

### FLAG DISPLAY FOR PARADE REQUESTED

Mayer E. B. Parks today called upon the people of Eugene to lend their support to the school children's pioneer pageant tomorrow.

"This is an undertaking that should merit the support and approval of every citizen of Eugene and Lane county," said Mayor Parks. "As mayor of the city of Eugene, I wish earnestly to request all citizens of the city to display the flag in front of their places of business and residences tomorrow.

"Eugene is proud of splendid spirit of patriotism and veneration displayed by school children in this pageant, and to this end every citizen should do his utmost to co-operate in every way possible to make the event the success it should be."

### CALIFORNIANS TO VISIT IN OREGON

"Eastern tourists are sold on California as a summer paradise, but misled about Oregon's rainfall. Native sons of California are 'fed up' on their own state, and will seek Oregon for their summer vacation this year in greater numbers than ever before."

This is the report of George B. Schaefer, of the A. B. B. department store, who, with Mrs. Schaefer, returned this morning from a 30-day trip to Los Angeles. Mr. Schaefer is buying for his store, and Mrs. Schaefer visited with friends and relatives in Hollywood.

"I found many Californians who spoke highly in praise of the scenic beauties of Oregon," said Mr. Schaefer. "One in particular, who was in Eugene when the Battle Court opened, praised the McKenzie river scenery, and the 'kick' in the berries. But illustrating the misconception about our weather, my caddy, on a golf course near Los Angeles remarked to me, hearing that I was from Oregon, 'Gee, mister, up there it rains all the time, doesn't it?'"

Mr. Schaefer believes that Lane county should "sell" its summer attractions to prospective tourists in California and other sections. He saw a few "Visit Oregon" advertisements in Los Angeles papers, but believes that if some money were spent in this way to advertise the mountains, forests, lakes, fishing streams and good roads in this section that Lane county will get its share of the many Californians who will spend their vacations in Oregon this year.

### Harrisburg Wins Two Fast Games

HARRISBURG, May 7.—(Special)—Harrisburg's baseball team won its first game Sunday afternoon on Maxon's field from Coburg. The game lasted ten innings, in the ninth inning the score stood 9 to 0 and in the tenth Farmer, local shortstop, crossed the plate with the winning run thus making the score 9 to 10. Clarence Peterson, local third baseman, slammed the ball over the left field fence with one man on for a circuit clout and in the eighth George Wilhelm, who covered first base for the locals pulled the same stunt. Joe McFarland, local left fielder led in batting by making five hits out of six times at bat, including two doubles and three singles. The lineup for the local boys is as follows: Gilman, 2; Farmer, 3; Peterson, 3; Wilhelm, 1; A. Holman, 3; Owens, cf; Wiegand, cf; McFarland, lf; H. Holman, p.

The Harrisburg high school team took the second game of the season with Brownsville last Friday on the home grounds by the score of 11 to 1. Errors of the Brownsville team netted some of Harrisburg's tallies while their timely hitting counted for the rest. This was the last league game, with Harrisburg winning three and losing three for a percentage of 500. The other three teams have not played all their league games due to the rainy season. The lineup for the game is as follows for Harrisburg: Holt, 3; Perkins, 3; Morgan, cf; Wilhelm, 1; Scott, rf; Rice, cf; Weber, 2; Coates, lf; Burgess, p.

The Harrisburg high school girls also played and put up a hard fought game which resulted in a 21 to 25 score in favor of the Brownsville girls. This is the first game the local girls have met defeat in since the opening of the 1925 season. Both the girls and boys teams go to Junction City to play a return game Wednesday afternoon. The local teams were victorious in their first game with the opposing team.

### Former Purser is Taken at Roseburg

ROSEBURG, Ore., May 8.—Walter Louis Ford, former purser for the Pacific Steamship company of Seattle, who has been sought since the first of the year by California authorities on a charge of embezzlement was arrested today by Sheriff Starnes upon receipt of a warrant from San Francisco. Ford, Sheriff Starnes says, is charged by California authorities with the embezzlement of more than \$4,000 and a reward of \$200 was offered by the American Surety company for his arrest. The man was found residing on an isolated farm about twenty miles west of Roseburg. He expressed a willingness to waive extradition, the sheriff stated.

San Francisco officers have been notified of the arrest.

### Magazine is to Feature Lane

Lane county will be featured in the next issue of the Sportsman and Fancier of Portland and special pictures and articles pertaining to this district will be used, according to C. S. Whitmore, publisher. The annual state trap shoot which will be held in Eugene May 29 to 31 will be the big event that will be featured by the sportsman's publication and the attractions of Lane county are to be pointed out to the many visitors in order that many will stay over to enjoy the fishing on Lane streams, the publisher states.

### DEPORTATION CASES ARE INVESTIGATED

To make investigation of the case of Richard Moor now awaiting action of the grand jury here on a check charge and also the case of his wife Mrs. Richard Moor, who was sent to the Lane county farm today, two officials of the department of immigration are here today.

