Said Project consists of a pipe line about 36,700 feet long with concrete intake structure and various appurtenances. Pipe line will cross Willamette River and McKenzie River below water level. Bids will be considered on a basis of the bidder furnishing all material in place. Alternate bids will be considered for 27-inch and 30-inch diameter pipe using steel, creosoted wood or reinforced concrete materials. Separate bids will also be considered on River Crossings and intake.

All material and work to be furnished and done in accordance with plans and specifications on file at the office of the Water Board, Eugene, Oregon. A copy of said plans and specifications may be seen at the office of the Consulting Engineers, Portland, Oregon, where they may be examined by bidders. Any one contemplating a bid may obtain an extra copy of the plans (28 sheets, 22-in. by 33-in. in size) and specifications for personal use, by making application to the Engineers, accompanying said application with a deposit of Twenty-five ($25.00) Dollars. Fifteen ($15.00) Dollars of said deposit will be returned to the depositor upon return of the plans and specifications in good condition, within five (5) days after date bids are received.

A certified check or bidder's bond in the sum of Ten Thousand $(10,000.00) Dollars, made payable to Eugene Water Board shall accompany each bid for the whole project or pipe line alone. If the bid is only on River Crossings or Intake the check shall be for 5 per cent of the amount of the bid.

Bidders should allow ample time for examination of plans and the work involved.

The Board reserves the right to reject any or all bids, and to waive technicalities and irregularities if it deems such action to be for the best interests of the City of Eugene.
