

CHURCH CONFLICT IN ROGUE RIVER DISTRICT ENDED

ROGUE RIVER, Ore., May 1.—A decision was reached yesterday by the Rogue River Baptist association at its annual meeting in Ashland, which ended the long conflict between the two factions of the Ashland church in that city, in favor of the majority and against Rev. B. Miller, who, with a majority of the congregation, expelled the opposition and took possession of the church property.

The decision was the result of a vote of the association, which is the highest authoritative body of the denomination which placed the Miller case before the Ashland church. The official withdrawing of the Miller case from the Ashland church was the official withdrawing of the Miller case from the Ashland church.

COLORED 'LIFER' STABS COMPANION AT STATE PRISON

SALEM, Ore., May 1.—It became known here today that in an altercation at the state penitentiary about three weeks ago between two convicts, J. C. Harris, a convict sent up from Klamath county, was stabbed in the arm by "The Brown" negro, a "lifer" from Wasco county who was sent up for murder.

Where Brown got the knife with which he stabbed Harris has not been ascertained by prison officials and Harris succeeded in hiding the weapon where it could not be found.

Brown at one time since he was received at the prison, was adjudged insane and was transferred to the state hospital for the insane, but was later taken back to the state penitentiary. At the time of the row the two men were in the "dog house," a place where the prisoners segregate when they are not busy. It is understood that Harris was about to attack Brown with a chair or a club when Brown wielded the knife on him.

Brown is the second Klamath county prisoner to be the victim of an attack. Jim Taylor, who was sent up for 20 years for his part in the hoodlum of a pool room in which a man was killed, on the day he was received was struck from behind and knocked down. He did not know who hit him or what he was hit with, but said his assailant was neither Sam Pate nor Pete Sullivan, two other men who were convicted with him for the hoodlum and murder, and both of whom were given life sentences. It is believed the assailant was some convict who felt a grudge against Taylor because he furnished evidence for the state in the trial that resulted in the conviction of himself, Pate and Sullivan.

...still C-T-C sales mount upward!

FROM Los Angeles, Salt Lake, Spokane, Seattle, Tacoma, Portland, San Francisco . . . everywhere in the West . . . come reports of increasing C-T-C sales!

In 1924, the number of retail dealers selling C-T-C's made a tremendous increase—120 per cent gain over 1923.

And still C-T-C sales mount upward! It looks as though unquestionably 1925 sales will at least double those of 1924!

The reason? Engineers behind C-T-C are keeping their promise!

They came West from Akron, where they held high executive positions, to build even a better tire in the West. Motorist say they have done it.

We shall be glad to give you expert information about our tires, and—if you need them—put on C-T-C's—either balloons, semi-balloons, heavy-duty cords or oversize cords!

to build up Weight!

ANY WOMAN, any man, can have a well-developed body and form. The whole, simple secret is a well-developed form is the number of blood-cells in your body. You can now forget all the theories about diet, exercise, food, and treatment, food-fats, and so on. Nothing is of any use at all, except blood-cells! They build-up men and women, they build-up muscles, they build-up strength—all these are suffering from one thing—too few blood-cells. Science has proved that S.S.S. helps to produce more blood-cells, which you need. Your blood is starving for them. Give your blood the great scientific blood-cells. S.S.S. has done marvels in making beautiful complexion, clearing the skin, making lips pink, cheeks full and plump, and giving the blood of impurities which cause pimples, spots, and blotches, eczema, and all the ailments of the skin. S.S.S. is purely vegetable, it may be used with perfect safety. This is the only S.S.S. since 1890, has meant thousands of underweight men and women plus in their strength. S.S.S. today and your health problem, that of your poor appearance, can be solved.

S.S.S. is sold at all good drug stores in two sizes. The large size is more economical.
