

CALENDAR WELL FILLED FOR WEEK FOR GRADUATES

(Continued from page one)

Mont Campbell, who presided regularly until his illness last year, Elam Amatus, major in economics, for the last three years student forensic manager, will present "The Changing Course." Ivan D. Houston's oration will deal with the "New Barbarians." Houston also is a major in the department of economics. He was the winner this year of the insurance scholarship contest conducted annually by the school of business administration and a member of the debate team which met Stanford this season. The topic of the oration to be given by Ernest H. Henrikson is "The Dreamer." Henrikson is a major in the department of English. He represented the university in the State Oratorical contest in 1922, was a member of the varsity debate team last year and is the president of Tau Kappa Alpha, honorary forensic society this year. Loxro Prillaman, well known on the Oregon campus for his activities in dramatics, will present "The Lost Chord." Prillaman is a major in the drama and speech arts department and a resident of this city. Ephraim D. Conway, economics major, who won second place for Oregon at the State Old Line oratorical contest last year, will present "The Call to Service."

Masters Degrees Sought Thirty-two students are candidates for master's degrees at the University of Oregon this year, according to a list compiled at the registrar's office. All of these are graduates of former years, with the exception of six who are candidates for the Master of Business Administration. The twenty-six graduate applicants are: three from the number last year by three. There were thirty in 1923, the largest in the history of the University. Twenty-three of this year's candidates desire the degree of master of arts, two the degree of master of science, and one, master of science in architecture.

GRADUATE SCHOOL Master of Arts

Beatrice Butler Beels, B.A., Illinois; L.L.B., Oregon. Major, German. Minor, Drama and the Speech Arts. Thesis: A comparison of the chief woman characters in the dramatic works of Gerhart Hauptmann. H. Omer Bennett, B.A., Valparaiso, Major, Education. Minor, History. Thesis: Progress in secondary education in relation to certain criteria. Walter Otto Benhin, B.A., Buena Vista College. Major, Sociology. Minor, Education. Thesis: The sociological possibilities of the rural church.

Jessie Laird Brodie, B.A., Reed, Major, Zoology and Experimental Biology. Minor, Pathology. Thesis: Studies in the comparative action of thyroxin and desiccated thyroid upon the division rate of paramecium. Walter Henry Buxton, B.A., Nebraska. Major, Education. Minor, Mathematics. Thesis: The status of instruction in religion in American colleges and universities. Leo Herbert Cossman, B.A., Oregon. Major, Education. Minor, Psychology. Thesis: The relative efficiency of different I.Q. groups in arithmetic and language from grades 3-A to 8-B.

Mery; W. Deming, B.A., Oregon. Major, Chemistry. Minor, Physics. Thesis: A study in coupled reactions. Rollin S. Dickerson, B.A., Oregon. Major, Education. Minor, History. Thesis: Justification of "composite" social science in the junior high school and some criteria for choosing materials. Elmer Beal Gardner, L.L.B., Arkansas; B.A., Oklahoma. Major, Education. Minor, Political Science. Thesis: A study of the educational systems of Clackamas county, Oregon.

Bertha Alice Hays, B.A., Oregon. Major, Zoology. Minor, Chemistry. Thesis: The effects of the intraperitoneal injection of thyroxin upon the body weight and upon certain organs, especially the gonads and the hypophysis, of the albino rat. Alfred Renault Hedrick, B.A., Chicago. Major, English. Minor, Psychology. Thesis: England—the English of the Elizabethan world; a study of sixteenth century English Calvinism and patriotism. Arthur Garhart Jones, B.A., Pacific University. Major, Anatomy. Minor, Pathology. Thesis: Nerve endings in the reptilian lung. David John Jones, B.A., in Ed. Washington; B.M., Montana Wesleyan. Major, Education. Minor, History. Thesis: Welsh education from 1840 to 1881.

