WHEN VACATION CALLS!

Deep in the most of us is a primitive strain—no doubt about it, else why should the urge of the great outdoors be so strong upon us. The lure of the beach, the mountains, of streams and trails is irresistible—the call of the wild maybe—but more likely the uncontrollable desire to throw off the fetters of civilization and enjoy a life unhampered by conventions.

EXTRA SALESPeOPLE—BETTER THAN EVER SERVICE, THESE LAST TWO BIG DAYS BEFORE THE FOURTH!

A Jantzen puts the joy in swimming!

OUT in the coolest spot you know—find the fun of swimming in this Fourth-of-July in the complete comfort of a Jantzen Swimming Suit!

Jantzen has literally taken the country by storm! Designed and patented but seven years ago by Carl Jantzen, expert Pacific Coast swimmer, the suit is now the largest seller wherever people swim!

Today the newer freedom of the Jantzen is the choice of millions. Along the Maine resorts, Narraganset, Long Island, Atlantic City, Florida, the Great Lakes, Galveston—up and down the Pacific Coast, and at Honolulu, Jantzen wearers are in the majority!

Jantzen-stitch is elastic—no other knit fabric like it! Modest—fits the body perfectly, wet or dry. The non-rip crotch and bow-trunk pattern are exclusive—patented. Jantzen made the first suit with a non-breakable rubber button.

This coming week is National Jantzen Week. See our Jantzens for men, women, and children. See the new "speed suit." Compare a Jantzen with any other suit. Buy one—and you'll know why it's called "The suit that changed bathing to swimming."
