## SMITH FUNERAL TO BE SATURDAY

The funeral services for the late George W. Smith, who passed away Thursday, are to be held at the Veatch chapel at 10:30 o'clock Saturday morning, Dr. E. V. Stivers, pastor of the First Christian church, will officiate and interment will be in the Masonic cemetery.

Mr. Smith died at his home at 74 Thirteenth avenue east. He was a native of Lane county, born here Dec. 17, 1863, and had lived here practically all his life. He was the son of Mr. and Mrs. Homer Smith, early residents of this community.

His father was an old-time stage driver on the Oregon-California route. After his death, Mrs. Smith married David C. Underwood, prominent in the city's early life.

George W. Smith was married in 1885 to Belle Stevens. She passed away in June, 1927. Mr. Smith attended the university in the 80's. He was deputy sheriff in Eugene for two years about 30 years ago, serving under James E. Noland.

Two sisters, Mrs. Mattie Peley and Mrs. Kitty Jones, wife of an early day physician here, passed away a number of years ago. Mr. Smith was a painter and decorator by trade and during the past 35 or 40 years did many of the large contracts in his work here.

state for Mr. Hoover and Governor Smith.

Hoover polled 1,406,488 of these and Smith 1,507,457 in Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, South Carolina, Texas, Virginia, and North Carolina, all of whom had supported the democratic presidential candidate since reconstruction days until the present election.

Mr. Hoover's southern vote was more than double that of Mr. Coolidge four years ago and almost twice the combined figures for the president and Senator LaFollette that year. It came within 91,000 votes of equalling Mr. Davis' total in the same territory.

The vote of 30,798,693 showed a big jump over the figures for 1924, when 29,061,417 persons cast ballots in the presidential race. This increase was especially reflected in the south, Alabama as an example recording 248,981 ballots as against 160,593 four years ago. Other states in various sections showed a similar result.

The increase for the nation as a whole over 1924 was slightly more than 25 per cent. In the south the figures were approximately 33 1/2 per cent higher than they were four years ago.

Those claiming bounties Friday were Clyde Carder, Swishome, one wildcat; O. E. Carter, Lowell, one wildcat; I. M. Clark, Oakridge, 10 wildcats; Arthur R. Roney, Foley Springs, two wildcats; Walter Roney, McKenzie Bridge, one wildcat; Henry Lindstrom, McKenzie Bridge, one coyote; George H. Moody, McKenzie Bridge, one wildcat.

## ELECTION STORY

(CONTINUED FROM PAGE 1)

Pennsylvania gave him his largest majority 1867,796, while Governor Smith's largest plurality was in Louisiana where he had a lead of 13,495. While overwhelmed both in the popular vote and in the electoral college, Governor Smith's total was more than six million higher than the 8,386,503 cast for Mr. Davis in 1924.

Mr. Hoover's vote was higher in every state than that of Mr. Coolidge four years ago with the exception of Rhode Island. This held true in President Coolidge's home state of Massachusetts which was carried by Governor Smith. The governor's total was less than the democratic figure of four years ago in New Mexico, Tennessee and Texas, notwithstanding the large increase in the number of ballots cast.

The Hoover column shows he received more than a million votes in five states—California, Illinois, New York, Ohio and Pennsylvania. Governor Smith reaches the million mark in Illinois, New York and Pennsylvania.

States of the once-solid south recorded 3,094,145 votes for the two major party candidates, almost a million less than cast in New York
