Schedule is Made For Swim Lessons— Changes in the schedules for boys' and girls' swimming classes at the University of Oregon were announced today. On Mondays, Wednesdays and Fridays, at 11 o'clock, boys and girls between 8 and 11 years of age will take their lessons, the girls in the Women's building, and the boys in the men's gymnasium.

On Tuesdays, Thursdays and Saturdays at 11 o'clock, boys and girls from 12 years of age upwards will go for their lessons in the respective tanks. Every girl is asked to bring her own cap before she will be allowed to enter the tank. There are two teachers and an extra life guard at each tank, thus eliminating any possible danger. One teacher is for the elementary students, and one for the advanced students.

Corrected Statement I wish to correct statement made in my add June 18th. I made the statement in this add that this was the First Bankrupt Stock I ever bought. This is not a Bankrupt stock as Mr. Berry is not taking bankruptcy. He assigned the stock to the credit association and I purchased the stock from them at a Big Sacrifice. A. F. Courter

Eye Strain The eyes have a certain reserve power and are being obliged to exert this continually in order to overcome the defects. The inevitable result of this straining is pain which begins usually in the eyes and then develops into a most severe form of migraine or headache. The only permanent cure for this kind of headache is glasses scientifically fitted and adjusted. This one thing we can do well. Dr. Sherman W. Moody OPTOMETRIST EYESIGHT SPECIALIST 281 WILLAMETTE ST.
