

### FROSH COACH WILL SOON BE SELECTED

Applicants for the position of head freshman coach in baseball, football and basketball at University of Oregon, should turn in their applications to Virgil Earl, athletic director, as within the next few days an all-year-around coach will be selected for the babes, it was announced by Jack Benefield, graduate manager.

The athletic council at the university came to an agreement with Doug Howard of the school of physical education, whereby the students and the university would each share in the hiring of a new mentor, who would be a member of the physical education department staff.

The change is a radical move from the old system where student-coaches were appointed for baseball and basketball and Basil Williams was in charge of football.

The new coach will take up his duties next fall. He will replace Williams, who has been promoted to head line coach, as football coach of the babes. He will take Dave Evans' place as basketball mentor and Bill Sorensen's place as baseball coach. It is rumored that a place on one of the staff will be found for Dave Evans, ex-Ginnell college baseball, basketball and football star, who is a member of the law school student body and who coached the yearlings to a successful basketball season last fall.

### Final Rounds now On for Golf Title

SAN FRANCISCO, May 21.—Competition in the Pacific coast qualifying rounds for the national open golf championship virtually slumbered down to 15 California professionals as the final round opened at the San Francisco Golf and Country Club today.

The five low scorers will be qualified to compete in the national tournament next June. Only 13 contenders negotiated the course in yesterday's play under eight. Of this group the five likely candidates to go on, who are favored by enthusiasts are the five who turned in the low cards in the opening round.

Plenty of others are in the running, however, and are determined to cut a few strokes from their scores of yesterday.

TRON, Scotland, May 21.—(AP)—Miss Joyce Wethered, the defending champion, who yesterday eliminated Miss Glenna Collett, the last American contender in the women's golf championship continued her triumphant march toward the finals by defeating Miss J. Jameson of Malahide Island.

The match ended on the 14th green with Miss Wethered five up. Miss Cecil Leitch, former British champion, defeated Miss Janet Jackson by one up.

### Puzzle Plays

Runners are on first and second. The pitcher prior to delivering the ball to the batsman makes a deceptive move toward first base, which the umpire rules a balk.

The pitcher, not aware that the umpire has so ruled, delivers the ball to the batsman, who hits over the left field fence for a home run.

The score at the time was 4 to 2 in favor of the team in the field. Three runs crossed the plate on the drive over the fence, apparently putting the team at bat into the lead, 5-4.

What is the proper ruling on such a play?

**Answer**

When the umpire ruled that the pitcher had made a balk, play was immediately suspended.

The fact that the pitcher did not hear the call of balk and delivered the ball to the batter, who in turn hit it over the fence, cannot be given any consideration.

No action was possible after the call of balk. It rendered the home run void. The ball was dead when delivered to the batsman.

The only ruling possible was to make the batsman hit over and advance the runners on first and second to second and third.

### Walter Johnson Is Hero With Stick

NEW YORK, May 20.—The baseball writers' committee of the American league today had another credit mark to place opposite the name of Walter Johnson in the 1925 race for recognition as the circuit's most valuable player.

When he can't win a ball game for the Senators with one arm from the pitching slab, he jumps in with two hands and settles the issue with a potent bat.

With the champions trailing Cleveland 3 to 2, and a Washington player on base, Johnson came to the rescue of the capital team with a record home run over the right field fence—the first blow of the kind by a right-handed batter in the history of the Cleveland park.

### Big Baseball Stars

**JAMES J. RING**  
Phillias  
Right-Handed Pitcher  
Born—Brooklyn, N. Y., Feb. 15, 1885.

**Major League Career**—Drafted by Cincinnati from Utica club, New York State League in 1917. Loaned to Buffalo, International League, same season. Recalled and sent to Chattanooga, Southern Association, on option following year. Recalled end of 1918 season. Traded to Phillias in Rixey deal in 1920.

**Outstanding Feats**—Won 18 games and lost 16 in 1923 with one of weakest teams in the majors. Has been in one world series. Fielded .979 in 1923.

### The Referee

What was the result of the bout between Charlie White and Pat Moran in 1923?—F. T. S.

Moran knocked White in the 14th round.

Where did the Pirates obtain Emil Yde?—G. H. K.

From Oklahoma City, Western League.

### On his Feet

Babe Ruth.  
A long way from first base still, but Babe has at least regained his "traveling feet" and is shown on the roof of St. Vincent's hospital, New York, quite chummy with a fellow ball-player, Al Karan, whose right wing got mixed up with a bat on the sand lots.

### BASE BALL SIMPLIFIED BY BILLY EVANS

When a preceding runner fails to touch a base and is declared out for so doing, does it affect the status of a succeeding runner who has made a home run, one or more being out at the time?

The rule says that such an act does not affect the status of a succeeding runner who touches each base in its proper order.

For instance, we will assume there is a runner on first and one out, when the batter hits to the deep outfield for a home run, scoring the runner originally on first.

Unfortunately the runner on first fails to touch second in making the circuit. The ball is thrown to that base, an appeal is made to the umpire and the runner is declared out.

That makes two out. The batsman who hit the home run touches each base in its proper order.

