

EUGENE COUNTRY CLUB TEAM WINS AT MARSHFIELD

The Eugene Country club kept up its winning streak last week-end by taking first place in the team golf tournament staged at Marshfield Saturday and Sunday. By virtue of the victory, the Eugene players returned last night with a large beautiful cup in their possession.

The triumph at Marshfield adds another notch to the string of victories heaped up by the local golfers this spring. By defeating Corvallis and Salem decisively in the Tri-city tournament a few weeks ago, the Eugene men started the season off in the Garden and last week-end took right shape, and Bert Prescott repeated by defeating Roy Mae and Bill White, who came over from Corvallis.

New Club Opens.

The tournament Saturday and Sunday was in celebration of the grand opening of the Coos Country club, a few miles out of Marshfield. Invitations were sent to eight clubs in Oregon, but only three delegations from outside cities were present to compete with Marshfield. The tournament therefore, resolved itself into a contest between Salem, Roseburg, Marshfield and Eugene.

Representing Eugene were Captain Bert Prescott, Bud Sigwart, E. O. Inmel, and George McGill. Todd Gardner also made the trip. He entered the contest for professionals, but was bowed out by Andy Stack of Marshfield, Gardner's card showing a 79 and Stack's a 78. Sharkey of Salem, the other entrant, turned in a card of 85.

The four man team event spanned both Saturday and Sunday. On Saturday the qualifying scores gave Eugene and Marshfield the right to meet in the finals on Sunday. In an 18-hole match play event Prescott and McGill, meeting Tower and Fisher took in three points, and Sigwart and Inmel, playing Wade and Mashury, also made three points, thereby winning title to the cup.

Mr. Prescott Wins.

By breaking the Marshfield course record, Bert Prescott won a prize of a golf bag. His score, a 75, with 35 out and 47 in, was considered a very remarkable achievement. E. O. Inmel turned in the second lowest score, a 79, winning a dozen golf balls for his achievement.

The hospitality accorded the visiting players by the Marshfield hosts was most splendid, according to the local players. Entertainment for every minute of the time was planned, and every effort made to make the visit an enjoyable one. "Words cannot express the wonderful time given us, and the hospitality displayed by the Marshfield people," said one of the Eugene players today.

The Marshfield hosts were extremely regretful that teams from all cities, that had promised entries, did not make their appearance. With the hotel accommodations and full preparations made, telegrams were received the night before the tournament sending the regrets of the absent teams. Hood River, Corvallis, Albany, Medford and Oregon City were the towns which failed to make their appearance.

On June 28 Marshfield will send a

Seals Head Stops On Journey South

J. C. Putnam, owner of the San Francisco baseball team of the Pacific Coast league, was a Eugene visitor yesterday on his return by motor to the Bay City after attending the series of games at Portland during the past week. The Seals had a most productive week during their sojourn in the Rose City taking six of the seven clashes slated. The results of the double win for the Californians yesterday were received here by Mr. Putnam shortly before he left for Portland before the games got under way. Mrs. Putnam is with her husband on the motor trip.

TOMMY GIBBONS TO SEEK RETURN

ST. PAUL, Minn., June 8.—Tommy Gibbons returned to his home here late tonight from New York and declared he would seek a return match soon with Gene Tunney of New York who knocked out the St. Paul veteran in the twelfth round Friday night.

Tommy said he would rest for about a month before plunging again into his quest of the world's heavyweight boxing championship. The first knock-out of his career "got" convinced him that he is through as a successful fighter, the St. Paul boxer said.

"I do not think I have gone back a single step," Gibbons asserted. "I plan to rest for a month and then to ask Tunney for a return match. I want to test myself one more and then if I fail I shall retire. But I would never be satisfied to quit now."

"I fought a bad fight against a good man."

As soon as Gibbons alighted from the train here he hurried to a local hospital where Mrs. Gibbons has been seriously ill. Worry over her condition is believed by many of his friends to have been responsible for Tommy's poor showing against Tunney.

Waner Holds Lead As Coast Hitter

SAN FRANCISCO, June 8.—Paul Waner, San Francisco left fielder, maintained his lead in the batting standings of the Pacific Coast league last week, according to unofficial compilations of the averages. The figures, including Saturday's games, show Waner with an average of .415, Braxill of the Seattle club has an average of .395 with High of Portland close on his heels with .394.

The leading batter of the Salt Lake team is O'Dool with .389, Louis Galisto is still the champion hitter of the Oaks with .335 and M. Shea of the Sacramento team with .352.

Braxill stayed at the top of the list of home-run hitters with 11 to his credit. Lazare of Salt Lake and Hood of Los Angeles had 10 each. Lazare led in stolen bases with 13.

BENNY LEONARD MAY MEET WALKER

NEW YORK, June 8.—(AP)—Promoter Tex Rickard has approached Benny Leonard with an offer to fight Mickey Walker for the welterweight championship before the close of the outdoor season. It was announced here last night. Leonard announced his retirement last fall but his friends declare he is considering a comeback to box one more match, with the welterweight title as an objective.

KEARNS TO SECOND

NEW YORK, June 8.—(AP)—Jack Kearns, manager of Jack Dempsey and Mickey Walker, reached New York last night from California and announced that he expected to second the welterweight champion against Harry Greb in their middleweight championship fight at the Polo Grounds on June 19.

Kearns never has obtained a license in New York as either a manager or trainer, so that he will have to appear before the boxing commission. In this event, the commission has indicated that the question of Kearns' stand on a Dempsey-Walker match will be re-opened. The reply made a few months ago by Dempsey's manager to the challenge of Willie was held unsatisfactory by the board and resulted in the placing of Dempsey's name on the ineligible list.

Hartnett Deposed As Home run King

CHICAGO, June 8.—(AP)—Gabby Hartnett of the Chicago Cubs was deposed from his position as the season's leading circuit slouter of the major leagues, through the activities last week of Rogers Hornsby of St. Louis and Meusel of New York.

Meusel and Hornsby, both with 15 home runs to their credit are today the respective leaders of the American and National leagues. Williams of the St. Louis Americans, by collecting five homers last week, tied with Hartnett, both having 14 home runs this season. Meusel and Hornsby each drove three into the bleachers last week.

RUPTURE EXPERT HERE

F. H. Sealey, of Chicago and Philadelphia, the noted truss expert, will personally be at the Osborn Hotel and will remain in Eugene Tuesday, only, June 9. Mr. Sealey says: "The Spermatic Shield will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast advancement over all former methods—exemplifying instantaneous effects immediately appreciable and withstand any strain or position no matter the size or location. Large or difficult (following operations) specially solicited. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatments or prescriptions. Warning— all cases should be cautioned against the use of an elastic or web truss with straps, as same rest where the lump is and not where the opening is, producing complications, necessitating surgical operations. Mr. Sealey has documents from the United States Government, Washington, D. C. for inspection. He will be glad to demonstrate without charge or fit them if desired. No frills of any kind, but—man, what tobacco!

A "fancy" package never fooled any man who knows values. It's what's inside that counts. Inside this Granger package is mighty good tobacco—fine, ripe old Burley with that full-bodied richness that belongs to good pipe tobacco. And Granger is pipe tobacco, made for pipes and cut for pipes. The "rough cut" gives you a slower-burning, hence cooler smoke!
