

COLD BLASTS RAKE EASTERN AREA AND CAUSE MAY SNOWS

NEW YORK, May 25.—(AP)—An unprecedented May cold wave has swept the midwest and eastern sections of the United States on the heels of record breaking heat. High wind, rain, hail and snow caused many Sunday shivers.

Cooler weather was forecast for today with slowly rising temperatures for the north central states.

Many steam heats and overcoats in combination were numerous. Experiments that were blustering but Saturday were covered with snow yesterday in some sections. The mercury sank 47 degrees in 14 hours in New York. It dropped 62 degrees in 24 hours in Chicago; 57 in 24 hours in Philadelphia; 48 in Philadelphia and 52 degrees in 48 hours in St. Louis.

Four deaths and numerous injuries were directly attributed to the heat and the subsequent rain, hail and snow. Property damage was estimated in the hundreds of thousands of dollars.

In Buffalo, puddles formed by melting snow were soon covered with ice less than a day after the city settled in a temperature of 90 degrees. Hallstones an inch in diameter shattered heavy plate glass store fronts in New York suburbs.

Temperatures at or below the freezing point were reported from scores of cities. At Portland, Me., a snowfall was reported and it was the latest May date it has fallen there in 50 years.

Heat continued on the Sabbath in Texas. San Antonio with a temperature of 101 had the hottest May day in 13 years.

ATTENDANCE GROWS AT REVIVAL MEET

Yesterday was the biggest day in point of attendance at the big tent revival campaign on the vacant lot at 16th avenue and Willamette streets has yet had. People were there from Wendling, Albany and other points and some camped there most of the day.

In the evening the tent was too small to house them all and seats were arranged on the outside for their accommodation.

The audience was entertained from time to time with special selections of vocal and instrumental music.

Evangelist Penham announced that services would continue each evening of this week, beginning at 7:45, but it is still an open question whether the meetings will close on Sunday next.

One of the pleasing scenes that was featured yesterday was the sea of waving handkerchiefs which were used during the singing of some favorite choruses in which all took part.

In the afternoon the speaker discussed the question that has been a matter of considerable speculation on the part of Christian folks as to who will be the bride of Christ—taking Matthew 25 as the basis for his text.

A series of sermons on the soon coming of the Lord is a part of the schedule the evangelist has arranged for this week's services.

H. C. Seymour to Speak at Meeting

H. C. Seymour, state boys' and girls' club leader, will be the chief speaker at the entertainment at Santa Clara community hall next Friday night, at which the Santa Clara school Parent-Teacher association will entertain the Lane county club leaders' association at a 6 o'clock dinner and program.

A demonstration in homemaking will be given, reports Arnold D. Collier, Lane county club leader. Another demonstration in towel hemming will be presented besides the exc-

Manhattan Cafe to Be Open Thursday

Opening of the new Manhattan cafe opposite the Hellig theater, is to be Thursday morning, May 28, according to Phil Bowen, manager. This is to be an all-night restaurant, and the place has undergone a complete remodeling and refinishing in the last few weeks.

278 DEAD IN JAPAN VILLAGES IN QUAKE

OSAKA, May 25.—(AP)—An official preliminary report today from three towns—Toyo-Oka, Kinokuni and Minato village—shows that 278 persons were killed and 526 injured as a result of the earthquake and fire on Saturday. The same report shows 44 houses collapsed as a result of the earthquake and 2524 houses were destroyed by fire.

The detailed figures follow: Toyo-Oka: Population 10335, houses 2160, dead 48, injured 200, houses burned 1500, houses collapsed 70.

Kinokuni: Population 5126, houses 619, dead 269, injured 300, houses burned 650.

Minato Village: dead 30, injured 26, houses burned 172, houses collapsed 374.

Figures for a number of other villages where the casualties and the property damage previously were reported small, were not given in the official report.

National Guard To Open Snapps' Big Shows Today

Young America received its spring thrill yesterday when Snapp Brothers' show train pulled into Eugene and began unloading the brightly colored wagons at the Southern Pacific tracks. Hundreds of local youngsters put in every spare minute yesterday watching the showmen unloading the caravan equipment and begin the erection of the big midway, where the public will find diversified entertainment all of this week.

