What happens when the umpire is hit by a batted ball? Such a happening is differently interpreted according to the existing conditions.

If the umpire is struck by a ball hit by the batsman it is considered a foul ball, the batsman is entitled to first base, the ball becomes dead and no runners can advance unless forced to make room for the batter.

If at the time the umpire is hit there was a runner on first base only, said runner would be forced to advance to second to make room for the batsman first.

If, however, there were runners on second and third at the time and the runner on second advanced to third, they would be compelled to return to their original bases.

When the umpire is hit by a batted ball on which a fielder has made a play, no attention is paid to the happening. The ball is simply considered in play and the runners advance at their peril.

The interpretation of the play hinges entirely on whether or not a play has been made on the ball. If not, the ball is considered in play.

Swimmer Is Hailed Walter Spence Sensation of Meet

Walter Spence

(By NEA Service) SAN FRANCISCO, May 18.—The swimmer, Luis Angel Firpo, has passed from the spotlight—but not what a splash the newest Argentine athlete is making!

For Walter Spence, who learned to swim in Buenos Aires, is now hailed as the greatest all-around swimmer in these United States.

He was practically unknown when he left his new home in Flatbush to represent the Brooklyn Central Y. M. C. A. in the National A. A. U. swimming championships here.

Single-handed, Spence did this: Led the whole notable field as individual point-swimmer. As sole representative of the Brooklyn Central Y, put that organization in fourth place among the 15 clubs competing.

Defeated Arno Borg for the national medalist title. Beat Skelton and Farley, world and national champions, respectively, in the 220-yard breast-stroke for the 1925 championship.

Won the pentathlon from an imposing field of champions. Finished second only to Johnny Weismuller in the 50-yard freestyle final, after forcing Weismuller all the way.

The 20-man triathlon team from the Lane County Sportsman's association was defeated by the Corvallis team yesterday, by a score of 16 targets in 1000. This was the second victory for the Corvallis shooters, which gives them the championship and trophy.

Ray Veatch was the high gun man on the local team, scoring 49 out of 50 shots. Ray Glass won the handicap by a score of 47, shooting from 25 yards. More than 45 shooters took part in the tournament, reports W. W. McCormack of the local team.

All the shooters who took part in Sunday's shoot will be in Eugene for the state registered shoot May 29-31. It was stated. Programs for the shoot have been distributed, listing the various events, the method of classification, and the prize money in each.

Following are the Eugene shooters who went to Corvallis Sunday: Ray Habb (captain), Ray Veatch, L. E. Simmons, Ray Glass, Don Cummings, J. H. Blawett, Guy Mott, Dr. Hogan, Gus Neely, W. W. Branstetter, W. W. McCormack, Arthur Henderson, Charles Adams, Dr. Ireland, J. W. Prime, H. G. Bahlborg, Dr. Smith, Henry Veatch, N. J. Nelson.

Varsity Team Has Four Contests On Schedule In Week

The University of Oregon baseball squad will leave tomorrow on its annual northern invasion. Four games in as many days will be played during the trip. The team will go direct to Portland from here where a slight workout will be held then from there to Seattle, Washington, where on Wednesday it faces the mighty Husky nine.

Following this contest the team goes to Pullman for a game with the Washington State College nine on Thursday, then to Moscow for the Idaho game Friday. Whitman college will be met Saturday at Moscow for the final game of the trip.

The varsity has played one game with each of these schools and won from W. S. C. and Whitman but was defeated by Idaho and Washington.

The Oregon-Aggie game which was scheduled for last Saturday was called off on account of the prevailing rainy weather and according to J. W. Benefield a new date will be arranged after the return of the team from the north. Oregon is scheduled to meet the Aggies here on May 30.

William Reinhart, varsity coach, expects to get well fortified with reserve strength as he is taking Bliss and Munnigh, catchers; William Brooks, Harrison, possibly Dutton and Adolph, pitchers; Ray Adolph; Hobson, second; West, short; Cook, third; Jones, Reinhart, Knudson, and Wright, outfielders.

The outcome of this trip will determine whether the varsity stands a chance to top the conference. So far only one team is leading Oregon. The Aggies have a perfect record while the varsity stands with five won and two lost.
