

GROVE YOUTH IS SHOT BY FRIEND IN HUNT MISHAP

COTTAGE GROVE, Jan. 21.—(Special)—Irwin Alexander Small, aged 21 years, was accidentally shot and killed Saturday afternoon four miles west of London while hunting in the woods with Claude Shortridge, aged 19. The boys had been neighboring friends for several years and made plans to separate, each going in a certain direction. Irwin did not go to the ridge designated and Shortridge mistook him for an animal and fired. The ball pierced through the shoulder, proving fatal. Karl Mills, undertaker, brought the body to town last night.

Irwin Small was born at London Oct. 9, 1898 and has resided in Cottage Grove the past five years. His mother, Mrs. Florence Small, three sisters, Miss Anabel Small, Margery Small, Cottage Grove, Mrs. Ivan Abenns, London, and one brother, Wendell of Cottage Grove are survivors. Irwin graduated in the class of 1927 in Cottage Grove high school.

There will be no inquest. No arrangements have as yet been made for the funeral.

Mothers Warned Of Colds That Follow the Flu

Attack Weakened System and Pave Way for Pneumonia or New Case of Influenza.

BEST TREATED EXTERNALLY

Physicians advise that the chief danger in this epidemic is after influenza. Then, more than ever, cold attacking the weakened system may lead to bronchitis, pneumonia, or a second and more severe case of flu. This is especially true of children.

Flu nearly always leaves the stomach upset. Internal medication should, therefore, be avoided, as it so often further disturbs the digestion and thus retards recovery.

But if a fresh cold comes, don't let the child keep it overnight. Just rub Vicks on throat and chest at bedtime. As it is applied externally, Vicks can be used freely even on the youngest child, with no fear of upsetting a delicate stomach.

Vicks acts 2 ways at once (both absorbed and inhaled) to check the cold and avoid serious complications. And, of course, it is just as good for adults.

Portland Dairyman Locates Here

H. L. Duke, who came here from Portland recently to take charge of the milk department at the Independence creamery.

H. L. DUKE JOINS CREAMERY STAFF

The Independence Creamery announces that they have secured the services of H. L. Duke as superintendent of the production department of their creamery. Mr. Duke has had many years experience in the handling of dairy products, having been connected with several of the largest milk plants in the northwest. Before coming to Eugene Mr. Duke was superintendent of Steigerwalds Dairy in Portland.

"With the rapid increase of population in Eugene the importance of a modern milk distribution plant con-

SPECIAL MEETING HELD BY DAIRYMEN OF LANE COUNTY

A special meeting of dairymen of Lane county was held Saturday at the chamber of commerce. The various breed associations held their meetings during the forenoon and a basket dinner was provided by the Lane County Dairymen's association which sponsored the day's program.

During the forenoon speakers arranged in the morning the election of officers for the year was held. H. L. Plank, Junction City, was elected president; L. D. Griggs, Eugene, vice president; and Owen A. Thompson, Eugene, secretary-treasurer. This organization is known as the Lane County Cattle club.

After the morning sessions the luncheon was served with the following ladies in charge: Mrs. O. S. Fletcher, Mrs. Elmer Harlow and Mrs. Mable Chadwick.

Following the luncheon a general meeting of Lane county dairymen was held at which time speakers arranged for the association discussed various problems of interest to pure bred herd raisers. O. S. Fletcher, Lane county agricultural agent, opened the meeting with a brief statement of the purpose of such a meeting which he said was designed to advance dairymen as a whole in Lane county.

Diplomas, awarded by the National Dairymen's association to those whose herds averaged 200 pounds or better of butter fat yearly, were presented to B. H. Davis, Yax Condon, J. H. Gilmore and Hans Nilsson. The herds were tested by cow testing associations.

C. W. Robinson, field man for the American Guernsey Cattle club, spoke on "Pure Bred Sires; Their Value and How to Sell Them."