Until the wording of the rule was made definite, the contention in the past was that the batsman who hit the home run had technically passed the other runner on the base lines, since he touched first base ahead of him and should be called out for so doing.

The new wording eliminates any such argument and definitely says the act of the preceding runner in no way affects the status of the succeeding runner who observes all the rules.

Of course when there is two out and a runner fails to touch a base and is declared out for so doing, he renders of little use the action of a succeeding runner as far as scoring is concerned.

### A Good Thing - DON'T MISS IT

Send your name and address plainly written, together with 10 cents stamp in coin (and this slip) to Chamberlain Medicine Co., Des Moines, Iowa, and receive in return a trial package containing CHAMBERLAIN'S TABLETS for stomach troubles, indigestion, gas, pains that crawl the heart, biliousness and constipation, CHAMBERLAIN'S COLIC AND DIARRHOEA REMEDY for pain in stomach and bowels, intestinal cramp, colic and diarrhoea; CHAMBERLAIN'S BALM, needed in every family for burns, scalds, wounds, piles and skin afflictions. Try these valued family medicines for only 10 cents. Don't miss it.

### STATE BERRY CROP HINDERED BY RAINS

PORTLAND, Ore., May 21.—Cool, rainy weather has retarded the local strawberry crop and arrivals on the early growers market this morning fell off considerably. Prices opened fully \$1 higher on the best crates with improved Oregon's setting up to \$4.25. Later the growers sold out remaining lots at \$4 straight. Gold Dollars and Marshals went up \$3.50 with some ordinary stock selling at \$3.75.

Cheaper boys were made in some instances, depending on quality and fruit contracted for the day before. The berry market as a whole, however, was a strong affair and a surprise to the trade.

The strawberry harvest is just getting under way and the peak will not be reached for another week or ten days, depending largely on weather conditions.

Growers say the crop will run close to normal this year. The increased acreage being sufficient to counterbalance the damage from winter freeze.

First grade eggs are a cent lower on the exchange today although the market maintains a steady undertone at current levels. Firsts are posted at 32c with all other grades steady and unchanged. Butter is steady and unchanged.

Thirteen cents is the extreme top on country dressed veal in the local market today, with butchers more or less indifferent at that. Only fancy calves are selling and undergrades are hard to move at any price. Receipts are liberal. Choice light hogs hold steady at 15 1/2 to 16c.

Poultry prices are steady and unchanged.

PORTLAND GRAIN  
PORTLAND, Ore., May 21.—Wheat: Hard white, bluestem, hard \$1.60; soft white, western white, hard winter, northern spring, \$1.58; western, red \$1.56; B. B. B. hard white \$1.75.

Today's car receipts: Wheat 6; flour 10; corn 2; oats 1; hay 4.

**Zane to Talk on Spanish Traditions**  
An illustrated lecture on "Spanish Tradition in American Homes," will be given by N. R. Zane, assistant professor of design at the University of Oregon, at a meeting of the Eugene Federation of Women's clubs Friday, May 22, at 2:30, in the chamber of commerce rooms.

"Because this is the final meeting of the year we are interested in having a full attendance of delegates and the work of the Federation," said Miss Mozelle Hair, vice-president of the organization.

Mr. Zane will discuss old Spanish furniture and the increasingly great appreciation for Spanish design in American homes, especially in the building and decoration of modern cottages. The lecture will be illustrated by lantern slides.

Ten will be served by the ladies of the "Associated Charities" and the "Kosy Korner Klub."

**Portland Nimrods To go up McKenzie**  
Arron Frank, of Meier and Frank's, and Henry Metzger, of Portland, have ordered through a local sporting goods store complete equipment for a four-day fishing trip which will start Memorial day, May 30. This is an annual trip, they state.

The two fishermen, with their wives, will invade the upper McKenzie country, and will camp out. They will fish part of the time with the Thompson's from boats. The men stay with the sport each season until they have plenty of trout for their friends in Portland. It is said. Both are popular sportsmen, and thoroughly understand the wily McKenzie trout.

**RIVER LOAM**

She Says:  
"I AM THIN"  
Her Friend Says:  
"SHE IS SKINNY"  
If she only knew that she could put on at least 5 pounds of good healthy flesh in 30 days she wouldn't be worrying about her peaked face, hollow cheeks and neck and run down looks. She has tried Cod Liver Oil, the ill-smelling, nasty tasting stuff upset her stomach and made her feel worse than before.  
Doctors and good pharmacists know that Cod Liver Oil is full of vitalizing vitamins that make flesh, creates appetite, restores vigor, builds up the power to resist disease and chases away nervousness.  
But it's horrible tasting stuff and every day fewer people are taking it for doctors are prescribing and the people are learning that they can get better results with McCoy's Cod Liver Oil Compound Tablets, which Litt Drug Company, W. A. Kunkinall, Carroll's Pharmacy and druggists all over the country are having a tremendous demand for.  
It is a wonderful appetizing medicine for skinny, backward children, especially after school hours and 60 tablets only cost 69 cents.  
One woman gained 13 pounds in 22 days and if any skinny man or woman can't put on 5 pounds in 30 days your druggist will gladly return the purchase price. But be sure and get McCoy's the original and genuine Cod Liver Oil Compound Tablets—Ad.
