Well equipped to handle Home Contracts or Larger Buildings. The Bailey Electric Co. has completed some of the largest jobs in Eugene. "We have," said Mr. Bailey, "the experience and equipment to properly handle construction of any type. We specialize in good work and base our estimates accordingly."

The following are the Nationally Known lines handled by them:

- Universal Electric Ranges.
- Riddle Lighting Fixtures.
- National Mazda Lamps.
- Universal Table Appliances.
- Hot Point Table Appliances.
- Aluminare Cast Lighting Fixtures.

Meridian Commercial Lighting Fixtures.

Hyperion Commercial Lighting Fixtures.

Motors—General Electric—all sizes.

Check Seal—Construction Material and other standard lines.

That Home Is Within Your Reach

If you will that desired home is yours—to grasp now.

Gather the family around you—lay out the plans for the new home.

Tell them you are going to build a home—and must have their assistance. Explain that it may mean the sacrifice of temporary pleasures in order to attain the permanent pleasure of a home.

Moving is a humiliation to everyone—a sign of defeat as it were. Even the children will be glad to save the nickels and dimes to have a home of their own. If you desire that your children be leaders in the community give them a foundation to work on—and let them help—BUILD—THEIR—OWN—HOME.

Walters-Bushong Lumber Co.

25 years lumber service in Eugene as manufacturers and retailers of lumber. Our history dates back for 25 years of continuous operation in this city. Our company was originally known as the Elmira Lumber Co. During this long period Eugene has more than doubled its size, so has our business. Originally, orders were usually small, mostly dwellings or repair work; today large construction is common. Our lumber delivery for the Eugene Hotel alone, amounts to \$350,000 feet. To better care for this increased demand, we have moved our manufacturing operations from the country to Eugene and we are now operating planers, moulders, resaws, edgers, etc., at our own retail yards at 4th and Pearl streets. We consider our skilled help a principal asset. Our operators and graders have long been in our service and a uniform standard of dimensions and grades is our constant effort. We hope to be at our patrons' service for another 25 years.

GOOD BUILDING MATERIAL IS THE MOST ECONOMICAL

The lasting qualities of your new house will depend entirely on the class of building material you put in it. Before you decide we shall be pleased to talk with you about that material.

We have everything you need in the Hardware line for your new Home.

Eugene Hardware Co.

Corner 9th and Oak St. Phone 670

FINGER marks, blemishes and disfigurements come quickly on newly decorated walls, but they amount to nothing because they can easily be washed away if your walls are finished with

Velumina Washable Wall Paint

You'll thank us for recommending it, when you find that easy washing takes the place of re-decorating. Besides, it is the only paint that gives walls the soft tones that belong to good decoration—shows no laps or brush marks.

Plumbing plays the same part in a building that the nervous system does to the human body.

It is intimately connected with your daily life and the preservation of your health. There isn't anything more comforting than properly installed plumbing.

One of the first considerations for a "better home" is proper mill work. The mill work is the "evening dress" of your home. You want it as perfect as it can be made.

Let Gas be the Finishing Touch That Will Assure Your Home Comfort.

Of course the new home will be piped for gas! It's almost as essential for comfort and convenience as doors and windows and a roof.

If you're building this summer, notify us now. Or if you intend to have "the old nest" made modern and up-to-date with Gas Service, let us know. Call at our office and let us demonstrate new Vulcan Smooth Top Gas Range.

Free estimates on any installation—new house or old. Just phone 28, or come into the office.
