

Salem Here for Valley League Battle Sunday; Team is Strong

NEW OUTFIELD IS ADDED TO LIST OF SENATOR COHORTS

With Salem and Bend leading the league with one game apiece won and Eugene and Albany tied for second place, the team is expected to break into a four-way tie for the leadership, the second game of the second round of play in the league will be played at Eugene on Sunday afternoon.

The team will be host to Salem in a game at the Eugene fair grounds stadium at 2:30 o'clock. Salem defeated Eugene in the first game of the season on April 14, at Salem, and the team staged a comeback against the Senators here later, taking the lead in the series on the local diamond.

The game between the two aggregations this season, since the last game was played at Eugene, has been a struggle between an entire new outfield of hard-hitters. Olinger, frosh pitcher, has added new strength to the team. He hit for an average of .333 in the game against Albany last week. In center field, he will be joined by former Oregon State college pitcher, Ed Morris, who pitched for one of the fastest outfields in the league. In right field will be Harry Dutton, who played with Eugene in the last Salem game. All three are hard and consistent hitters, and fast fielders. Gould, especially, has been hitting far and often.

The Salem infield presents a new and interesting group. Billy Sullivan, Jr., first base, is one of the most likely to lead the team. He is a neat fielding first baseman and a fair hitter. Heenan, second base, is a fair hitter. Heenan and Koser are two other former high players, and have been making great promise. They have been together for some time, and know each other's methods. Both are hard-hitters. Red Hiding at shortstop completes the infield. Red hasn't been hitting so hard, but has been doing better than in the best days of Eugene State college.

Edward, catcher for the Senators, is a manager. He is a former league player and a colorful player. Beck will line up with Baker and Bliss catching. Don Kuser will be on first, Frank Graham second, Chuck Wirth at short, and Harry Dutton at third, and Gould, Van Duyn, and Skeet Manerud at fourth in the outfield.

The last workout for the Eugene team will be held Saturday evening, in preparation for the game. A victory for the home team would give a record of unbroken wins in the league, and Eugene won in a 10-0 game. Bend came as a league leader since Eugene bumped her over. Local fans have become accustomed to fast and hard games on the fair grounds diamond, and Sunday's game will provide the best thrills of the season to date.

Sensational Hurler of Red Sox

Here is big Ed Morris, whose pitching for the Boston Red Sox this season has been one of the high spots of the American League campaign. Although this is his first year in the major leagues, Morris had won 10 games while losing only four for the lowly Red Sox when the month of July got under way. He was with Mobile in the Southern Association last year, but his nice work this season leads to the prediction that he will be around the majors for some years to come.

TUNNEY TO TAKE JAUNT IN PLANE

SPECULATOR, N. Y. July 21.—(AP)—Unless Tex Rickard's attorneys can outwit the champion's legal advisers, Gene Tunney will make the trip to New York on July 28 for his bout with Tom Heeney by airplane and no other way.

The plane will be piloted by Benet Balchen, member of Commander Richard Byrd's trans-Atlantic crew. Tunney expects to land at Curtiss field at noon on the day of the fight, two hours after the take-off here.

Tunney refuses to believe that he will be running any risk by making the flight and he rejected the suggestion of Billy Gibson, his manager, to take out a half-million dollar insurance policy.

"What good would a half-million be to me if I was killed?" Gene countered when newspapermen queried him about the policy. "I think the proposition is silly."

Rain prevented the champion from working out yesterday. He wanted some action and was on the point of leaving the storm when he recalled that he suffered from lameness of the shoulders at Stroudsburg when he worked out during a shower before his first fight with Jack Dempsey.

For a boxer approaching fighting peak, Tunney is in an exceptionally happy frame of mind. Most fighters reaching the edge are ill-tempered and impatient but Gene has yet to lose his temper or poise.

Three more workouts and the champion will be in remarkable physical shape for his titular defense against the sturdy New Zealand blacksmith. The title-holder was due to take the first of these workouts late today. He will work out tomorrow and close the preliminary campaign on Monday.

Canary

CANARY, July 21.—(Special)—S. J. Kerman, contractor of Reedsport, arrived Thursday evening with four trucks and eight men and began Friday morning to haul and spread gravel on the newly graded road on the Berrydale hill. Mr. Kerman will have a haul of from three to five miles and will work 16 hours each day to get the work done quickly as he has another contract of 12 miles between Lakeside and Reedsport. The men are boarding at the home of Mr. and Mrs. C. B. Caylor.

