NANCY PAGE Nancy's Syllabus and Trifle Score a Sensation By Florence La Ganko

The Nancy Page club was being entertained at Nancy's home on George Washington a birthday. There were certain refreshments, which she knew she would serve without the question of a doubt. Chubby ice or sherbet was her first choice. With that she planned to pass syllabus and trifle. She had had to ask Peter's mother who had the fine old English traditions just how these foods were made for the early American colonists had brought English recipes and customs with them. This was particularly true of the Virginia colonists.
