

WILLIAMS IS HIT IN PINCHES, AND IDAHO IS WINNER

At the end of the first inning, when the score stood 5 to 0 for Oregon, it looked as though the University of Idaho baseball team would have to return to Moscow with a loss chalked up. When the last of the ninth rolled around, however, the score was 19 to 7 for Idaho, and the Oregon team took the loss.

It started out like a good ball game for the Lemon-Yellow. Idaho went out, one-two-three, in half of the first, and when the Oregon sticklers came up they batted clear around, bringing in five runs. A home run by Adolph with two on was a feature. Idaho plugged away, hitting Williams hard when hits were needed, and Oregon couldn't catch up at the last. Bliss drove in the final run with his three-base clout in the last of the ninth with two out, but Jones struck out for his third time of the day, and it was all over.

The score: R H E
Idaho.....19 11 4
Oregon.....7 13 3
Batteries: Fields and Howerton; Williams, Brooks and Bliss.

Southern Pacific Baseball Team out To Annex Pennant

Eugene's Southern Pacific baseball team, which won the game Sunday from the Roseville Woolen Mill team by a score of 39 to 7, is out for the championship of the Twilight League as well as the Willamette valley, announces the manager, A. L. Harrington.

The new ball diamond near Blair boulevard is nearly finished, save for being oiled and rolled, and seats will be erected for spectators. Sunday's game was attended by more than 200 persons, with about 30 automobiles parked nearby. L. V. Weagent is captain of the team, and E. E. Thom, secretary.

The diamond is being prepared by the railroad players, although it is believed the Twilight league teams may use it for scheduled games.

Probable lineup of the team for the season will be as follows: Randall and McClain, first base; Hamford, second; Towns and Alford, third; Bettles, shortstop; Weagent, catcher; Little, center field; McCornick, right field; Hamel, left field; Van Dyne, Babb, Love, pitchers.
