

MARKET ROAD AIDS ASKED BY PETITION OFFERED TO COURT

Bearing petitions with a large number of names of residents of western Lane as well as Eugene and areas of the county adjacent a delegation of good roads boosters asking that the Market-Cushman road be made a market route, appeared before the county court this afternoon.

The procedure necessary for the establishment of a market road was explained by Judge C. P. Barnard. The state highway commission will outline the necessary improvement required before the route can be included in the system. This will mean an increase in the width from the present eight feet to 12 or 16 feet.

It is pointed out that if these recommendations are accepted by the county that the road may be designated as a market route by the state without the necessity of waiting until the improvements are completed by the county before market road funds are available.

The petitions asking for this new road between Mapleton and Cushman were in circulation in the business district this morning and a large number of Eugene signatures obtained.

COUNTRY CLUB'S TEAM IS CHOSEN

Members from the Corvallis Country club, and the Ilwaco Country club, of Salem, will be in Eugene to play off the second leg of the Inter-City golf tournament which began at Salem last week. The tennis tie-off promptly at 9 o'clock.

From present indications weather conditions will be the same as last week at Salem when the weather god loosened the flood gates in his fury and almost washed away the players. Should the rain clear up some time today, or during the night, the course will be in fair playing condition because of the excellent drainage facilities afforded by a strata of gravel underlying the entire course.

The matches at Salem last week, played in a drenching rain, resulted in a victory for the Eugene players, so it may be assumed that the present rain will not materially affect the chances of the local representatives.

The tournament tomorrow will indicate whether or not the Eugene club is to win the Inter-City cup to be awarded the club winning the title for three consecutive years. A victory this season will clinch the laurels for Eugene as the last two years have resulted in local triumphs.

Following are the men who will represent the Eugene club:

Earl Inman, Lott, Prescott, Geo. McGill, L. B. Sigwart, Floyd Beverly, Lou McCready, Albert Tiffany, Ralph Martin, Ray O'Donnell, Claude Rorer, Bill McBride, Rudolph Ernest, Andy Hopp, Ivan Anderson, Frank Harriett, Dick Smith, Ted Geord, Dr. J. Hesse, Geo. Schaefer, W. Griffin.

School Programs Sent to Districts

Pamphlets on Memorial Day observance received from J. A. Churchill, state superintendent of public instruction, are being sent out to the Lane county school districts by E. J. Moore, county superintendent of schools. Although a large number of the schools in the county districts will be closed prior to May 30 those that will be in session at that time are urged to hold the special patriotic services outlined.

"We honor on May thirtieth all who gave up their lives in the service of our country, but because of its origin and observance, Memorial Day belongs particularly to those who perished in the Civil War. When we learn that the beautiful custom of scattering flowers upon the graves of the soldier dead took its initial impetus from the women of the South, we realize that there is no place in the observance of this day for sectional bitterness—that it belongs alike to the 'gallant South and victor North'—that the war was fought to preserve the Union, and union means not only coherence but harmony," the announcement states.

County Will Take Over Bridge Work

As there were no bids from private contractors for the construction of the proposed Shortridge bridge to be erected in Lane county it is probable that the county bridge department will proceed on the work on this project, according to Judge C. P. Barnard of the county court. The county bridge superintendent has estimates prepared on the 120-foot span and this work will be started in the near future. A number of bids were turned in recently on the Curvin bridge job but in no case could the private contractor meet the lower costs as estimated by the county engineers.

Certain varieties of spiders have been found floating far out at sea.

Radio Programs

PACIFIC COAST TONIGHT

KGW, Portland, 491.5 meters—6:30 p. m., dinner concert by Jack Souder's orchestra of the Hotel Portland; 8:30 p. m., talk by Thomas E. Graess of the American Red Cross; 10 p. m., 12, Jackie Souder's orchestra of the Portland hotel.

Accompanist: Barbara Edmunds.

Judge Tucker has Edmunson Hearing

Judge Robert Tucker of the circuit court of Multnomah county will be here Monday, June 1, at the opening of the circuit court here to hear the appeal case of Louis R. Edmunson, convicted on a liquor charge in justice court. The case was recently tried in circuit court but the jury disagreed. Judge G. F. Skipworth has been disqualified in the case. Paul Dormitzer, Portland attorney, is counsel for Edmunson. The case will be prosecuted by John S. Medley, district attorney.

'THE CREATION' IS PRESENTED HERE

(Continued from page one)

was even greater than the Hallelujah chorus in "The Messiah."

