

# WASHINGTON NET MEN WILL MEET OREGON SATURDAY

The University of Washington net men will furnish the first home competition for the varsity tennis team here Saturday afternoon. Oregon will use virtually the same lineup as in the Oregon Aggie meet held in Corvallis May 2, announced Rodolf Ernst, coach.

The varsity will be represented by Captain Harry Meyer, George Hayden, Roy Okerberg, George Mead, and William Adams. Meyer is playing his third season. Hayden is the only other letterman on the squad. Okerberg, Mead and Adams played for the freshman squad last season. This is their first year on the varsity.

Oregon met Reed college at Portland last Saturday in a dual meet and won four out of six matches. Victory for Oregon came in two double and two single matches. Reed won two singles.

Captain Meyer with George Mead and Roy Okerberg with George Hayden, made up the two doubles teams. The Oregon Aggies will be met here May 23 and following that a tournament will be held among the players to decide the entrants for the Pacific coast meet to be held in Seattle May 29 and 30. The three men placing highest in this tournament will be sent to that meet.

Jack W. Beaufel, graduate manager, is trying to schedule a meet with Willamette university here for May 14. This would give the local men a chance to show what they have before they tackle the strong Washington team. The Huskies meet the Oregon Aggies Friday and the proposed Oregon-Willamette meet would in no way conflict in schedules.

The players as they will face the Washingtonians will be: Meyer, Mead, Okerberg, Adams and Hayden in the single matches; Meyer with Mead and Okerberg with Hayden will constitute the doubles teams.

## Willamette Here For Game Today

University of Oregon plays Willamette university at 4 o'clock this afternoon on the new baseball diamond. It will be the last home game for the varsity until May 30, when the Aggies will come here for the final game of the season. Freddie Harrison probably will be on the mound with George Munnagh, catching. Bliss aggravated his injured finger in last Saturday's game, and rather than take a chance of having it further injured, Coach Reinhart said he probably would give Bliss a rest.

Carl Knudson, southpaw hurler, will replace Munnagh in the outfield. Knudson is a good outfielder and when not pitching plays the outer gardens. He has not yet regained his batting eye and fanned several times in the Washington game last Saturday. Other positions on the team will remain intact.

## Earl Cooper Wins 250-Mile Contest

CHARLOTTE, N. C., May 12.—Earl Cooper won the 250 miles Memorial day auto race Monday on Charlotte's speedway.

Harry Harris finished second while Tommy Milton, after setting the pace more than half the way, came in third. Forty thousand persons witnessed the race.

Cooper's time was two hours two minutes and 55 seconds, or 121.0 miles an hour. He won prize money totaling \$10,000.

## 'Babe' Convalesces

"Babe" Ruth is so far on the road to recovery that he can be photographed. Here is the first picture of him to be taken since he entered the hospital. It shows him feeling a lot happier since he is nearing the day he will return to the diamond.

JOE WILLIAMS

BASEBALL dope is what Mr. Henry Ford labeled history. It's bunk. By it you can prove anything if you are lucky and nothing if you aren't, without use of constitutional amendment or extra pair of trousers.

Gay and handsome dope on the American League travails was that Yanks and Tigers would bounce away to stylish lead shortly after Coolidge

tossed out season's first official affirmative, with senators puffing along an honorable but negative third.

Bright days of May found Tigers burrowing through last strata of red clay and Vermont rock in Mr. Johnson's well-stocked cellar, making throaty noises like enthralled yardine calling amorously for its red-hot mamma.

Spectacle of Tigers drifting along on sea of scrambled baseball prophesy like battered silk opera hat with summer chills, is stranger than overflow crowds at charity bazaar in Pinch-Purse Scotland. But it's official.

The unlooked-for standing, backward somersault of Tigers has jumped the hysterical pulse of Mr. Cobb up to a million even, and his temperament has got an edge on it that would shave the Smith Brothers in three seconds flat.

Failure of the Yanks to shake their rheumatic legs loose from the tangled foot and go swimming upward into the rarified atmosphere of first division can be blamed largely on the important illness of Mr. Ruth.

Those New York clubs lose a lot of flags in comical ways. Merkle forgot to detour at second one year and that cost a pennant. Heime Zimmerman chased Eddie Collins home with a winning run in a world series. But this is first time a prostrate hotdog never jostled a team out of the headlines.

Meanwhile Washington tax evaders are going along as smoothly as a huge mobster's line in Parsippany.

Here this year is cluttered up with more dark horses than you can shake a peck of oats at, with Indians, Athletes and White Sox stampeding all over one another to get their famished leeks in the big money trough.

SPRINGFIELD LOSES  
SPRINGFIELD, May 12.—(Special)—Springfield high school lost its second game of the baseball season here Saturday when the local players were defeated by Albany high school with a score of 15 to five. This makes two defeats for Springfield this season at the hands of her old rival.

