Sunday Schools Meet—The county Sunday school meeting at Thurston last week-end was a success in every way and was largely attended, it is announced. Mrs. Jean M. Johnson and Mrs. Clara G. Eason of Portland were principal speakers. Election of officers was as follows: President, Rev. N. R. Workman of Marcola; secretary and treasurer, Mrs. R. C. Baugh of Thurston; teenage superintendent for girls, Mrs. V. C. Ible of Junction City; assistant teenage superintendent, Mrs. George Willing of Thurston; teen age superintendent for boys, Rev. W. A. Elkins of Eugene; children's devotion superintendent, Mrs. Harry Benton of Eugene; vacation bible school superintendent, H. H. Ritter of Mabel.

Racing Association Organized—The Eugene Automobile and Motorcycle Racing association, with more than 20 charter members, was organized last night at a meeting of automobile men held at the Goodpasture garage. Fred Rockhill was made temporary chairman, and Van Kemery, temporary secretary-treasurer. A committee composed of Rockhill, Yale Smith and Louis DuBois was named to look over land and to interest new members. A track one and one-eighth miles in circumference may be constructed on the Marshall tract, two miles west of the city, it is said.

Man Wanted By Police—E. F. Christensen, age 35, is wanted by the police at Bakersfield, according to a telegram received last night by the Eugene officers. He is reported to be headed north in a Ford coupe, California license No. 41053, and is accompanied by Bebe Hastings, age 20. The suspect is five feet five inches tall and weighs 150 pounds, while his companion is five feet two inches in height, and weighs 110. They registered at Castle, Cal., May 13, it was stated, and it is believed they are driving north.

H. C. Howe Recovering—Professor H. C. Howe of the university English department, who is recovering from a serious operation at the Eugene hospital, will not be able to do any active teaching for the rest of the term, his physician says. However, he hopes to be around the campus a little later on and will be able to do a little of the administrative work of his department.

Pioneers to Feed Tonight—A banquet and general get-together meeting will be held by the McKenzie Pioneer club of the Congregational church tonight at six o'clock in the church rooms, it is announced. All members are expected to attend. Plans for next year will be discussed, and several hikes and other projects contemplated for the summer will be talked over. A program of entertainment is also promised by the committee in charge.

No Fires Reported—The storm that lashed the city last night completely spoiled any chance of fire, declared Fire Chief William Nussbaum, and no calls were reported at the City Fire department. Except for their regular morning "tuning up" the fire engines have been inactive now for several days.

Cottage Grove Couple Wed—A marriage license was issued to Kenneth E. Reynolds and Elsie V. Canterbury, both of Cottage Grove, by County Clerk Bryson yesterday.

Wending People Visit—Alfred Habersang and family of Wending were in the city yesterday visiting friends. Mr. Habersang completed arrangements for the purchase of a lot located at Eleventh avenue west

and Polk street to M. Lubke. Mr. Lubke will build a substantial up-to-date residence on the property, and intends to begin construction at once, he states. The deal was handled by H. W. Stewart, of the Lee-Wheatbee-Newsell Realty company.

Police Department Has Music—A phonograph has been entrusted to the police department, and from now on the officers will revel in music. The owner of the machine will be away from the city for some time, and loaned the machine both for safe keeping, and because he believes that use will keep it in condition. A record "Alexander's Ragtime Band" came with it, and because of the age of this selection, it is being shown as a curiosity.

P. T. A. To Meet—The Lincoln Parent-Teacher association is to hold its last meeting of the year tomorrow at 3 o'clock. A program of music and readings is to be given, and officers for the coming year will be elected. A good attendance is desired, as the association will not meet again until the fall months. There will be a social and tea hour.

Rack Island Agent Here—Charles E. Burnett, representative of the Rock Island railroad, with headquarters in Portland, spent the day in Eugene, conferring with railroad officials here. The tourist season is soon to open, says Mr. Burnett, and his line is making extensive preparations to care for a record number of travellers.

Complete Grading—Grading work on the London section of road will be completed in about 10 days, announces O. E. Crowe, county commissioner. This is a mile of difficult road work, mostly through rock. A crusher will be sent to the road and rock work will start about the same time.

Officers Are Named—Dr. R. T. Burnett, of this city, has been elected president of the Southern Willamette District Dental society, and Dr. R. J. Gunn, of Corvallis, vice-president, it is announced. Dr. K. Ralph Hippel of Springfield was chosen secretary-treasurer. A picnic and meeting will be held at Bellfountain June 20, it is announced.

Eugene Men Named—C. J. Schaefer and Joseph Franz were honored at the annual convention of Knights of Columbus held in Portland. Mr. Schaefer was chosen member of the committee to handle the affairs of the Newman club here, and Mr. Franz was elected to the student employment committee.

Auto Dealers Move—The Rainier Motor company, dealers in Hickenbacker and Nash cars, and R. G. Marsters, used car dealer, have leased the L. G. Hulin building at 971 Oak street, and have moved there from temporary quarters at the Fifth Avenue garage. R. H. Adams, mechanical specialist, will be added to the firm June 1, it is announced.

