Alexander Christie, valued at \$19,000, is left to the Catholic archdiocese of Oregon City, over which he presided, under the will filed here for probate.

Stipulation is made that approximately 170 acres of land near Portland, included in the bequest, be used for erection and maintenance of a seminary for students in preparation of the Roman Catholic church. Personal property is listed at \$5,000 cash.

Mothers of Soldiers Will be Remembered

WASHINGTON, April 24.—A nation-wide demonstration by the army to express its affection and appreciation for the mothers of the soldiers of America has been ordered by the war department on Mother's day, May 10.

Instructions to commanding generals of all corps areas and independent army commands ordering them to arrange suitable ceremonies at posts, camps and other stations were forwarded today by Major General Rob-

ert Davis, adjutant general of the army. Wherever practicable, the orders said, a ceremony by the personnel of the army in honor of attending and absent mothers should be held and the graves in post cemeteries where soldiers' mothers are at rest shall be decorated. The commanding generals were instructed to issue invitations to mothers of soldiers to attend the ceremonies and it was suggested that special invitations be presented to gold star mothers who could be reached.

Home of Prince Looted by Yeggs

ARCADIA, Cal., April 24.—Peace officers today were investigating burglary of the home of Prince Erik of Denmark here yesterday in which valuables valued at \$4000 were taken.

Several fur pieces and fur coats valued at \$2500 were snatched up by the burglars, but left behind, they evidently having been surprised.

The burglary, it was reported to peace officers by Prince Erik, occurred while the prince and princess, formerly Miss Lois Booth, Canadian princess, were out driving.

One of the missing rings was a platinum and a diamond dinner ring valued at \$2000 and the other set with an emerald worth \$1000. Investigation, police say, indicated the theft was accomplished by some person familiar with the house.

TRAPSHOOTERS TO MEET CORVALLIS TEAM ARE NAMED

Personnel of the 20-man trapshooting team from the Lane County Sportsman's association to compete Sunday with a similar team from the Corvallis Gun club, at the municipal aviation field is announced today by W. W. McCornack, chairman of the committee in charge of the shoot.

This will be the first of a three-match inter-city tournament to be held between Eugene and Corvallis. Should the score be tied at the end of the second match, to be held in Corvallis, the deciding shoot will be on neutral grounds, says Mr. McCornack.

"No admission will be charged for the trapshoot Sunday," says Mr. McCornack. "The regular program starts at 10 a. m., and the team shoot right after lunch. Spectators who come out to see the shoot will be treated to a demonstration by J. W. Seavey, state champion. This would be a topliner on

any big-time vaudeville bill, and is well worth seeing." Following are the shooters to represent Eugene. R. A. Babl, team captain; J. W. Seavey, L. E. Simmons, Ray Glass, H. Veafob, W. H. Robertson, W. W. McCornack, Dr. Bell, W. H. Anderson, R. G. Lowell, Dr. F. M. Day, J. A. Russell, J. H. Blawett, W. W. Brown, Roy Siler, Dr. William R. Neal, N. J. Nelson, Ray Veatch, Bud Kolopp, Dr. J. Bogan, E. R. Danner, Gus Neely, A. W. Helliwell, S. S. Laywell.

Goodpasture School Will be Continued

Arrangements have been made for the continuing of the school on Goodpasture island for another month and the teacher employed will be retained for that time, is the report received at the office of the county superintendent of schools.

This school was established during the period of high water in the winter as it was impossible for the children who reside on the island to make the trip to the Riverside school. The school was planned for two months but a request that it be maintained for the additional period was made to the school board.

The first telephone was installed in the White House in 1881, when Grant was president.

Lull in Wind Saves Pendleton Buildings

PENDLETON, Ore., April 24.—A fortunate lull in the wind early this morning was a factor in preventing a heavy loss by fire in the heart of the city, according to Chief Ringold of the local fire department. The roofs were burned off three small business establishments.

The wind had been blowing continuously for 48 hours but ceased about four o'clock this morning. The fire was discovered about 5 o'clock and before it was extinguished, the wind was blowing again harder than ever. No estimate of damage made by the Knights of Pythias, owners of the property, at a late hour this morning.
