

# HITS SPELL WIN FOR WEBFOOTERS IN BEARCAT GAME

Bunched hits and lots of them brought in enough runs yesterday for Oregon to defeat Willamette university in baseball 14 to 3. The game was called at the end of the seventh inning due to the prevailing darkness. The game was slow throughout and marred by errors on both sides.

Ray Williams started on the mound for Oregon and was given a substantial lead during the initial inning. He gave way to Adolph in the third and Adolph proceeded to pitch fine ball. He was working in his first varsity encounter and garnered two strikeouts but issued three free passes and was caught for two hits. With Oregon far in the lead, Coach Reinhardt called on Harry Dutton to work the seventh inning; he also was working in his first intercollegiate game and threw in no hits no runs but issued two walks.

The heavy artillery of the varsity nine started in the first inning and on five hits scored four runs. They followed with two runs in the second, one each in the next two and ended with six in the sixth.

Poling for Willamette collected the only home run of the contest. He knocked a long to center field and scored before the throw in. His hit came in the sixth with none on.

Carl Kaudson was the steller hitter of the day for Oregon, he garnered four singles in four trips. Each man on the local team connected for at least one hit with the exception of Dutton who did not come to bat.

While the varsity was having a heavy day with the stick Willamette was held to three which were well scattered.

Score by innings: R H E  
 Willamette..... 3 3 4  
 Oregon..... 14 15 2

Batteries: Robertson, Ellis and Tomner; Williams, Adolph, Dutton and Minnaugh. Umpire, Dick Reed, Eugene.

# The NUT CRACKER BY JOE WILLIAMS

GERMANY has massaged the republican rheumatics out of her goose step and is clanking back up the hill of monarchy and divine rights.

Von Hindenburg has been brought back from the bushes of kulturism on an optional agreement and made

bench manager of a team that from now on promises to get nowhere rapidly.

Running on a platform of verbotens, der tags, war-like gutturals, tin medals and stiffly starched whiskers, Hindus swept the Eutherford like a tornado striving for new A. A. U. records.

The "old man of the lakes" ran a million imperial votes ahead of his nearest pursuer. Indeed, he ran almost as fast in the election as he did when Foch caught him between the bases in 1918.

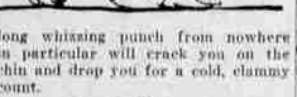

You can't teach an old sardale new lyrical notes and old motion picture general with a well-patched uniform is still big enough in Germany's eyes to bat for Ruth with the sacks loaded.

Some folks get so accustomed to abuse they become miserable without it. This is one reason, perhaps, that Joe Beckett continues to draw crowds in London.

Germany has been seven years recovering from down-and-out-let-em-lay violence in anybody's history.

And what does she do soon as she's able to sit up and read the casualty lists? Up and demands a second helping of carbolic!

Sometimes it doesn't do any good to get back on your feet. Often a

long whining punch from nowhere in particular will crack you on the chin and drop you for a cold, clammy count.

Hindenburg is getting the applause again and it doesn't seem to make any difference to the Germans that it comes only from the stagehands and the umbra.

## Mrs. Harold Grady Breaks Into '40's'

Mrs. Harold Grady, fair member of the Eugene Country club, surprised the golf fans recently by breaking into the "forties" when she turned in a card of 49. Mrs. Grady, it is said, is the second woman to achieve a score less than 50. Previous to this time Mrs. Colin Dymond has been the only woman to break into the forties.

Mrs. Grady's achievement is considered particularly remarkable in that she has been playing golf for only two years.

# AGGIES MAINTAIN PERFECT RECORD

OREGON AGRICULTURAL COLLEGE, CORVALLIS, May 13.—(Special)—With the only perfect mark in the percentage column at the halfway point in the season, the Aggie baseball team will fight hard to maintain its lead in the conference race though still confronted with a hard road trip.

Seven conference wins in as many starts is the Aggie record to date. Every other team in the circuit has lost at least two games. The locals under Coach Ralph Coleman have met and defeated every important team in the circuit except Oregon, which will come here next Saturday as a feature of the campus week-end program.

Aggie victories to date have been over the following teams: University of Washington, Washington State college, Idaho, Whitman, Willamette, and Pacific two games. A return game with Willamette set for this week has been postponed till Monday, May 18, after which the team will leave for the north, making a circuit of all the colleges beginning with Washington May 22 and ending with U. of O. May 29.

Past Aggie teams of recent years have fallen down on the road after building a good lead on the home lot, hence no overconfidence exists as to the season's outcome. Heavy batting this season, however, led by Rilling, Baker, and Eschmiller, behind the veteran trio of pitchers, Tebb, Young, and Woodward, is counted on to keep the O. A. C. team near the top.

A complaint against C. Steinhauer, traffic policeman was made to the council by H. D. McPherson, charging that an accident had been caused when the policeman ordered the car driven by Mrs. McPherson to return to town to have a tail-light fixed, and refusing to allow the motorists to drive farther to turn around, in making the turn the car collided with another machine, Mrs. McPherson was injured, and the car damaged to the extent of \$50, the complaint stated.

