KNIFE WIELDER WRITES POLICE

Irwin Salopek, who is alleged to have wielded the knife that put Harry Bring of Springfield in the hospital with a punctured jugular vein, and Mrs. Flossie Hurd with severe gashes about the face and neck, told his side of the fracas to W. G. Judkins, chief of police, in a letter received by the chief today.

Salopek, who is a Hungarian Polack, insists that Mrs. Hurd and Mr. Brink forced him into his automobile at the point of a gun, Brink claiming to be a deputy sheriff. This however, Mrs. Hurd and Mr. Brink deny, although a pistol was taken from Mrs. Hurd by the police.

The dispute came up over Solopek's car, the letter said, and blame for it is laid to Brink, who, Salopek alleges, stopped the car and engaged in a fight with knives.

Salopek had been traced to Creswell by deputy sheriffs, who found he had stayed there over night under an assumed name, and received medical treatment for injuries about the head and a dislocated arm. Brink is rapidly recovering from his injuries.

Police are still making an effort to locate Salopek. The letter was mailed from Portland, although it gave no address. Mrs. Hurd also received a letter from Salopek, in which he instructed her to care for his property, and pledged undying devotion to her.

Messinoe was recaptured last night at Cottage Grove by Earl Luckey, deputy sheriff, and returned to jail here. Messinoe and another Mexican, both soldiers, were arrested here a few weeks ago. Man's leg Broken In car Accident

George W. Smith, 1314 Oak street, is in the Eugene with a broken leg and severe gashes, bruises and other injuries about the face and head as a result of an accident at Eighth avenue and Willamette street, when he was struck down by an automobile driven by E. A. Mace, Nineteenth avenue and Friendly street.

The accident occurred when Mr. Smith stepped from the curbing to cross the intersection. Mr. Mace, who reported the accident to police, claims he did not see the victim until too late to stop. An ambulance was summoned and the victim was taken to the hospital.

Grand Jury Called For Criminal Cases

To consider a number of criminal cases now pending an order for the calling of the grand jury was issued today by Judge G. F. Skipworth for Thursday, June 18. The grand jury is composed of W. L. Coppernoll, H. O. Smartt, Charles Colton, Ernest Schrenk, Margaret L. Rapp, Hattie R. Drury, and John McGuire. Low Humidity is Cause of Alarm

Forest fire weather brought alarm this afternoon to the officials at the Cascade and Siuslaw national forest offices.

The relative humidity reading on the hygrothermograph this afternoon showed 35 per cent of moisture in the air—the lowest recorded this month. Forest officials declare the excessive dryness at the present time would give a forest fire plenty of assistance should one get started.

Good Progress on Bridge Piers Made

Good progress is being made on the new Harrisburg span on the Pacific highway and work on the west piers, the last of the set, is now under way, according to reports of workmen on the bridge which is being erected by the Portland Bridge company. It is expected that early in August that the erection of steel will be in progress and that the span will be completed early in the fall, according to present estimates. A larger crew and additional equipment will be added to aid in the work on the installation of the piers, it is said.

EDUCATED PEOPLE ARE HELD RULERS

Two per cent of the population of the United States who are college graduates rule the nation. This was the statement of Dean John W. Straub of the University of Oregon, who delivered the commencement address for Eugene high school graduates last night at the Christian church.

The auditorium was packed for the commencement exercises. The speaker declared that an oligarchy existed in the nation as far as brains were concerned, although it claimed to be a democracy. He pleaded with parents to give their children a fair show with education, and enable them to get the college learning necessary to enter present-day competition in business and the professions.

A radio message from David John Jones, aboard the S. S. Montclare on the way to England, was read by Rev. F. G. Jennings, chairman of the school board, to the graduates. It said: "Express congratulations to class of 1925. Best wishes for future success."

Graduation is but a step to a broader life, Rev. Jennings reminded the graduating class, as he presented the diplomas. He urged them to carry on in education.

Dr. E. V. Stivers delivered the invocation and Rev. C. E. Dunham the benediction. The high school glee clubs sang, and Marion Zurcher played the organ prelude and postlude. P. E. Christenson, acting principal, recommended the class of 1925, and Joseph T. Glenn, city school superintendent, presented them.
