Confidence! THE largest-selling tire made in any Pacific-Coast-owned factory is the C-T-C.

Today the largest-selling tire, a year ago C-T-C was "on its way up"!

Yet it has taken twenty-five years' tire-building experience to build C-T-C!

Behind C-T-C stands a staff of engineers whose experience in Akron factories runs back more than a quarter century!

When you need new tires, let us show you what the C-T-C can do. Or, better still, call in now and get acquainted with this tire that has "made good" quickly because of remarkable mileage records.

GUSHER OR GASSER? Are you coming in a gusher or a gasser—a might have been?

Indications of what you are today determine largely what you will be later on. The sands of Thrift bear oil. The rocks and mud of Waste just seal you up.

A little sand and steady drilling will bring you in.

A Jantzen puts the joy in swimming!

OUT in the coolest spot you know—find the fun of swimming this Fourth-of-July in the complete comfort of a Jantzen Swimming Suit!

Jantzen has literally taken the country by storm! Designed and patented but seven years ago by Carl Jantzen, expert Pacific Coast swimmer, the suit is now the largest seller wherever people swim!

Today the newer freedom of the Jantzen is the choice of millions. Along the Maine resorts, Narragansett, Long Island, Atlantic City, Florida, the Great Lakes, Galveston—up and down the Pacific Coast, and at Honolulu, Jantzen wearers are in the majority!

Jantzen-stitch is elastic—no other knit fabric like it! Modest—fits the body perfectly, wet or dry. The non-rip crotch and bow-trunk pattern are exclusive—patented. Jantzen made the first suit with a non-breakable rubber button.

This coming week is National Jantzen Week. See our Jantzens for men, women, and children. See the new "speed suit." Compare a Jantzen with any other suit. Buy one—and you'll know why it's called "The suit that changed bathing to swimming."