Miss Marty Young of Ashland, returned missionary from Korea, gave an illustrated lecture Monday at the Methodist church on the work of the women's foreign missionary work in that country.

Permission has been granted by the city council to the post office department to erect collection boxes in this city in preparation to the carrier service which will start September 1.

## COTTAGE GROVE

COTTAGE GROVE, May 13.—(Special)—The Baptist congregation held a basket social Monday night at the home of T. J. Clark on the London road.

Mrs. Grace Denny and brothers Glen and Dalton Smith from Los Angeles, Cal. are visiting with their mother, Mrs. Arthur Ishmael.

Mrs. J. P. Graham returned Monday night from Portland where she has been for a week visiting.

Mrs. Alvis Wicks is in the hospital in Eugene.

Mrs. Malcolm Horn from Delight Valley brought in the first crate of strawberries Tuesday afternoon.

Mr. and Mrs. J. M. Black met Mrs. Black's mother, Mrs. Narcissus Kobbie, Tuesday. Mrs. Kobbie will live with Mrs. Black.

Elmer Wood of Drain, father of

SPRINGFIELD, May 13.—(Special)—Andrew Nyström is here from Wendling receiving treatment for gasoline burns received while at work Friday at the Menefee Lumber company above Wendling. Mr. Nyström was filling a can with gasoline when it suddenly burst into flames for some unknown reason. Through the skin on his hands was badly burned it is expected to heal without complications.

Plans for Decoration day will be discussed Friday night at the meeting of the American legion in the chamber of commerce rooms.

H. A. Cox, father of Herbert J. Cox of this city, arrived Monday from his home in Portland to spend several days with his son.

Mr. and Mrs. N. A. Rowe returned Monday from a trip to Portland where they had been since Saturday morning visiting Mrs. Rowe's sons, Pete and Nick Lamberg. They also stopped in Albany for a short visit at the John Lamberg home.

The Springfield city council postponed the city's paving plans indefinitely at their meeting Monday night by tabling the petition of property owners along Mill street asking that it be saved. A protest against the paving of Second street has been prepared by the residents along that street, and will be referred to the street committee of which M. J. McClain is chairman, to act. The grading of Seventeenth street was likewise tabled until estimates of cost can be made. A petition was presented to the council asking for brighter street lights on Fifth street from A to E streets and at the corner of Third and B streets.

A complaint against C. Steinhauer, traffic policeman was made to the council by H. D. McPherson, charging that an accident had been caused when the policeman ordered the car driven by Mrs. McPherson to return to town to have a tail-light fixed, and refusing to allow the motorists to drive farther to turn around, in making the turn the car collided with another machine, Mrs. McPherson was injured, and the car damaged to the extent of \$50, the complaint stated.

# Oregon's Splendid Highway System Must Be Preserved

In their desperate appeal to get the people to sign the referendum petitions on the Truck and Bus Bill, some of the circulators in the City of Portland and throughout the State are telling the public that the bill increasing license fees charged for hire Trucks and Busses is intended to drive Trucks and Busses off the paved highways. Other petition circulators are telling the people that the bill is only aimed at Busses and not at Trucks. Neither of these statements is true. There was no intention on the part of the Legislature to drive Trucks and Busses off the roads but the Legislature did intend in passing that law, to require these enormously heavy for hire trucks and busses to contribute more money in license fees to be used in repairing the terrible damage that they are doing to our fine roads all over the state every day.

Don't be misled into signing these petitions by fairy stories told you by circulators of these petitions. There is no desire on the part of anybody to drive Trucks and Busses off the roads, but everybody feels that these ten-ton to twenty-ton trucks and busses that are running on the roads for hire ought to contribute in license taxes more than they do toward repairing the damage they are doing to our paved roads. The total amount of license paid per year by all the trucks and busses operating in Oregon will not repair ten per cent of the damage they are doing to the roads.

Don't sign these referendum petitions and tell your neighbors not to do so.

# SPRINGFIELD HIGH LOSES TO EUGENE

Eugene high school's baseball team defeated Springfield high, 9 to 4, in a speedy but ragged game in Eugene yesterday afternoon. Ten hits were made on each side.

McMullen occupied the mound for the visitors, with T. Cowart at the receiving end, but the two traded positions in the sixth frame, when hits off McMullen became too numerous. Coach "Spike" Leslie relieved Welsh as pitcher in the second, and Emmons in the ninth.

"The Way to Beautiful Homes"

# "And I did it!"

"Yes, I did every bit of the decorating myself," explains the housewife proudly. "I bought the table unpainted, finished it with LUSTRELAC ENAMEL in the tones that carried out my color scheme. Then I applied the transfers, and look at the result!"

You also can make your home attractive, either by finishing inexpensive, unpainted pieces or by refinishing well-worn or discarded furniture with Lustrelac Enamel. It is easily applied and the decorating is really fascinating.

Ask for a color card and see the many attractive color combinations in which you can finish either bedroom or breakfast room furniture. Complete instructions on every can of Lustrelac Enamel tell how it should be used.

You can now paint your property and pay on the Bass-Hueter Monthly Payment Plan. Call and let us explain this plan to you.