Derep A. Lasselle, B.A., Oregon. Major, Chemistry. Minor, Physics. Thesis: A study of the highly reducing substances occurring in pyrolytic acids. Lois Allen Langhlin, B.A., Oregon. Major, English. Minor, History. Thesis: The revolt against Main Street—a study in contemporary American literature. Edward Dorris McAllister, B.A., Oregon. Major, Physics. Minor, Mathematics. Thesis: An analysis of the causes of variation in thermal electromotive force. Ross A. Schoenberg-McGrew, B.A., Oregon. Major, German. Minor, French. Thesis: E. T. A. Hoffmann and his Verhaeltnis zur Romantik. Louis Morrow Orvold, B.A., Oregon. Major, English. Minor, Philosophy. Thesis: A statistical study of puns in English blank verse. Thesis: Student activities in

New Scout Head

James J. Storrow

SCOUT PRESIDENT MAY VISIT EUGENE

James J. Storrow of Boston was unanimously elected president of the Boy Scouts of America at the fifth annual meeting of the national council which just closed in New York City, according to word received by C. R. Clark, Lane county scout executive. An effort will be made to get Mr. Storrow to visit Eugene on his return trip of inspection, it is stated. The new president has been closely identified with the Boy Scout movement for a number of years, having been a member of the executive board of the national council for the past six years, and chairman of the Region covering all of the New England states. Mr. Storrow is a member of the banking firm of Lee, Higginson & Co., chairman of the board of the Nash Motors company, and director in many business corporations. The election of Mr. Storrow marks the first change in the presidency in the history of the Scout movement. Mr. Colin H. Livingstone, former president, held the position for 15 years. He was one of the sponsors of the movement in this country, and each year since its foundation had been re-elected to the important position of leader.

High schools with special reference to Oregon. Frank H. Vonder Ahe, B.A., Oregon. Major, Chemistry. Minor, Physics. Thesis: An investigation of the nature of bios particularly with reference to the crystalline substance isolated by Eider, Hart and Williams. Master of Science Edwin K. Harkness, R.S., Oregon. Major, Education. Minor, Fine Arts. Thesis: Some inequalities in "educational opportunity" in the public schools of Oregon. Thomas Daniel Wyatt, B.S., Oregon. Major, Physiology. Minor, Pharmacology. Thesis: Salmon poisoning in dogs. Master of Science in Architecture Ian Fook Tai, B.S. in Arch., Oregon. Major, Architecture. Thesis: Notes on the geography, history, social, economic, governmental and aesthetic factors involved in the planning of the city of Hong Kong, China.

SCHOOL OF BUSINESS ADMINISTRATION Master of Business Administration Walter J. Henny, Eugene; Kenneth Hamilton Hunnir, Eugene; Howard Leon Marshall, Everett, Washington; Henry Joseph Rebu, Ritzville, Washington; Herbert Getchel Smith, Eugene; Victor E. Storel, Eugene.

Dates for Coming Of Secretary set

Definite arrangement of the itinerary of William M. Jardine, secretary of agriculture, who will be in Oregon for three days this month on his tour of the west have been received at the Eugene chamber of commerce from James T. Jardine, brother of the secretary and professor of agriculture at the Oregon Agricultural college. Secretary Jardine will arrive in Medford from Davis, Cal., on the morning of June 25. The secretary and party will leave Roseburg Friday morning June 26 by motor for Corvallis and during this trip he will probably make a short stop in Eugene as an effort by the Eugene chamber toward this end is under way. The trip north from Corvallis will start Saturday morning with a stop at Salem to call on Governor Pierce. Mr. Jardine will leave the state Saturday evening at Portland.

Holdup Gets \$50 From Elwin Yoder

A holdup man accosted Elwin Yoder, 1472 High street near his home last night, asked a six-shooter into his ribs, and commanded, "Stick 'em up." The victim raised his hands in the air while the bandit went through his clothes. He got \$50, and fled, when Mr. Yoder notified police. Mr. Yoder is an employee of the Standard Oil company at a filling station at Thirteenth and High, and he is said to be the fourth night clerk at the station in four years to be robbed.

PRESIDENT CALLES PLANS ANSWER TO NOTE OF WARNING

MEXICO CITY, June 13.—(AP)—Minister of Foreign Affairs Anton Suarez declared today that when Secretary of State Kellogg's statement made in Washington yesterday regarding relations between the United States and Mexico was officially received by the Mexican government, it would be answered by President Calles instead of through the Mexican foreign office.

WARNING GIVEN

WASHINGTON, June 13.—(AP)—Blunt warning to the Mexican government that the United States cannot countenance violation by Mexico of her international obligations or failure to protect American citizens, was served by Secretary Kellogg yesterday in a formal statement. The stern language employed by the secretary came as a surprise, although it had been indicated he would make a public declaration as a result of recent conversations with Ambassador Sheffield, who appears to have returned from his post on leave chiefly to discuss the grave situation in Mexico with the president and Mr. Kellogg. The secretary's statement declared relations with the Mexican government were friendly, conditions are not entirely satisfactory and we are looking to and expect the Mexican government to restore properties illegally taken and to indemnify American citizens.