## Pfeffer Leading Coast Pitchers

SAN FRANCISCO, May 12.—Jeff Pfeffer of the San Francisco club is the undisputed leader of the Coast League twirlers, according to the latest figures. Pfeffer has won five games and lost none. Leverenz of Portland ranks second with three wins and no defeats. Milstead of Los Angeles ranks third with two wins and no defeats.

Other pitchers with good averages are:

McCabe and Ponder of Salt Lake with five wins and one loss each and a percentage of .833; Mitchell, San Francisco, won five, lost one, .833; Plummer, Seattle, won five, lost one, .833; and Ludolph, Vernon, won three, lost one, .750.

## Walter Johnson Isn't Slipping

NEW YORK, May 12.—(AP)—Walter Johnson, 38, here in the rise of the Washington Americans to the world's championship, shows no signs of slipping in the 19th year as a major league pitcher. Johnson yesterday pitched his 108th shutout, the White Sox falling victims to pitching skill which limited them to five scattered hits. Only two Chicago players were able to reach second base as the club went down to a 9 to 0 defeat.

## Sacco Fights to Draw in Portland

PORTLAND, May 12.—Jimmy Sacco, Boston, and Jimmy Cottrell, Spokane, fought ten rounds to a draw here last night. The boys, both fighting at 145 pounds, showed a readiness to mix, and the bout was crowded with action.

# GENERAL HAMMOND GUEST OF ROTARY

General Creed C. Hammond, head of the militia bureau of the United States war department, spoke at today's luncheon of the Rotary club at the Osburn hotel. He told of the work of the bureau and the war department and the part the national guard is playing in the national preparedness program. Support of the national guard was asked by the speaker, who pointed out that they would be the first soldiers called in case of war.

Speaking of his boyhood days at Eugene, General Hammond said the territory on College hill where he used to get his wild strawberries and poison oak was now covered with splendid residences.

Eighth grade boys of all the city schools of Eugene will be guests of the Rotary club at its luncheon the next two weeks, announced W. C. Yoran, chairman of the boys' work committee of the Rotary club. More than 100 boys will meet with the Rotarians, and a special program will be prepared for their benefit.

## Contest of Will Is Lost in Court

SALEM, Ore., May 12.—Greta Moore Thompson of Portland loses her contest of the will of her father, the late Lawrence K. Moore, according to an opinion of the supreme court today in the matter of the estate of Lawrence K. Moore, deceased.

Greta Moore Thompson, contestant and appellant, against Jessie J. Moore and G. A. Taylor. The opinion, written by Justice Burnett, affirms Judge George Taxwell of the lower court for Multnomah county. The contestant was a child by the first wife of Moore, who died when the daughter was 2½ years old. She later lived with her father and his second wife, but the will failed to make provision for her. She alleged undue influence by the second wife.

# Snow Packed Deep In McKenzie Pass

BRAND, Ore., May 12.—Drifts of packed snow 25 feet deep in places at present block the McKenzie pass road across the Three Sisters and Balknap across the Three Sisters, making the road most difficult one, according to information received in a telephone message from Rev. Evanson, superintendent of public roads, in charge of the work being carried on just west of Sisters.

Despite the snow, the tractor, now at Windy Point, will continue on its way to the summit, and it is believed by Evanson, that with the aid of dynamite, the road opening machinery can be taken over the snow covered beds before the end of the present week.

# Where are the SUPERSTITIONS OF YESTERYEAR?

Superstitions don't last long, especially when it costs money to believe in them.

For example, the majority of Pacific Coast motorists have long since stopped paying tribute to the superstition that there is something mysteriously "better" about "eastern" motor oils merely because they cost more and are made in the East.

## Experience proves superiority of western lubricants

As a matter of fact, the most suitable crude petroleum so far discovered for the manufacture of a motor lubricant is the naphthenic base crude which this company obtains from Pacific Coast wells. And the most advanced refining process is the patented high-vacuum process used exclusively by this company in the manufacture of Zerolene lubricants.

## Zerolene is first choice of western motorists

Zerolene lubricates more cars in the Pacific Coast states than any other oil made. Six out of the seven trophies offered in the 1924 Los Angeles-Camp Curry (Yosemite) Economy Run were won by Zerolene-lubricated cars. The "anti-western" bogie simply doesn't hold up. Zerolene increases gasoline mileage, reduces upkeep costs and lengthens engine life, in high priced cars and motor trucks alike.

Zerolene will do the same thing for your car. Why pay tribute to a superstition? Insist on Zerolene by name.

## Get the facts!

A series of independent and impartial reports showing the experience of large users with Zerolene has been collected in our booklet, "Why Pay Tribute to a Superstition?" Ask any Standard Oil Company representative or Zerolene dealer for a copy.
