

CHILD LABOR LAWS EXPLANATION TOLD

With the near approach of the close of the school year there have been a number of inquiries from boys and girls who desire to work during the summer months in regard to the obtaining of state permits, according to Frank Eberhart, secretary of the Eugene Y. M. C. A. and deputy child labor inspector for the state.

The following provisions of the child labor laws of the state are cited by Mr. Eberhart:

"No child under 14 years of age may be employed in cannery, factory, workshop, manufacturing of mercantile establishment, store, business office, bakery, hotel or apartment house.

"No child under 16 may be employed in mine, quarry, laundry, slaughter (except in office), meat packing plants (except in office), or in telegraph, telephone or public messenger service, or in restaurants or cafeterias, or in logging camps.

"No child under 16 may be employed more than eight hours in any day, or more than 48 hours in a week, or more than six days in a week.

"No child under 16 may be employed as signal boy in logging camps.

"No girl under 16 may be employed in logging camp cook houses, etc.

"No child under 16 may be employed before 7 a. m. or after 6 p. m.

"No child under 16 may be employed during the hours of the public schools are in session in his district unless he is graduated from the grammar grades.

"Children between 16 and 18 who have not finished the grammar grades must attend part-time schools or night schools not less than five hours a week during the school term until the grammar grades are completed.

"No girl under 18 may be employed after 6 p. m.

"No girl under 18 years of age shall be permitted to act as canvasser or peddler from house to house.

"All females under 18, whether married or single, are subject to all labor laws affecting minors.

"Both employer and parent are subject to arrest in case of violation of the laws.

"All children under 18 years of age must have a permit from the board of inspectors of child labor, before going to work."

RADIO DEALERS TO ASSIST FANS

Radio enthusiasts of Eugene who are troubled with strange interferences to successful reception, due to electrical or other unknown causes, are invited to make use of the newly-organized branch in Eugene of the Northwest Radio Dealers' Trade Association, it is announced today by Milo A. Roach, secretary.

A meeting of the organization will be held Tuesday night, June 9, at which a speaker will be present and speak on radio interference and other air. Luminous radio waves will be discussed at a later date. Dealers in electrical products also will be interested in these talks, which are open to them also, it is stated.

A trip to Coos and Curry counties will soon be taken by O. V. Hunrick, president of the association, it was announced in the interest of the association. Several cities in this district are contemplating formation of branches.

MUSIC MEMORY TEST TOMORROW

Persons interested in the music memory contest to be conducted among Eugene school children tomorrow night at the Methodist church are urged to be in their seats at the church by 7:30 o'clock p. m., by Miss Leona G. Marsters school music supervisor, who says the doors will be closed at that time.

Half an hour later, at 8 o'clock, the presentation of "The Queen of May," children's cantata, by 100 Eugene school children, will begin. The same administration, ticket admits to both performances, it is stated.

Judges of the papers on the music memory contest, as announced today, will be Miss Kathryn Azeo, Miss Kathryn Inwood, Miss Katie Potter, Mrs. Edith Hillman, and Miss Louise Nimmo. Judges of the notebooks compiled by the children will be the 12 girls taking the course in public school music at the University of Oregon, in training to become music supervisors.

"Janice Meredith" Wins Hearty Favor As Historical Play

Romance, and lots of it, has always gone hand in hand with great historic times. Americans have heard much of the fever of patriotism, the bravery

and of daring of the Revolutionary period, but little has been told of the charming romances that must have gone on during this time.

"Janice Meredith," which opened last night at the Heilig, is primarily a romance, built upon the structure of the stirring war days. Janice does much for her country, actually saving it a time or two, but all the time, remember, she is very much in love with a dashing Continental officer.

Merton Davies, as the star in this picture, has reached the climax of his remarkable career, and she has chosen a picture well adapted to her charms.

"Janice Meredith" is a stirring drama of the American Revolution, with all the famous scenes—the battle of Bunker Hill, Washington crossing the Delaware, and the role of Paul Revere, remarkably portrayed. But it is best of all an intriguing love story. The claim that it is one of the decade's greatest pictures is well supported.