"It should be made clear that this government will continue to support the government in Mexico only so long as it protects American lives and American rights and complies with its international engagements and obligations," Mr. Kellogg said. "The government of Mexico is now on trial before the world." Additional significance attaches to Mr. Kellogg's statement because it was issued after White House conferences, Ambassador Sheffield has been the president's guest since he arrived in Washington, and Senator Borah, chairman of the foreign relations committee, also was a dinner guest there last night. Ambassador Teller at the Mexican embassy expressed "surprise" at the nature of the Kellogg statement.

Honorary Degree To be Conferred On John H. Nash

The honorary degree of doctor of letters will be conferred upon John Henry Nash of San Francisco, nationally-known printer, collector, and artist, at the annual commencement exercises of the University of Oregon Monday. The conferring of the degree will be one of the important events of the graduation ceremony. Collectors and bibliophiles regard Mr. Nash as one of the greatest American printers and book makers. Two years ago, Mills college, Oakland, Cal., conferred upon him the honorary degree of master of arts. Mr. Nash will be present to receive the degree. When the degree is conferred, the characterization, which is part of the ceremony, will be read by either Dean Sheldon or Dean George Reber of the graduate school.

WOMAN AVOIDS AN OPERATION Awful Pains and Misery Relieved by Lydia E. Pinkham's Vegetable Compound

Lima, Ohio.—"I want to tell you how your medicine has helped me. For weeks I suffered with awful pains from inflammation and I was in such misery that I had to bend double to get relief. I could not be touched or jarred, had awful pain all over my abdomen and could not touch my feet to the floor. It was impossible for me to straighten up and the pains never ceased. I took treatments for some time and finally was told I would have to have an operation. I do not believe in operations and I had read so much about Lydia E. Pinkham's Vegetable Compound that I told my husband I would try it before I gave up. I soon began to feel that it was doing me good. The awful misery began to leave me, also the backache. I have a good appetite and am gaining in weight. Taking this medicine was the best thing I ever did. I feel like to say so to my friends. It has saved me from a dreaded operation and I am still taking it."—Mrs. ETHEL THURSTON, 324 North Pine St., Lima, Ohio.

Mr. Nash was one of the principal speakers at the annual Newspaper conference held at the University of Oregon last spring. He has been chosen as the principal speaker at the International Photo-Engravers' convention, which will be held in New York city in July. Mr. Nash is widely known as a speaker to organizations interested in printing and publishing.

Grants Pass Will Hold Celebration On July 3, 4 and 5

GRANTS PASS, Ore., June 13.—(Special)—Grants Pass is to hold a three-day Fourth of July celebration and rodeo on July 3, 4 and 5. A program which will insure something going on all the time has been prepared. The celebration proper will be featured with a great parade by day and fireworks by night on the Fourth. The amusement features will include wild horse racing, relay racing, bucking contests, roping contests, exhibition riding, wild cow milking and other events making up a first class rodeo. There will be night shows, Indian shows, dancing and other events, and also a carnival with numerous attractions. More than \$5000 in prizes is offered for the various competitive events, and an attendance of 30,000 people is being arranged for, as this will be the only celebration of its kind in the southern part of the state.

SUIT IS FILED

WASHINGTON, June 13.—(AP)—The government has filed an anti-trust suit in Chicago seeking the dissolution of an alleged monopoly in cattle and calf hair and feet.

RESERVE INCREASES

NEW YORK, June 13.—The actual condition of clearing house banks and trust companies for the week shows an excess in reserve of \$41,764,380. This is an increase in reserve of \$8,717,670 compared with last week.

LOOTERS ACTIVE; TROOPS STONED

(Continued from page one) the river, after beating them with bamboo, stones and rifles. Looting was carried on in an extensive manner. The winning troops took even petty articles of household property in their campaign of terror. Treachery Rife. The principal cause of the defeat of the Yunnanese troops, now driven out of Canton, was the treachery in the ranks of the Kwangsi troops who quit for a cash consideration. Considerable damage was done to buildings owing to heavy gunfire. The most revolting scenes inside the city were caused by the Kwangsi troops. The defeated army leaders swore they would return to avenge the wrongs done today. Ten thousand Cantonese troops now surround the Canton side of the river, all wearing red neckties. The success in capturing the city was attributed to the leadership of Russian officers. Fighting began at Canton eight days ago between rival elements of former followers of the late Dr. Sun Yat-Sen, the South China leader. The immediate cause of the trouble was the efforts of the Cantonese government to dismiss the Yunnanese army, former allies of the Cantonese under Sun Yat-Sen's regime. The dismissal was desired because the support of the army had become burdensome to the Cantonese government. Yunnanese generals under Generals Yang Hsi-Min and Lan Chun-Wan and their troops had complete control of Canton. Cantonese troops under General Hsu Ch'ing-Chi, reinforced by General Chu Pei-Tak attacked the Yunnanese occupying Canton with the object of freeing the city from their rule. Today dispatches indicate this effort has been successful.

