

EUGENE HIGH TO OFFER GLEE CLUB CONCERT FRIDAY

The first annual concert of the glee clubs and quartets of Eugene high school will be held at the high school auditorium tomorrow night, announces Miss Leona B. Marsters, school music supervisor. The program will open at 8 o'clock.

This program will give Eugene music lovers an opportunity to hear the state prize-winning quartets in concert for the first time. The girls' quartet took first place at the Forest Grove contest; the double mixed quartet won third place, and the boys' quartet, third place. Miss Kathleen Powell, who won first place in the solo division, will also be on the program.

The high school singers have worked hard in preparing their concert, and hope for a large attendance, it is stated. The music department has willingly furnished music for many Eugene civic and service organization programs in the last year, and the singers always made a decided hit wherever they appeared.

The personnel of the quartets is as follows: Girls' quartet—Anna Kathleen Garrett, soprano; Pauline Guthrie, second soprano; Evelyn Holbe, first alto; Kathleen Powell, second alto. Boys' quartet—Adrian Burris, first tenor; Philip Gatch, second tenor; Clark Appleton, baritone; Lahan Shumway, bass.

NEARLY INSANE AT TIMES

Mrs. Saunders Tells how Lydia E. Pinkham's Vegetable Compound Relieved Troubles of Change of Life

Knoxville, Tenn.—"I took Lydia E. Pinkham's Vegetable Compound while going through the Change of Life. I was very nervous, could not sleep and had melancholy spells. In fact, I was nearly insane at times and my memory was almost a blank. I was so weak I could not do my housework half of the time and suffered dreadfully with my back. My doctor said I would have to worry it out and I went through this for three years before I began taking the Vegetable Compound which I saw advertised. I think it was eight bottles that I took. It has been two years since I took any and I haven't had a doctor since for that trouble. I do all my washing and ironing and I have gained from 116 to 128 pounds. I advise all women who suffer physically and mentally as I did to give the Vegetable Compound a fair trial. I hope it will do as much for them as it did for me."—Mrs. T. A. SAUNDERS, 711 E. Depot Street, Knoxville, Tennessee.