Tire Is Found—A C. T. C. tire 30 by 3 1/2 was picked up yesterday at Fourteenth avenue east and Patterson street, it was reported to the police. The owner may have the tire by inquiring at 1409 Patterson.

Permits to Build Residents Issued—Building has been rather light the early part of this week, but no slackening, especially in residences, is expected, says W. H. Alexander, city building inspector.

Only one permit was issued today, but it was for a substantial residence to cost \$5500. It will be erected at 2267 Olive street by Floyd Terrill, contractor, for Terrill and Hugh, realtors. Construction will start immediately. Another permit for a residence was taken out late yesterday by I. T. Loomis, who will build a house for Elmer Droste at 987 Nineteenth avenue east, at a cost of \$4,000.

Lindsey and Hargreaves, contractors, are planning to erect a six room house on Kierland street between Twenty-second and Twenty-third avenues. The home will cost \$4,000 according to the permit.

Lindsey and Hargreaves also took out a permit yesterday to erect a concrete building 28 by 36 feet at 41 Ninth avenue east, at a cost of \$1500, for Otto Schmidt. Other permits taken out were for a residence at 1429 Olive street by A. L. Whipple, to cost \$3,000, and for repair work at the Veatch chapel, at a cost of \$1,000, by E. M. Drew, contractor.

Graveling Ready On Prairie Road—Approximately 28,000 cubic yards of gravel will be required for work on the Prairie road, reports Clinton Hurd, county commissioner, who inspected the construction operation yesterday afternoon. The plant is being prepared to crush rock, he says, and two miles of the road are ready to rock as soon as weather conditions make it possible to do hauling.

Plans are now being drawn up by Arthur Stricker, county bridge builder, for the Snowbridge bridge across the Coos Bay river on the London Springs road.

ROTARY CLUB HAS LUNCHEON FOR BOYS

The Rotary club at the regular luncheon meeting today entertained about 50 boys, all members of the eighth grades of the various schools of the city. This is approximately half of the boys in this grade, and the other half will be guests next week. It is announced by W. C. Yorau, chairman of the boys' committee, which is making arrangements.

Dr. Warren D. Smith, of the university, gave a short talk, in which he compared life to a race, and urged the boys to carry on, in spite of any handicaps or setbacks. The boys also gave their various school yells, and took part in the singing of songs.

The members of the club endeavored to become better acquainted with the young men present, and each one introduced his guest, giving a bit of his personal history, and making a prediction as to what occupation the boys would follow.

The affair was very successful, and enjoyable alike to members and guests, it was reported. Similar affairs are planned with other groups of boys, it is announced.

LARGE CLASS SIGNS FOR SWIMMING AT Y

Over 125 boys and young men signed up for swimming at the Y. M. C. A. last night, announces W. P. Walter, boys' work secretary, who is in charge of arrangements for this work. Swimming lessons are to be given under the direction of E. B. Holdeman, physical director of the Y. M. C. A.

The lessons will be given every Monday, Tuesday, Thursday and Friday nights after school hours, it is announced, and as many as desire may join the classes.

The majority of the boys signing up cannot swim, and the rest can swim only a few feet, it is said. It is the purpose of the course to teach them how to swim, and to give the rudiments of several strokes so that the pupils can perfect their style in the water during the summer.

The Y. M. C. A. pool will be used for instruction, and those desiring to make arrangements to practice at other times can do so, it is stated.

Pioneer Clubs to Gather Bundles For Relief Work

The Pioneer clubs of Eugene will gather bundles for the Near East Relief tomorrow evening. It is announced by W. P. Walter, boys' work secretary of the Y. M. C. A. The members will invade every part of the city in quest for any sort of clothing that can be patched up for use.

The club requests that anyone having old clothing to donate have it ready in bundles, so that the work can be done as efficiently as possible. Tomorrow is "bundle day" for the Near East relief, and it is expected that Eugene will make a good showing in the amount of clothing gathered.

Last year over 100 large bundles of clothing were gathered and fixed up for the sufferers in the Near East, it is said. It is hoped that this record will be equalled or bettered this year. All clothing is shipped to Portland, where it is sent on to the East in large shipments.

Injunction Action On Route Dropped

PORTLAND, Ore., May 19.—The temporary injunction obtained by Frederick M. DeNeff, local attorney, enjoining the state highway commission from entering into a contract with Simonson and Hefty to repave 8.9 miles of the lower Columbia river highway between Astoria and Seaside, was dissolved late yesterday by Presiding Circuit Judge Morrow.

Judge Morrow declared that the conclusion of arguments that in his opinion the highway commission's contract is not a proper one. He held however, that DeNeff, as a taxpayer, is not qualified to attack the validity of the contract through the courts.

At the request of Jay Bowersman, representing DeNeff, the judge agreed that upon the filing of a demurrer he would deny the right to amend, thus bringing about a final decree and preparing the way for appeal to the supreme court.