Kenneth, Gladys and Lovell Groves motored to Middle Creek Monday evening and spent the evening at the Black home.

Mr. and Mrs. Eastman Severy and two children of Fawn spent Thursday at the H. W. Prouty home at Herrysdale.

Edwin Culp of Portland arrived Friday morning for a visit with Lovell Groves.

PHILS WIN OUT AS BEST LOSERS

(By The Associated Press)

When it comes to losing streaks, Burnt Shotton's futile Phils can give any team in the National League, including the Boston Braves, ace and spades and still have better than an even chance of victory.

No other club in the circuit has developed to such a degree the difficult art of kicking away bad games.

When the Quakers bowed to the Cardinals at St. Louis yesterday, 5 to 4, it marked their twelfth consecutive defeat, eight of them, including the last three, by one run.

Old Groves' Cleveland Alexander stood the Phils on their heads for second innings in yesterday's battle, allowing only one hit in that time. But the Quakers knocked the veteran out of the box in the sixth inning with a four-run rally that just failed to tie the score. Ardy High, Cy Williams and George Harper hit home runs, it being the latter's thirteenth of the season.

Six games to the rear of the leaders, the New York Giants moved into second place by taking over the Chicago Cubs, 4 to 3. The clan McGraw scored three runs in the last two innings when Pat Malone, former American association strike-out king, weakened.

Red Lucas made the Braves jump through hoops all afternoon as the Cincinnati Reds evened the series, 3 to 2, and moved to within a game of the third-place Cubs.

The Pittsburgh Pirates took it on the chin again at the hands of the Brooklyn Dodgers, 8 to 7, in a wild, free-hitting game. Six pitchers saw service and only Watson Clark, the third and last Robin twirler, was effective.

The Philadelphia Athletics may not be able to make much of an impression on the lead New York Yankees have amassed in the American league but at least they've demonstrated their ability to stave off the bid of any rival club for second place. The third place St. Louis Browns came to Philadelphia on Thursday within striking distance of the runner-up post but the A's beat them in both ends of a double-header with Walberg and Hommel pitching gilt edged ball. George Earnshaw took his turn yesterday, allowed the Browns three scattered singles and fanned ten men as the A's made it three in a row, 4 to 0.

Washington rallied in the late innings to defeat Detroit, 7 to 4. After

HEENEY BACK IN HARNESS AGAIN

FAIRHAVEN, N. J., July 20.—(AP)—Refreshed by a day's lay-off from the training grind, Tom Heeney slid back into the harness today for his last three days of boxing before he enters the ring against Gene Tunney at the Yankee stadium next Thursday night.

Heeney did no work whatever yesterday. He forgot about training for the fight and everything else while spending the entire day sailing over the Atlantic in a private yacht.

Tomorrow will mark the end of Heeney's hard licks in the gymnasium. He will perform before the critical eyes of Jack Dempsey and Tex Rickard. On Monday he will bring his boxing to a close. Light work on the punching bags, rope skipping and shadow boxing will constitute the day's work for the challenger on Tuesday. There will be no work at all on Wednesday, except perhaps, a long walk in the cool of the early morning.

Dempsey as a visitor will be in a strange role. Before he was champion he never bothered watching what other fighters were doing until he traded punches in the ring with him. As heavyweight champion, he never considered watching his challengers in training and for the last nine years he has appeared in every heavyweight title bout.

Dempsey has on idea of boxing with Heeney but may impart some import information to the challenger. Through his two meetings with the present champion, Dempsey is in a position to tell what he knows of Tunney's weaknesses, if any.

Glenada

GLENADA, July 21.—(Special)—A party was given Thursday for Mrs. Clyde Beals at the coast guard station. Sills called for the ladies with the coast guard boat and returned them to their homes.

Charlie Gay has enlisted for a four year term of service in the coast guard and moved his family to the station Wednesday.

The Home Economics club met on Thursday at the home of Mrs. Levina Mitchell. Those present were Mrs. Chester Flint, Mrs. M. E. Parkhurst of Florence, Mrs. Hanson and Mrs. Frank Compton. The ladies finished a quilt at this meeting; ready for the frames, which they will complete next Thursday at Mrs. Mitchell's home and will later be sold.

