DAVID CAMPBELL TO GIVE RECITAL

David Campbell, distinguished Portland pianist, will play a piano recital at the school of music auditorium Wednesday, May 20, at 8:15 o'clock. Eugene welcomes Mr. Campbell for his personal distinction and also because he is the brother of President P. L. Campbell. This concert is sponsored by the Phi Mu Alpha, men's national music fraternity. Mr. Campbell will present a program well chosen to show to advantage his command of dynamics in delicate nuances and stirring climaxes as well as his exceptional technique and singing tone. His program comprises first a recital of Brahms numbers, in which the Rhapsody in G minor, and the Capriccio Op. 116, No. 3, form striking contrast to the deeply poetic quality of the Intermezzo, Op. 117, No. 1. This is followed by the Waldstein Sonata Op. 43, a work belonging to the second period of Beethoven's career, and showing the strength of a master arrived at maturity, which on account of its brilliance, especially as well as its sentiment is often referred to as "Northern Light," a concert which the artists of Mr. Campbell's playing carry out to its fullest extent in all its rapid rhythms, a Chopin piece, the Nocturne in B major, and the ever popular Polonaise in A flat major, give opportunity for versatility of interpretation in conjunction with technical command of the resources of the instrument. Mr. Campbell has just closed a series of recitals in Portland, nothing but praise has been spoken and written of his work. Tickets are now on sale at Laramy's Music store; the University Co-op; and the school of music.

Mrs. Underwood also played several solos ending the performance with an exceptionally brilliant performance of the Hungarian Rhapsody No. 12 by Liszt. Insistent applause followed this

SOUTHAMPTON, England, May 18.—(AP)—The most-talked of man in Southampton is A. G. Parry, tax collector of the South Stoneham union, who resigned his job because of his conscience which, he said, would not permit him further to collect the high taxes which he felt were causing distress among people of the district. Mr. Parry has a wife and three children and no work in sight. His position paid him \$1500 a year. "I could not continue squeezing people for taxes," he said recently, "as I have realized for two years that when I took \$5 from many persons, it meant they would be short of food. I understand there have been several hundred applicants for my job."

'THE CREATION' IS DECLARED SUCCESS

"Creation," the musical event of the season, presented Friday and Saturday by the Eugene Oratorio society, was a success in every way, it is announced. The music brought forth much praise for the way in which it was presented, and financial returns were ample to care for all expenses, it is said. An unusually large audience, which was also appreciative, was present for both concerts. A letter of appreciation for his efforts in organization and directing the large chorus was extended to John Stark Evans, director, by the members. Each member of the society signed the letter, and added their personal thanks as well. In addition, Mr. Evans and Miss Frances Pierce, accompanist, were each presented with shielded leather portfolios. A similar massive production, to be presented to the public in the spring of 1926, is already planned by the organization. The work in music will be continued, since the society now has found a permanent place in the community, officers state. A banquet will be held at the Oratorio hotel tonight, to which all members are invited. About 175 are expected to attend the affair.
