SANTA BARBARA RAZED; QUAKE ROCKS TOWNS

SEVERE QUAKE HITS MONTANA; LOSSES HEAVY

Series of Shocks Rock State Starting Saturday; Rail Trains Delayed

Damage is Estimated at Half Million; No Lives Reported Lost

HELENA, Mont., June 29.—Helena people were awakened at 2:20 o'clock this morning by an earthquake shock that lasted seven seconds. No reports of damage by the latest of a series of shocks that started Saturday evening, have been received.

HELENA, Mont., June 29.—(AP)—Residents of the Gallatin valley, the apparent center of the earthquake which shook four states Saturday night and yesterday fastidiously remained out in the wide open spaces today, looking back at about \$200,000 worth of ruins—the aggregate cost of the temblor.

HELENA, Mont., June 29.—(AP)—It was a whimsical earthquake. No one was killed. Nearly a score of buildings cracked and fell. There were a half dozen land slides. A crevice extending in irregular intervals from Manhattan to Three Forks, a distance of 10 miles, remains as one of the scars caused by the quake. The Lardner tunnel of the Chicago, Milwaukee and St. Paul railroad suffered a cave-in and an avalanche near Deer

MAYOR VOICES PLEA FOR FIRE BOND PASSAGE

Voters Asked to Support Plan on Ballot at Special Election Here

Polling Places Will be Open in 4 Wards Tomorrow, 8 a. m. to 8 p. m.

FACTS ABOUT SPECIAL ELECTION TUESDAY Questions to be Voted on To bond city for \$25,000 to pay for fire apparatus already purchased and in use.

To prevent any mistake being made by Eugene voters at the special city election tomorrow, Mayor E. B. Parks today explained the questions to be voted upon, and urged a favorable vote on all the measures—the measure for \$25,000 and the intersection paving and re-assessment amendments to the city charter.

The fire measure eliminates the costly and bothersome bond elections for providing money for paving intersections, and the second makes it possible to correct an error in assessing for pavement without starting in at the beginning and going through the whole elaborate process again.

The council and leading business men of Eugene advise the voters to approve these measures," said Mayor Parks, "because they are in the interest of economy and simplification of city government."

FIRE BREAKS IN LAKEPORT SANTA ROSA, Cal., June 29.—(AP)—The town of Lakeport, county seat of Lake county, is in flames. Wire communications were prostrated at 1 p. m., at which time it was reported that one block in the business section had been destroyed and the fire was spreading rapidly before a high wind. Help was rushed from Lower Lake, Upper Lake, Middletown and other nearby points.

QUAKE SUMMARY IN CALIFORNIA

Estimated losses as result of earthquake are \$10,000,000. Twelve known dead with many others still in ruins it is believed.

The first temblor was felt at about 6:40 a. m. This early hour undoubtedly saved the lives of many as the principal business buildings which were demolished were practically unoccupied.

Red Cross relief work is started. Trains to run to stricken area.

Relief stations are opened at Santa Barbara.

Bursting of water mains causes floods which add to damage to property and terror of residents.

Earthquake shocks were felt at Los Angeles, Long Beach, Bakersfield, Alhambra, Anaheim, Santa Maria, Santa Ana and San Pedro.

No damages reported from any California community with the exception of Santa Barbara where force of quake seemed to center.

Southern Pacific railroad lines are twisted but service through to Santa Barbara is re-established.

Telegraphic communication cut for several hours but Associated Press wire is re-established. Southern Pacific wire is also re-established.

President Coolidge sends word that all federal facilities should be extended to the relief of the stricken city of Santa Barbara.

Secretary Wilbur of the naval department orders forces to stand by if relief is called for.

More than 200 miles of Southern Pacific track are reported to have been thrown out of alignment at various points by the earthquakes.

Santa Barbara mission, queen of the California missions, falls to ruin as worshippers pray.

LOS ANGELES ALSO ROCKED BY QUAKES LOS ANGELES, Cal., June 29.—(AP)—A severe earthquake shock rocked Los Angeles at 6:43 o'clock this morning.

Downtown buildings swayed considerably, but the movement was slow and even and there were no indications of damage, although the motion continued for more than a minute.

The earthquake continued at intervals but all were the slow steady, yet extremely severe movements. The tremors were felt as far north as Newhall, some 21 miles from here, according to telephone company reports.

The tremors were continuing at 6:56 o'clock. Bakersfield, Oxnard and Santa Barbara.

LOS ANGELES, Cal., June 29.—(AP)—An eye witness account of the Santa Barbara earthquake was brought to Los Angeles today by Dr. Frederick V. Fisher, lecturer for the Los Angeles chamber of commerce, who was aboard a Southern Pacific train passing through the city when the temblor occurred.