Portland Drubbed Again by Oakland

(By The Associated Press)

Oakland cinched their series, winning from Portland 3 to 1. Baecht pitched good ball for the Beavers allowing only six hits, but as they were bunched in two innings the Oaks tallied enough runs to win. Boehler allowed the Beavers eight hits but kept them well scattered. The Batteries: Boehler and Reed; Baecht, Ponder and Rego.

Sacramento continued its winning streak and shut out Seattle 4 to 0 to cinch the series. The Senators made three of their runs in the first inning through French's single, Monroe's triple, a pass to Sheeley and Hoffman's single. The final run was made in the fourth on hits by Hoffman and McLaughlin and a double by French. The Batteries: Keating and Severeid; Cole and Schmidt.

The Seals turned on Hollywood after losing three in a row and smothered the Stars 12 to 2. Every San Francisco player except Rhyme hit safely at least once. The Batteries: Reuther and Sprinz; Fullerton; Hulvey and Acosta.

The Missions took another from Los Angeles, 6 to 3. The Bulls got the jump, scoring one run in the initial frame. They kept their lead throughout and the final result was never in doubt. The Batteries: Holling and Baldwin; Cunningham and Hannah.

Wrestler Resorts to Fists in Ring

CHICAGO, July 21.—(AP)—An advertised wrestling match turned into a fist fight last night when Johnny Meyers, former middleweight champion, lost a decision to Karl Pojello, the Turkish strong man.

Meyers chose to fight instead of wrestle. He struck Pojello twice and hit Referee Thiry in a third attempt. The match was stopped, but Pojello tried to force Meyers to the mat. A thousand fans crowded around the mat as fists flew between the principals.

Commissioner Paul Pohn of the Illinois state boxing commission announced Meyers' purse would be withheld, and the ex-middleweight champion would be suspended for a year.

Virginia Van Wie Again is Champion

Chicago, July 21.—(AP)—For the third straight year, Miss Virginia Van Wie is the champion woman golfer of Chicago.

Shooting a remarkable game over the soggy fairways of the difficult number one course at the Olympia Fields country club, Miss Van Wie easily defeated her rival, Mrs. Melvin Jones, 8 and 4, the 18 hole final of the city tournament yesterday.

With her victory, the second in three years over Mrs. Jones in the finals of the event, went permanent possession of the city trophy. Mrs. Jones, who has won the title four times, is possessor of the first trophy.

On the tee, fairway and green, Mrs. Jones was no match for her opponent, who bagged three birdies and one eagle. Mrs. Jones, who shot a 78 to win the medalist honors and probably the best round of golf ever shot by a woman on a championship course, was able to win but one hole from Miss Van Wie—the 510 yard tenth.

FOSTERING FAMILY LIFE

There's home appeal in every line of The Amherst, with its substantial looking bricks, shaggy, overhanging roof, bay window, and staunch brick chimney.

One can fancy the happy family parties that might gather in the spacious living room with its double exposure, its cheery fireplace and attractive layout that permits a decorative staircase at one end and a joy-giving sun parlor off the other.

Original are the floor plans of The Amherst. The dining room enjoys a bay window, with a cozy seat under it. In the kitchen one finds all the modern time-savers, and the breakfast nook off it has a long window out which one may gaze while eating.

More original, even, is the upstairs. It boasts a balcony of no mean dimensions, with a roomy hall that would give one a leisurely sense of space, leading to it. Off the large bedroom, a small room snugles up under the eaves, perfect for a child's bedroom.

There is more closet space in this home than one would dare hope for: double closets off the big bedroom, with a big, extra one with windows in it, to hang up the extra-extras; a linen closet, and spacious closets in the other two rooms. The cost of the Amherst is from \$7600 to \$8600.

Are your Telephone customers WALKING OUT?

A lone clerk can't serve a number of eager customers all at the same time. Nor can one telephone line.

Customers at the counter often walk out if kept waiting, even though the cause is evident to them. Telephone customers, without this visible evidence, are only too likely to place their orders elsewhere if they are repeatedly discouraged by busy signals.

Complete telephone service in your place of business, including a sufficient number of central office lines, is the best assurance that your telephone customers are not "walking out".

At our business office, specialists will gladly assist you in planning complete service to meet your particular requirements.