Everything will be in readiness this evening, when the "joy zone" will blaze forth in thousands of bright lights, turning the night into day. Two bands and approximately 400 employees and performers will make it a real carnival time in Eugene.

The Snapp Brothers shows are credited with presenting only the cleanest of entertaining features, and the public and his wife can safely take the entire family for an evening's amusement at the big show lot.

The feature attraction will be Redden Ray's trained wild animal show, which is really a big, exciting circus, where sensational circus and trained animal acts will be exhibited. A circus sideshow with the human freak curiosities from all over the world will be there.

The Devil's Snapper, a motordrome speedway, where speed demons defy the laws of gravitation by riding on straight walls, will provide thrills for people that are looking for the unusual. Billy Edwards, light heavyweight wrestling champion claimant, will present his boxers and wrestlers who will meet all comers in athletic contests.

NO MESSAGE FROM POLAR PARTY SENT

King's Bay, Spitzbergen, after his polar flight.

OSLO, Norway, May 25.—(AP)—A dispatch from Spitzbergen to the Shipping Gazette says no news has been received regarding the Amundsen polar flight expedition up to 2 o'clock this morning.

The dispatch reads: "As late as 2 a. m. today, there was no news of Amundsen. The hobby (one of the expedition's steamers) has returned to Wellman Bay, having patrolled north and east of Dane's Island. She found ice conditions difficult."

The dispatch added that "among members of the expedition a certain amount of depression prevailed be-

cause of Amundsen's non-appearance. If their flying boats were damaged the members of the expedition will have a long and dangerous return journey.

"The weather is now cloudy with a raw temperature which has dropped to below zero.

"From the top of Amsterdam island the captain of the Farm saw open water to the northward where the machines might have descended."

LONDON, May 25.—(AP)—Not since the world awaited for months in 1912 for news from the ill-fated expedition of Robert F. Scott, the British explorer, to the South Pole, has the fate of any polar explorer excited so much speculation and interest in England as has that of the Amundsen-Ellsworth expedition, now overdue at Spitzbergen.

Throughout continental Europe also, Amundsen's plight is the one absorbing topic of interest and anxiety. Newspapers give the greatest prominence to dispatches from Spitzbergen, as well as to the speculations of other explorers and of Arctic experts as to what might have happened after the party hopped off for the North Pole.

SPECIAL MATCH AT LOCAL TRAP SHOOT WILL BE FEATURED

Shooting bluebirds "from the hip," a contest unheard of in records of trapshoot events—will be one of the features of the Oregon State trapshoot to be held in Eugene this weekend. It was announced today.

The strange match was arranged by telegraph yesterday, and will be between Henry Trenkman, sharpshooter of the Portland Gun club and Dr. J. O. Nibley, fellow member of the club.

Dr. Nibley and Mr. Trenkman are old-time rivals in the art of trigger-pulling. The doctor has been in Los Angeles for several months on a vacation, but yesterday he telegraphed friends in Portland that he was on his way to Eugene. Further, he challenged Mr. Trenkman to shoot at 25 targets "from the hip," and posted a forfeit of \$100 by wire to enter such a contest.

The loser, it was agreed, will pay for a dinner for all the Portland shooters who enter the tournament in Eugene. If everything will be the referee of the match. He declares the dinner will have all the trimmings any sportsman could want, and that Walter Honeyman, who will also be in Eugene for the shoot, has already purchased the trimmings with the \$100 forfeit money.

More than 500 shooters will begin arriving in the city Thursday from all points in the northwest, for the big shoot, announces W. W. McCormack, manager of the event. There will be world champions, near-champions and amateurs, and the meet will be the biggest event of the season on the Pacific coast.

One new Ligeot trap for hurling the bluebirds into the air has been erected, giving a total of four new traps for the event. These will be busy every minute of the day. The grounds have been put into good shape for the meet, reports W. W. McCormack, manager, and present indications are that a record attendance will be set.