It is believed that Mr. and Mrs. Moor will be deported to Canada, they having come to the United States about two years ago. Moor was arrested several weeks ago in the Oakridge area having gone there from Portland.

R. P. Bonham, inspector of immigration, and F. S. Lord, assistant, arrived this morning and are checking up on the case for the government. The inspectors will also make other investigations while here, they announced.

### COUNCIL TO ORDER WATER BOND SALE

Sale of \$300,000 of the water improvement bonds voted at the special bond election May 15 will be ordered by the city council in ordinances framed for passage at next Monday night's meeting of the city council, it was announced today by George A. Gilmore, city recorder.

One of the reasons for the sale of \$100,000 of the \$135,000 voted for the building of a new reservoir, extension lines, booster pumps and auxiliary reservoir to serve taxpayers in the Fairmount district; and another ordinance is to sell \$200,000 of the \$275,000 voted for the new pipe line to the McKenzie river for city water supply.

The bonds to be sold represent the amounts needed to pay for immediately pending work, and to make it unnecessary to pay interest on the whole issue. The remainder of the bonds will be sold as needed.

Two alley improvement ordinances are up for passage, as follows: For alleys intersecting the city block bounded by Ninth, Tenth, Oak and Pearl streets and for an alley from Eleventh to Twelfth avenue between Oak and Pearl streets. An ordinance ratifying and accepting the bid and contract for the South Wilamette sewer work to Oscar Snow is also to be voted upon.

### Mr. Capper Speaks On his Grain Act

CHICAGO, May 8.—(AP)—One of the main ideas back of the Capper-Tincher act for the regulation of trading in grain futures was to make impossible the violent fluctuations, particularly in wheat, recently witnessed on the Chicago board of trade, said Arthur Capper, senator for Kansas and one of the authors of the measure here yesterday.

### Satan's Hour

Isabel had always been sheltered from the outer world. Then accident whirled her into a strange, jazz-mad universe. There the younger sister gathered. The midnight rides, drinking and petting sickened and horrified her—until she met Norman, a clean, fine young man, whom she truly loved. They were to be married—then suddenly her dreams of happiness faded—her beautiful castles crumbled—and she was brought to realize what a trail of blasted hopes, bleeding hearts and ruined lives the Demon Jazz leaves in its wake.

A startling true-life story that all young people—all fathers and mothers should read. Isabel tells it under the title "The Barrier Between" in June True Story Magazine. One of its big features. Get your copy today.

### BAR ASSOCIATION OPENS MEETING

PORTLAND, Ore., May 8.—Colonel J. H. Wigmore, dean of Northwestern university law school, Chicago, here today to attend a meeting of the Oregon State Bar association in an interview said Charles G. Dawes, vice-president, should have the support of all "good red-blooded fighting Americans" in his battle to change court rules.

"The United States senate in its exalted egotism and power is the greatest obstruction to good federal legislation now here," said Colonel Wigmore. He deplored what he termed the growing habit of people rushing to congress to try and have laws passed to force all the states to follow ideas that some group of people think is just the thing.

Opposition to the proposal to adopt for the state circuit courts the practice now used in the federal courts of having the judge, instead of the attorneys, question prospective members of the jury, was voiced at the initial session of the judicial council.

The council called the meeting merely to hear suggestions, and will take no action. Whatever action the council decides upon will be taken in executive session at some future time.

Judge Shipworth of Eugene opposed the proposal of the change from the present system, declaring that very little time is lost in selecting juries under it if the trial judge controls the case properly.

### Court Precedent Set at Salem in Booze Bond Case

SALEM, Ore., May 8.—Justice of the Peace Brainer C. Small set a precedent for local courts here today, when he refused to accept Frank T. Berry and John Ronestich of Portland as bondsmen for John Andrews, Lester Dickson and Henry Johnson, who are in jail here on charges of possession of a still and manufacture of liquor. Small's reason for not accepting the Portland men as bondsmen was that as professional bond brokers they put up large sums in bonds and consequently their liabilities are too great.

On the charge of possessing a still Andrews, Dickson and Johnson have been bound over to the grand jury with bail fixed at \$3000 each, while on the manufacturing charge their bail has been fixed at \$1000 each. They today appeared on the latter charge from the justice to the circuit court.

The three men were recently arrested.

### ABOUT LANE COUNTY Series No. 6

In 1919-1920 the total value of all crops raised in Lane County including cereals, grains, seeds, hay, vegetables, fruit, nuts, and other crops aggregated in value the sum of \$10,415,500.

A greater portion of this money passed through the banks of Eugene.

People sometimes wonder what there is back of Eugene. Isn't this newly created wealth equal to the entire pay-roll of some of the smaller industrial cities of the East? We think it counts.