CITY DADS FACE BUSY ASSEMBLY

Payment of bills, ordinances, resolutions and petitions form a busy calendar for the city council at its first regular session of the month next Monday night.

Bids will be opened for the sale of \$200,000 of McKenzie water bonds and \$125,000 water extension bonds. In order that the construction work on these projects may get under way immediately.

An ordinance will be voted upon to approve the plat of Hamblen's addition to the city of Eugene.

F. Wentworth, city attorney, has written a letter to Mayor E. B. Parks informing him that the Ninth avenue bridge fund has been overdrawn \$896.52. Mr. Wentworth says that this amount can be taken care of out of the special road and street fund of the city, provided the council gives him authority. He asks that action be taken at Monday night's meeting in order that the account can be closed.

A resolution to be discussed is on the proposed vacation by the city of a strip of land 50 feet long and 27 feet wide adjoining the east end of lot 4 in block 6 of the original plat of the city. This is the land involved in the recent suit filed by Mr. and Mrs. Ulysses Flouray against the city on the grounds that although their property extends into the street that they have lived long enough on it to call it their own.

The matter of sending Fire Chief Nuhsbaum to the convention of fire chiefs at Forest Grove also will be voted upon at this meeting. This is understood to have the approval of the fire and water committee of the council.

TWO SENTENCED TO PRISON FOR CRIMES

Two years in the state penitentiary was the sentence given H. J. Rand charged with a statutory crime after he was found guilty by a jury in circuit court this morning. L. J. Lloyd who pleaded guilty to a burglary charge was given three years in the penitentiary and Rand and Lloyd were taken to Salem this afternoon by Sheriff Frank E. Taylor and Van Svarverud, chief deputy.

Tom Lloyd, brother of L. J. Lloyd who was found guilty on a burglary charge by a jury yesterday, was given one year in the state penitentiary but was paroled to S. M. Calkins, local attorney, by Judge Robert Tucker.

Pat Moore charged with obtaining money under false pretenses was

into inner Mongolia to cooperate with the officers of Feng.

CLASH ANTICIPATED
CANTON, China, June 5.—(AP)—Civil administrators quarters behind prepared fortifications, today expected a serious clash momentarily owing to tyrannical military domination.

Inhabitants are fleeing to Hongkong.

Martial law is proclaimed here nightly.

The civil administration anticipates a treacherous military attack.

The merchants, who have suffered considerably are demanding action against the military establishment with the ultimate idea that a peaceful civil government under the Kuomintang party may be placed in power.

Leaders of the Kuomintang party today denied the charge of fostering communistic principles asserting that socialism and democracy is the ultimate aim of the organization in government.

Banks and business houses were closed today as money and valuables were placed in the foreign settlement for safe keeping.

Wu Te-Chen, police commissioner and other prominent officials are reticent regarding the situation.

MANY PEOPLE OUT FOR OBAK OPENING

A crowd estimated at 2,000 turned out last night to attend the opening of the new "Obak" billiard parlor, says W. R. Wallace, proprietor. This is the third time Mr. Wallace has been in business and each time the event has been greater than before, he says.

The new room upstairs has been entirely rebuilt especially for the billiard, pool and snooker tables in it. Up-to-date lighting apparatus, pleasing decoration scheme, and modern tables make the place one of the most attractive in the state, it is said.

Competition for four prizes to be awarded after a week's playing began last night, with several entries. Awards will be made for high runs in straight pool, snooker, three-cushion billiards, and straight rail. Winners will be announced at the end of the week.

The crowd last night was very interested in the recreation room and its facilities, and were entertained during the examination by Garten's orchestra.

given a sentence of six months in jail but this was suspended with the understanding that he make good the alleged bad checks that he has passed and then return to his home in Canada. Moore will be held here for the United States immigration authorities as it is believed that deportation action will be taken in his case, according to Sheriff Frank E. Taylor.

The Rand case that was completed today was the last this week and court was adjourned until Monday. Judge Robert Tucker who has been here during the week will return to Multnomah county and Judge G. E. Skipworth of the Lane county court will return here from Portland where he has been hearing cases for the past week.