"The real value of a pure bred sire consists in one thing, his ability to transmit to his offspring certain qualities of increase in production and a certain degree of type and appearance," said Mr. Robinson, in discussing the points of importance in deciding the value of a pure bred sire.

Five points of importance were mentioned by the speaker to observe in buying a bull. The individual himself, his ancestors, his producing sisters, his progeny and his advertising value to the herd were things to watch in purchasing an animal, he said.

Mr. Robinson advised against purchasing bulls without first examining them or at least having a picture to go by.

The complete program as it was carried out at the meeting was as follows:

9:45—Annual meetings of Lane county dairy breed promotion organizations (Jersey, Guernsey, and Holstein). Field men from the national organizations promoting these breeds will be present and help plan programs for the coming year.

12—Basket lunch. A hot dish (potatoes), coffee, cream and sugar will be furnished by the county dairymen's association.

1:15—General meeting of dairymen.

1:30—Call to order by C. B. Swanson, president Lane County Dairy association.

1:35—"Why a Dairy Day," by O. S. Fletcher, county agent.

1:45—"Pure Bred Sires; Their Value and How to Sell Them," by C. W. Robinson, field man for American Guernsey Cattle club.

2—"Testing Dairy Cows," by Ivan H. Loughery, field man for American Jersey Cattle club.

2:30—"Value of the Show Ring to the Dairy Industry," by R. F. Everly, field man for the Holstein-Friesian Association of America.

3—"Control of Infectious Abortion of Cattle," by N. C. Jamison, extension dairy specialist of the Oregon Agricultural college.

At the general business session of the meeting, the organization voted on Friday evening. At bridge Mrs. W. W. McFarland held high score. Mrs. T. C. Wheeler low. A dairy luncheon was served. Several invited guests were present.

The drill team of the Eagles lodge gave a pleasant dancing program last evening at the armory which was well attended. The Five Oregonian orchestra furnished the music. The proceeds of the evening are to be used to purchase new uniforms for the team.

Funeral services were held this afternoon for Mrs. Lane who died

Friday morning at the age of 84 years. Rev. W. J. Morrow of the Methodist church was in charge of the services at the Mills chapel. Mrs. Lane was a member of the W. R. C. Interment was at the A. F. & M. L. O. O. F. cemetery west of town. No. 240,001 was found abandoned at the south city limits near the Pacific highway. The car had been parked for some time in a ravine. Marshal Pitcher took charge of same. The car contained articles of clothing, rugs, groceries, etc. and had the appearance of having been stolen while the owner had been shopping.

Mr. and Mrs. Clyde Leonard of Albany spent the week-end with relatives and friends in this city. They are former residents.

Mrs. C. E. Frost will be hostess to the O. L. H. club at her home Tuesday afternoon.

HARMELODIANS TO SING FOR 2 EVENTS

The Harmelodians double male quartet will give the last of a series of four Sunday evening programs at Central Presbyterian church on Sunday, Jan. 27 when the church will hold a candle-light service at 7:30 o'clock.

The group of young men will also provide the music for the monthly "church night" at Central church (Thursday, Jan. 24 which will open with a 6:30 o'clock potluck dinner and reception for the more than 30 new members added during the past month. Dr. William J. Locke, returned missionary from China, will be the speaker.

More than 500 persons attended the program of negro spirituals presented by the Harmelodians Sunday evening, Jan. 20 at Central church. Glen Cole, one of the Harmelodians gave a short address on "Two Doors."

Leaburg

LEABURG, Jan. 21.—(Special)—It was announced that Tourston will give their play, "Professor Pop," at Leaburg school Saturday night, Jan. 19. On Tuesday night the play was given at Pleasant Hill.

Fred Harris of Vida went to Eugene Saturday and Mrs. Harris with her two children, Freddie and Robert Earl, accompanied him as far as Deerhorn, where Mrs. Harris visited with her mother, Mrs. Brown, and with her sister and family. Mr. and Mrs. E. E. Thielen, Mr. Harris joined them at the 6 o'clock dinner hour at the E. E. Thielen home.

