

Smoothness of Line in the New Nemo-flex Brassiere

It's a brassiere which comes well down over the hips—molded to the figure by cleverly placed darts, and which holds the figure firmly yet comfortably.

Fashioned of lovely lace, this dainty brassiere has elastic inserts under the arm which allow the garment to actually hug the form and create a completely smooth effect.

Diaphragm reinforcement of blue silk.

Back Achy—All Worn Out?

ARE you lame and stiff, tired, nervous and depressed; miserable with backache and sharp twinges of pain? Then look to your kidneys! Good health depends upon good elimination. But sluggish kidneys allow impurities to accumulate and upset the whole system. Backache is apt to follow; stabbing pains, depressing headaches and dizziness, getting up at night and other annoying kidney irregularities.

Why experiment? If your kidneys are sluggish, why not use Doan's Pills? Doan's is a harmless stimulant diuretic. Used the world over. Ask your neighbor!

HERE IS EUGENE PROOF

Mrs. E. L. Sales, 693 1st Ave. W., says: "My kidneys troubled me and I had pains through my back and limbs. I couldn't get a night's rest because of the severe backache. Mornings I felt tired. My kidneys acted irregularly, too. Doan's Pills relieved the back-ache and I felt better in every way."
