

PIONEER CAMP HAS FINE LOCATION FOR ANNUAL TRIP, VIEW

The Eugene Y. M. C. A. camp for "Pioneer" boys will be held from July 7 to 21 in a beautiful secluded spot on a point where Shaps creek runs into Row River. The camp site is accessible only by a foot bridge constructed over the river at a point just above the confluence of the stream, and is a splendid place for a boys' camp.

The government of the camp is maintained largely by the boys themselves, who elect a governor, judge, sheriff, and other officials who discipline any offenders. Daily the governor appoints an officer of the day who has charge of the affairs of the camp and sees that things run smoothly. Each boy has his turn at "K. P.," which is always one of the joys of camp life, providing a boy is a real camper. The adult leaders are camp advisers and assist the boys in their activities in any way possible. A sample of a day's program is as follows:

- 6:25—First call.
- 6:30—Reveille.
- 6:35—Setting up exercises and wash up.
- 7:30—Breakfast.
- 8:00—Bible study.
- 8:20—Woodcraft, archery, games, and other activities.
- 11:00—Inspection and morning swim.
- 12:00—Dinner.
- 1:00-2:00—Quiet hour.
- 2:00-4:00—Pioneer tests, contests, hikes, games, etc.
- 4:00—Afternoon swim, followed by open period.
- 6:00—Supper.
- 7:00-8:00—Evening games.
- 8:00-9:25—Campfire program, stunts, Kangaroo Court, etc.
- 9:30—Taps—"No snoring."

GOVERNOR URGES HARD WORK HABIT

There are no permanent short cuts to success, declared Governor Walter M. Pierce, in his commencement address to graduates of University high school at the school of music building Saturday night. Spectacular methods may work in a few cases, he said, but honesty and love of hard work are surer in the end.

Opportunities of today are more plentiful than a decade ago, the speaker said, and the average boy or girl is better equipped, through public schools, to grasp such opportunities when they see them. He urged his hearers to keep up their education, to continue through college or university and forever to dwell in the company of good books.

The high school orchestra played the opening march, and Rev. Fred J. Clark, pastor of the Congregational church, delivered the invocation. A solo by Mrs. H. A. Pearson, and a piano solo by Hugh Milton Miller followed. After Governor Pierce's address, H. R. Benjamin, principal of the school, presented the class, and Professor H. R. Douglass granted diplomas. The closing number was an organ march by Donald Allison.

Uncle Tom's Cabin Coming to Eugene

In many respects W. J. Hartzall's "Uncle Tom's Cabin" is the most important of the season's productions. In the first place it serves to exploit the masterpieces of two of Europe's noted artists, i. e., Ralph Brant's elaborate painting entitled "The Celestial City" and Hartzall Verlon's picture of the New Orleans slave market, and secondly it has brought back into prominence the memories of that grand old lady, Harriet Beecher Stowe, and serves to reveal the beautiful lessons really to be learned by careful attention.

Like a poorly composed book, there are many versions of Uncle Tom's Cabin now being forced upon the public under embossed covering, which are detrimental to the greatest degree. They are usually short-lived for the people of today are not to be hoodwinked as easily as those of not so many years ago. It is a known fact that Mr. W. J. Hartzall possesses the original version of Mrs. Stowe's story and that it has been unanimously accepted by the press, pulp and public of America and England.

The Hartzall revival will be brought to Eugene on Wednesday, June 17, in a waterproof tent, having seats for nearly two thousand people. Mr. Hartzall's company numbers nearly fifty people, traveling in their own train of motor cars, trucks and trailers.

Julia Groo Will Speak Over Radio

Eugene radio fans who are interested in hearing from a girl who wrote 250 words that won a \$15,000 home are invited to tune in KGO Thursday morning, June 18, at 9:30 o'clock and hear Miss Julia Groo, the lucky school girl, tell how she won this prize in a recent "home lighting" essay contest.

Miss Groo will speak before the National Electric Light association convention now in session in the San Francisco municipal auditorium. Before the sound of her voice reaches the other end of the room, by radio it will reach listeners all over the west. She is 18 years old, and a senior in Lincoln high, at Portland.

SOCIETY AND CLUBS

By MARIAN LOWRY

The wedding of Miss Margaret MacGregor and Dr. Donald Barnes will be an event of this evening at the home of Mr. and Mrs. Harry B. Yocum.

Mrs. Leticia Mowry is to leave tomorrow for Portland where she will spend a week or so.

Mrs. L. A. Crow and her daughters, Miss Virgie and Miss Lucy, left yesterday for various places in the mid-west. They will visit in Indiana, Ohio, Michigan, and Montana.

Mr. and Mrs. A. J. Sherwood of Coquille, Mr. and Mrs. L. A. Liljequist and daughter, Mr. and Mrs. Ralph Velle and daughter, of Portland spent the weekend in Eugene as guests at the home of Rev. and Mrs. Frederick G. Jennings.

A very delightful surprise party was given Thursday afternoon at Patterson school by the teachers, to celebrate the birthday of Miss Margie Speed, teacher of the first grade. This was the last of a number of pleasant parties which this group of teachers has given this year. Most of the teachers are having town for the summer. Miss Edna Briggs, sixth grade teacher, left Friday evening for Greeley, Colorado, where she will attend the summer session of the state college, returning in the fall by way of Yellowstone park. Mrs. Orval Peterson, fourth

grade, expects to leave soon with her husband on a motor trip through Idaho and Washington. Miss Sepiel, first grade, who graduates this year from the University of Oregon, intends to spend part of her vacation at Newport. Miss Olga Wikberg, fourth grade teacher, leaves soon for Seattle, and later expects to go to the coast and Crater lake. Miss Juanita Wolff, third grade, will take a motor trip down through California in her new coupe. Mrs. Fred Stevens, fifth grade will spend part of her vacation in the mountains and at Breitenbush springs. Mrs. Stacks, the principal, will motor to Crater lake during her vacation.

