

“and I'm Proud of Every One!”

Uncle Sam

America—"A Nation of Homes"—with countless millions enjoying the blessings that only home-ownership can bring! Well may Uncle Sam feel proud as he beholds his industrious sons and daughters building up, beautifying the communities they live in—and not the least of these that inspire America's admiration is our own Eugene. Yet the possibilities for the future have only begun!

Fortunately we have men of broad vision, who can glimpse the growth and expansion that will take place in the next few years. They have faith in Eugene and they invite you to share in its growth; and they invite you to **BUILD AND OWN YOUR OWN HOME** And you will congratulate yourself that in the spring of 1925 you started on the road that leads to happiness.

Lincoln said:
A man's legs should be long enough to reach the ground—
Your
Fire Insurance should be adequate to cover all eventualities.

Insure with—

Everything in Insurance
Nothing But Insurance

C. A. LEE AGENCIES

(CLARE A. LEE)

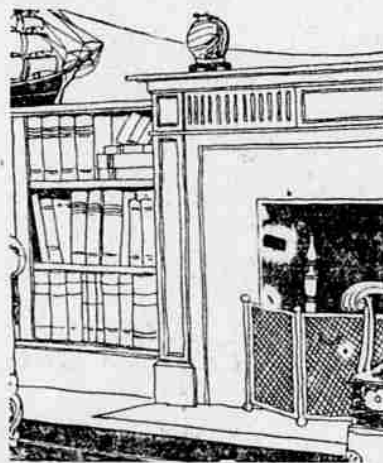

THERE IS NO MORE IMPORTANT FEATURE IN THE GROWTH OF A CITY THAN THE ASSURANCE OF THE PUBLIC THAT THEIR INVESTMENTS BE SAFEGUARDED FROM HAZARDS OVER WHICH THE INVESTOR HAS NO CONTROL. INSURANCE HAS BECOME THE SAFEST AND MOST PERMANENT OF A STRUCTURE OR BUSINESS, BUT THEY ARE ALSO FINANCING NUMEROUS UNDERTAKINGS IN OUR CITY.

The C. A. Lee Agencies is one of the best in the capacity of Manager of Eugene. Mr. Clare A. Lee, proprietor, came to Eugene in the capacity of Manager of the Insurance Department in 1912. He eventually purchased this department from that institution, taking the name of C. A. Lee Agencies. This agency was established in 1912 and has the enviable record of having paid each and every loss to the full of its liabilities in every instance.

Mr. C. A. Lee has made a specialty of insurance in all its branches for over twelve years and is thoroughly capable and efficient in this line. He represents only safe, sound, Old Line Stock companies, which have been tested by such great fire losses as that at San Francisco.

Mr. Lee represents companies writing Life Insurance, Fire Insurance, Leasehold Insurance, Business Interruption, Rental Insurance, Auto, Traction, Baggage, Accident and Health, Automobile and Liability. He also, under Power of Attorney is representative for several bonding companies writing Contract, Judicial, Fidelity and all forms of bonds and undertakings. In fact his slogan "EVERYTHING IN INSURANCE, NOTHING BUT INSURANCE" is literal and in any insurance dealing with C. A. Lee Agencies you are assured of having a dependable insurance specialist in your employ.

Mr. Lee occupies an office suite Nos. 200-204 in the (New) Bank of Commerce Building, (formerly Castle Theatre Building). Phones 997 and 1362-R.

Let Gas be the Finishing Touch That Will Assure Your Home Comfort.

Of course the new home will be piped for gas! It's almost as essential for comfort and convenience as doors and windows and a roof.

If you're building this summer, notify us now. Or if you intend to have "the old nest" made modern and up-to-date with Gas Service, let us know. Call at our office and let us demonstrate new Vulcan Smooth Top Gas Range.

Free estimates on any installation—new house or old. Just phone 23, or come into the office.

Plumbing plays the same part in a building that the nervous system does to the human body.

It is intimately connected with your daily life and the preservation of your health. There isn't anything more comforting than properly installed plumbing.

One of the first considerations for a "better home" is proper mill work. The mill work is the "evening dress" of your home. You want it as perfect as it can be made.

GOOD BUILDING MATERIAL IS THE MOST ECONOMICAL

The lasting qualities of your new House will depend entirely on the class of building material you put in it.

Before you decide we shall be pleased to talk with you about that material.

THE cheapest paint per gallon is the costliest in the long run—the only truly economical paint is one that gives your building protection against decay and saves repair bills.

Sun-Proof Paint

lets no moisture go through to start rot and decay. It outlasts ordinary paint and is lowest in cost per square foot on the building. Whatever your paint or varnish need, this store has the right thing for the purpose.