"We were just pulling out of Santa Barbara for Los Angeles when our train began to swing sharply from side to side," he said. "It felt as though we had jumped the track."

LOSS ESTIMATED AT \$10,000,000; 12 KNOWN DEAD

QUAKE DEATHS AND BUILDINGS ARE REPORTED

Many Structures Topple Into Streets; Reservoirs And Pipes Burst

Early Hour of Disaster Held Fortunate as Blocks Unoccupied

SANTA BARBARA, June 29.—The main scene of destruction is State street, the principal thoroughfare. The Sheffield water supply reservoir dam burst and flooded the east side adding to the terror of the inhabitants.

Buildings practically destroyed include the Samarkand hotel, New California hotel, San Marcos building, Elk building, First National bank, American Legion building, public library, Moose hall, Knights of Columbus hall, Presbyterian church, Hall of Records, county jail, El Nido hotel, St. Francis hospital, St. Vincent orphanage, the latter two new and costly structures.

The main section of the Arlington hotel came down. Mrs. Charles H. Perkins, widow of the former president of the Chicago, Burlington and Quincy railroad, was

FEDERAL HELP FOR QUAKE AREAS SENT FLYMOUTH, Vt., June 29.—(AP)—President Coolidge today directed Acting Secretary of War Davis and Secretary Wilbur of the navy department to give all possible aid to Santa Barbara.

WASHINGTON, June 29.—(AP)—Orders were sent by the navy department today to the commandant of the Eleventh and Twelfth naval districts at San Diego and San Francisco, to give all possible assistance in the earthquake zone.

Dr. Willis Predicted Santa Barbara Quake PALO ALTO, Cal., June 29.—Dr. Bailey Willis, noted seismologist at Stanford university, who predicted an earthquake in the general region of Santa Barbara, is now in that city.

Business District Wrecked; Water Mains Burst

SANTA BARBARA, Cal., June 29.—By The Associated Press)—Ten million dollars damage, 12 known dead and virtual destruction of most of the business buildings on State street resulted from an earthquake here at 6:45 a. m. today. The scene of the destruction was visited by a staff man from the Los Angeles office of the Associated Press.

MANY ARE INJURED SANTA BARBARA, Cal., June 29.—Four persons are known to have been killed and from 100 to 300 were injured in earthquake that shook this city at 6:45 a. m. today, damaging practically all structures in the city and wrecking several of the largest buildings.

The San Marcos building, the largest business structure in the city, completely collapsed along one-third of its length. The Arlington hotel and the St. Francis hospital were partially destroyed.

One of the four known dead, a Mrs. Perkins, wife of a wealthy railroad man, was killed in the collapse of a wall of the hotel.

The other three persons killed were found in the wreckage of business buildings on State street. They had not been identified at 11 a. m.

The earthquake appeared to center in the business district. There were two severe shocks at 6:46 and 6:47 followed by about 20 others of minor violence.

Survivors of the San Francisco earthquake of 1906 residing in Santa Barbara declared today's shock exceeded the northern temblor in violence.

The twist of the quake broke water and gas mains, snapped telephones and telegraph wires and broke the reservoir supplying the city with water.

Breakage of the reservoir did not, however, cause any damage so far as known. Telephone communication with Los Angeles that was restored about 10:55 when a single line in a garage was found to be functioning.

State street has been closed to traffic from the Arlington hotel to the beach, owing to the danger of badly damaged business blocks collapsing.

It is feared that there may be considerable loss of life particularly in the ruins of the Arlington hotel, one of whose walls collapsed like an egg-shell.

The main street of the city upheaved and buckled under the temblor and as the water mains parted geyzers shot up through the pavement.

Accompanying the quake were tremendous waves which rushed in from the bay flooding the lowlands. The largest building in the city, the Granada block, withstood the shock.

SANTA BARBARA, June 29.—(By The Associated Press)—The Southern Pacific railroad company reports sixty-five dead at Santa Barbara as a result of the earthquake.

SANTA BARBARA, June 29.—(AP)—State street is the main thoroughfare of Santa Barbara. It extends from the beach for a distance of several miles. Business blocks ranging in height from two stories to ten line each side of the street. These buildings are mainly of brick and concrete construction. The Arlington hotel, one of the famous resorts, is on Upper State street, about a mile from the beach.

The First National bank and one school were destroyed at Santa Barbara, the Southern Pacific company learned.

TEMBLOR AT SAN PEDRO SAN PEDRO, Cal., June 29.—(AP)—Two earth tremors of moderate intensity were felt here today between