Frances Pierce Scores

To Frances Pierce at the organ was due in no small degree the sustained smoothness of the production. Even when the volume of harmony rose and rose, the organ pealed and led and for every solo she gave an accompaniment which sustained and sympathetically responded to the air which was being sung.

"The Creation" is an oratorio of triumph. It celebrates the creation of the heavens and the earth from chaos and leaves man exalted in his Garden of Eden before sin was. It ends in a mighty song of triumph in which the chorus and the quartet unite in rendering "Sing the Lord, ye Virtues All." It lifts to moods of exaltation.

The successful production of this great musical composition is a significant thing in Eugene for two reasons: first, it marks the development of a fine spirit of cooperation between the university and the townspeople and secondly it is itself a great achievement in being one hundred and seventy voices into the harmonious union evident last night. The long rehearsing and the tireless energy of John Stark Evans and Frances Pierce is of course the big factor in this accomplishment. Mr. Evans has long ago won renown as a musical director but the work of this chorus sets him apart among the few great directors of the Pacific coast.

NORTHWEST WILL RECEIVE FUNDS

PORTLAND, Ore., May 16.—Rumors that Pacific Northwest states would receive only 50 per cent of their allotments of funds for federal roads are unfounded, according to information received here by United States Senator Stanfield.

The federal budget bureau has authorized the bureau of public roads to contract obligations in Oregon to an aggregate of \$2,000,000 and will convene June 5 to consider further obligations, it is reported.

The rumors arose over the fact that construction work authorized involved obligations in excess of the amount appropriated by congress and set aside by the bureau of roads. More work was authorized than there will be funds to meet obligations, and forests and road bureau heads were ordered to incur no more obligations until proper adjustment could be made. Stanfield wired to Washington for an explanation and he had received the following reply:

"The forest service has just been advised that the budget bureau consents to the bureau of public roads contracting obligations up to \$2,000,000, and has requested further data upon which to take further action on June 5."

Thefts Reported At Springfield

SPRINGFIELD, May 16.—(Special)—A new tire pump and a lamp were stolen from the car of Ben Russell last evening about 9 o'clock from where it was parked near the high school, facing south on Mill street. This case is one in a series of petty thefts in the last few weeks in Springfield, according to police officials. A short time ago the starter was stolen out of the automobile of Rev. J. Carlton Wettrahan. The thieves steal automobile parts and accessories for the most part. The thieves had turned the lights out on the Russell car, causing it to be tagged by the police. No fine was charged under the circumstances.

Best Indian Essay To win \$25 Prize

Mrs. Ada R. Millican, 1460 Mill, Eugene, student and friend of the American Indian, yesterday announced at the university she would offer a prize of \$25 for the best essay on some phase of the general subject "Our First Americans." Details of the contest will be announced later as worked out, Mrs. Millican said.

For Monday

TUB SILK DRESSES—in stripes and figures. All new stock. Special **\$6.85**

SATIN CREPE DRESSES—nice range of colors. Special **\$9.95**

Pleated Dress Skirts **\$4.50 and \$5.00**

Hampton's

Moth Proof

We are prepared to Moth-Proof your garments, Rugs and Mohair Furniture. Send them in before summer comes.

Electric Cleaners

Phone 300

Olive Street, Between 8th and 9th Raymond Torry

The contest will be conducted under the direction of the faculty committee on awards.

Since so little of the present college year remains, the contest will be held next year. It is the idea of the donor, however, that anyone interested in the Indian might avail himself of part of his vacation period to acquire some first-hand information on the original inhabitants of this country.

Many Trains Will Carry Delegations

From May 25 to June 13 it is estimated that more than 25 special trains, some with two to three sections, will pass through Eugene both north and south bound bearing delegations of Shriners and visitors to the annual convention of the Order of the Mystical Shrine that will be held at Los Angeles June 2 to 4. A majority of the special trains will pass through here toward the north after the completion of the convention, according to a report from the Southern Pacific office here. The special of the Medinah temple of Chicago will contain three sections and will be the largest delegation to make the trip. It is announced. The special will have from 10 to 13 coaches each, it is reported.

NORTHWEST WILL RECEIVE FUNDS

A. C. Dixon Will Attend 4L Meeting

A. C. Dixon, manager of the Booth-Kelly Lumber company, will go to Portland Monday to attend the 13th semi-annual meeting of the 4L board of directors, governing body of the Loyal Legion of Loggers and Lumbermen.

Selection of a successor to Norman E. Coleman, who has been president of the organization for more than five years, and who has resigned to become president of Reed college, is the chief business to come before the meeting, according to F. Dixon.

W. I. Smith of Wendling will attend the meeting as an employe representative on the board.

Mississippi has more negro farmers than any other state.