Thursday is to be practice day, and the traps will be available to all local shooters who wish to get into trim for the big event, says Mr. McCormack. Classification of shooters will be such that every person, whether an amateur or professional, will be able to shoot in his own class, and thereby get a chance at the prize money.

COURTS WILL HEAR EVOLUTION BATTLE

(Continued from page one)

question of correctness of the theory of evolution as it is of the right of a people to control the schools which they create and support, William Jennings Bryan declared in the course of an address here last night.

Mr. Bryan has volunteered to assist in the prosecution of John T. Scopes, Dayton, Tenn., teacher, charged with violating the new law.

"If the people are not to control the schools," Mr. Bryan asked, "who shall control them, the scientists who amount to about one in 10,000 in our population or the teachers?"

FREE CLINICS WILL BE HELD IN COUNTY

Plans for free children's clinics, to be held in Cottage Grove June 11 and in Springfield June 12, with the expectation of extending them to rural communities throughout the state are being made under the auspices of the Mercy hospital, Miss Katherine Jobst, superintendent of the hospital, assisted by Mrs. Leland Johnson, will direct the work, in which staff doctors from the hospital will cooperate with the physicians in the towns visited. The object, according to Mrs. Johnson, is to give the rural children a chance for general examination without charge with expert advice to the parents, on the problems of nourishment and general child welfare. The work is being developed in connection with the rural work of Rev. Father Edwin V. O'Hara, pastor of St. Mary's Catholic church, in the vacation schools.

Dr. C. E. Frost, of Cottage Grove, will work in conjunction with Dr. W. H. Dale or Dr. A. F. Sether of the hospital staff, assisted by Mrs. Zita Woodward as clinic nurse if the Cottage Grove clinic, which will be held in the Catholic church rooms in Cottage Grove. Dr. W. C. Rehban of Springfield, with Dr. G. S. Beardsley of Eugene will be in charge of the Springfield clinic at the George (Geach) home. They will be assisted by Miss Clara Wrase, office nurse for Dr. Rehban, and Miss Grace Robertson, office nurse for Dr. Beardsley.

SPRINGFIELD IS VICTOR
SPRINGFIELD, May 25.—(Special)—The Springfield city baseball team won from the Cottage Grove team 6 to 1 in a game yesterday afternoon on the local Fifth street grounds. Jean Delp pitched for Springfield in the first five innings, with Carter put in for the last four. E. G. Black was catcher for the Springfield men.

Red Cross Speaker Postpones Visit

Commodore W. E. Longfellow, assistant national director of the Red Cross life saving service, will be unable to be here May 28, when he was scheduled to speak on life saving work. It is announced. A wire was sent to Miss Grace Norton, executive secretary of the Lane county chapter of the Red Cross, saying that a change had been made in Commodore Longfellow's tour.

The talk and demonstration of life saving methods will be given at a date to be announced later it is stated. Much interest is being manifested in Red Cross life saving work in this community at present, says Miss Norton, and the visit of Commodore Longfellow is looked forward to by a great many persons.

Radio Dealers to Discuss Expansion

Newly-elected officers of the Eugene branch of the Pacific Northwest Radio Dealers' Trade association will preside at the first regular weekly business meeting of the organization at the chamber of commerce Tuesday night at 8 o'clock, announces Milo O. Roach, secretary.

Expansion program of the organization, which now embraces the principal cities of the Willamette valley, will be one of the subjects under discussion, it is stated. Plans for speakers at coming meetings will also be laid.

A Sweet Breath at all times!

After eating or smoking Wrigley's freshens the mouth and sweetens the breath

So easy to carry the little packet in your pocket! So important to have when the mouth needs cleansing and freshening!

Odors of dining or smoking quickly disappear—teeth are brightly burnished. Smiles just naturally come because nerves are soothed, throat is refreshed, the stomach relaxed and digestion aided.

Wrigley's is more than a sweet—it's a positive benefit. Many doctors and dentists recommend it.