TROOPS ARRIVE

SHANGHAI, June 13.—Two thousand troops from the Mukden army of General Chang Tso-Lin, the Manchurian dictator, arrived in Shanghai this morning under the command of General Chang's son, Chang Hsueh-Liang. The troops were posted throughout the city and at the headquarters of the international settlement, which are marked by Chinese flags. Strikes in the industrial plants which started spreading when news of the killing of eight Chinese students, in a riot at Hankow was reported here, continued to enlarge here today. Local shipping is completely tied up.

TROOPS PATROL SHANGHAI

SHANGHAI, June 13.—(AP)—Shanghai tonight had settled into the condition of an armed camp. Regimented troops patrolled principal thoroughfares. Foreign marine contingents were on guard at headquarters of the foreign settlements and the approaches to the waterworks and power stations. The appearance of Chang Hsueh-Liang, son of the Manchurian war lord, Chang Tso-Lin, at the headquarters of the settlement with two thousand troops for the declared purpose of keeping order, added to the military aspect of the situation. The weather threatened rain. Conferences between the Peking envoys of the central government and the authorities of the foreign settlement continued today but still without results.

CHINESE PROTEST

PEKING, June 13.—(AP)—The Chinese government today protested by note to the British legation the recent killings and wounding of Chinese at Hankow. The note emphasized the seriousness of the situation and reserved full liberty to demand compensation later.

A Rug For Every Purpose—For Every Color Scheme—in This Special Offering of 9x12 Seamless Axminster Rugs

Wetherbee-Powers again foresees the needs of June Brides—for this and other June—and comes forward with the finest display of quality Axminster Rugs in many seasons. Offering an opportunity of purchasing your rugs from such a comprehensive showing as to make selection a delight. This \$85 Powers Special WOOD AND COAL RANGE This Week \$68.50 This Week The smooth, polished steel top, the one-piece, full white enamel back splash, and the splendid nickel trimmings all go to make up a range that is perfect in construction, economical on fuel and a time saver for the housewife. The cooking and baking qualities of the range carry a full guarantee of satisfaction.

\$5 —Delivers Your Range This Week —Then Easy Terms—No Interest We Charge No Interest Use Your Credit WETHERBEE - POWERS EAST NINTH AND OAK

HARRISBURG BRIDGE WORK IS SPEEDED

HARRISBURG, June 13.—(Special)—Cement was poured Friday for the seven-foot thick seal at the bottom of the third bridge pier for the Willamette bridge in construction here by the Portland Bridge company. Splendid time has been made on this pier, excavating for which was completed last Saturday and piling of which was all driven shortly after noon Wednesday. After the seal is made, which takes about half a day, the pier will be pumped dry and forms erected from the bottom. Digging for the west side and last pier will begin at once, a double shift of men and a double crane equipment will be used to expedite the work. Should nothing prevent his plans Foreman Duff says that in about four weeks concrete can be poured for this last pier and two weeks later all concrete work on the bridge be practically completed. This will mean that steel work will begin about the first of August. It will take about seven weeks to lay the steel, then a couple more weeks to paint the structure, so that it is not at all improbable that the contract will be fulfilled by Oct. 10.

Revetment Plans Will be Discussed

Contracts for the revetment above the site of the new Harrisburg bridge on the Pacific highway across the Willamette river will be let at the meeting of the state highway commission to be held at Portland Thursday and Friday, June 25 and 26, according to announcement received by the Lane county court. As far as present plans go this is expected to be the only contract of work for Lane county that will be taken up by the commission at the June meeting. It is probable that the Lane county court will be represented at the highway meeting.

A Radical Difference

When there's a better way of doing business, we'll "set the style." COMPETITORS WONDER how we do it—but we do it—This 17-jewel model Elgin watch, the popular 12 size, famous for wear and accuracy.