Miss Thelma Chenoweth of Oakridge and Chas. L. Gregory of West Fir were united in marriage Tuesday evening, June ninth, at 5 o'clock, by Rev. Frederick G. Jennings, at St. Mary's Episcopal church in Eugene. Those present at the ceremony were Mr. and Mrs. G. H. Morgan of Portland, Mrs. Anna Duff of Des Moines, Me. J. H. Chenoweth of Oakridge, and Mr. and Mrs. F. B. Chenoweth, parents of the bride, also of Oakridge.

On Wednesday evening at 10 o'clock about ninety-six friends gathered at the home of the bride's parents in Oakridge and showered the young couple with many beautiful gifts and an abundance of fresh flowers. Refreshments were served and a good time reported by all. The young couple will make their home in Oakridge.

AMAZON DITCH TO BE BLASTED

Thunderous explosions and huge upheavals of earth in the vicinity of the county fair grounds this week need not alarm Eugene townpeople, or war veterans, according to Bud Kompf. The explosions will only mean that blasting work has been started on the new drainage ditch for the Amazon, and Mr. Kompf is in charge of the work for the county.

Big Crowds Drawn To Tent Services

From 10 a. m. until 11 p. m. the big Benham tent where the Ayers-Isenberger evangelists of Australia are conducting a revival was the scene of almost a continuous service. It was announced that services would continue each night at 7:45 and a 2:30 service on Tuesday, Wednesday, Thursday and Friday afternoons. An invitation was extended to other local church orchestras to join the tent orchestra of some dozen pieces. At the afternoon services Mr. Verlin Halligan rendered a selection on the Mandolin and there were other special music, including one by 40 of the Bible folks. The evangelist spoke on the subject of the baptism, with the Holy Spirit from John 14, saying that the world at large does not understand the work of the Holy Spirit, because it cannot receive Him. She explained that when one has been endowed with the baptism and the world considers one peculiar that it is a good sign that that person has received something. She said she liked

to preach something that would make folks glad, but unless they were either sick or mad that she had failed. A record crowd in the history of the tent during its stay in Eugene assembled last evening and it was conceded by those who attend that the lady from Australia has something to say that is worth listening to. "It is all rubbish," she declared, "that the 4 square gospel is fanatical. It's just the old fashioned gospel coming back into the church." A divine healing service will be held to night.

POTATO LAW CITED FOR LANE DEALERS

Laws passed by the 1925 legislature provide that all potatoes sold in lots of 50 pounds or more must have the grade and name and address of container. In lots of ten tons or more they must be state inspected, in addition to the markings. Copies of the new law have been received at the office of O. S. Fletcher from C. E. Spence, state market agent, for distribution in Lane county.

If a grower or dealer sells a retailer 50 pounds or more of potatoes without the grade and address being marked on the sack he is liable for a maximum fine of \$100, or 30 days jail sentence, or both, the law provides.

If a retailer sells or offers to sell a customer 50 pounds or more of potatoes in a container not stenciled, he is also liable to penalties. If a retailer buys potatoes branded as No. 1, which are No. 2, the seller is guilty of misbranding. If a retailer sells No. 2 stock to a customer under brand of No. 1, or if he sells in unbranded sacks, he is guilty of a misdemeanor and liable for the penalties fixed by law.

The State Inspection department

asks the retail dealers to cooperate in the observance and enforcement of the law. Compliance with it will work out for the benefit of both the retailer and his customers. The law simply demands an honest pack, it is announced. "It is made the duty of the State Inspection department to enforce the law. When our inspectors visit your store have your stock stenciled and graded. Compliance is far better than prosecution. "With your cooperation the law can be enforced without any trouble or punishment or hardship. Insist that the law be complied with when you buy your potatoes and that you get the kind of stock you pay for," the notice reads.

Editor Will Drive On Jackson Trout

L. H. Gregory, sports editor of the Portland Oregonian, was a Eugene visitor yesterday on his way south to Medford where he plans to spend the next two weeks of his vacation. Gregory has been invited to attend the annual camp of the Oregon national guard, now under way in Jackson county, by General George A. White, state commander. "I'm not out for any military training but I plan to stage some field campaigns against the Rogue river trout and in other sectors on the Jackson county front," is the firm declaration of the sports editor.

Theater Opens at Westfir Saturday

Westfir turned out en masse for the grand opening of the new Westfir theater and dance hall Saturday night. It was reported today by W. B. McDonald, manager of the Heilig theater here, who returned from Westfir today, Mr. McDonald spent the week-end there, and attended the opening festivities.

The dance hall is 30 by 80 feet in size, and can accommodate a large crowd. About 75 couples were present at the first dance, it is said. Comfortable benches, that will seat 300 people, have been made for use of patrons of the moving picture shows. These were nearly all filled for the feature picture, "Hot Water," the Harold Lloyd favorite.

The theater was built by the Western Lumber company, and is fully equipped with a stage, dressing rooms, footlights, spotlights and two large model moving picture machines. Several good pictures have been contracted for, and it is planned to have dances every week, according to the management.