Very few men worked Saturday at Booth Kelly construction camp. Friday morning the foothills were partly covered with snow and by night the hills and trees were entirely covered. Saturday morning in this locality the ground was covered with snow and a thick coating of ice where water was standing.

The boy scout troop of Deerhorn and Waverlyville was nearly 100 per cent in attendance, only one member being absent from the meeting on Friday night. More interest is manifested at the meetings of late.

Walter O'Dell and Paul Putnam had not been for a number of months at the Leaburg school. It was reported that Walter O'Dell was as good as a professional at boxing. Boxing formed part of the evening's entertainment. It was announced that a meeting will take place on Thursday night at Waverlyville to decide whether a community hall will be built. The Leaburg boy scout troop meeting was well attended, every member but two being present. Harry Moore, scout master, was there to conduct the meeting and Mr. Ayres was also present.

An electric radio has been placed in the home of Coy Lansberry. Mrs. Lansberry said they were enjoying the radio very much.

Theodore Leafdahl left last Thursday for Seattle, Washington, to be gone an indefinite time. Mr. Leafdahl just recently returned from Oakland, California, where he spent several months with his uncle.

Hugh H. Erlie for Fire Insurance.

LAND FOR VETERANS

WASHINGTON, Jan. 21.—(AP)—The department of interior announced today that 1,099 acres of land in Clackamas county, Oregon, will be opened to entry by ex-service men only on Feb. 18.

FORREST DUGGER DROWNS

SALEM, Ore., Jan. 21.—(AP)—Forrest Dale Dugger, oldest son of Mr. and Mrs. Glen Dugger, was drowned in the Valets mill pond while playing in a boat Saturday. The body was recovered and funeral services will be held from Independence Tuesday.

CRESWELL

CRESWELL, Jan. 21.—(Special)—Rev. and Mrs. C. G. Morris and family of Monroe were Creswells Saturday. Rev. and Mrs. Morris took lunch at the home of Mr. and Mrs. C. I. Kent and made other calls during the afternoon and the young folks visited with former school friends in town. Rev. Morris is just recovering from a severe attack of influenza which settled in his throat.

Mrs. P. C. Peet of North Bend and Mrs. J. Lapp of Marshfield visited this week at the home of Mrs. Peet's parents, Mr. and Mrs. J. S. Taylor. They returned to their homes Saturday. Mrs. Taylor accompanied them for a month's visit with her daughters at North Bend.

The officers of Evergreen camp 6346 Royal Neighbors of America were installed at an open meeting at the M. W. A. hall Friday evening. Eighty guests were present including members and families and friends. The hall was artistically decorated in the lodge colors of purple and white and all officers were dressed in white. A social time was enjoyed after the installation ceremonies and a supper of creamed chicken on biscuits, fruit salad, nickles, cake and coffee was served. Neighbor Nellie Ziegler as installing officer and Neighbor Anna Morton as ceremonial marshal installed the following officers for the ensuing term: orator, Helen Scott; past orator, Lulu Y. Kent; vice-orator, Rose Bush; chancellor, Anna Morton; recorder, Anna Grousebeck; receiver, Florence McKay; marshal, Jessie Kunt; inner sentinel, Nellie Bush; outer sentinel, Sarah Padden; manager, Alice Taylor; assistant marshal, Pearl Bush; musician, Margaret Warner; faith, Myrtle Neff; modesty, Hazel Peterson; courage, Ella Scott; unselfishness, Hilda Thompson; endurance, Julia Kivett.

Dr. W. A. Wheeler was unable to be present to be installed as physician property is this day withdrawn from the market.

ELEVEN DENTISTS ATTEND MEETING

Eleven dentists from Eugene attended the Southern Willamette District Dental society meeting in Corvallis Saturday evening. Dr. M. C. Harris of Eugene gave a paper on "Dental Education for the Laity." Dr. C. B. Willoughby of this city opened the discussion. A clinic on inlay preparations was conducted by Dr. C. A. Scott of Junction City.

Eugene was selected as the place for the next conference to be held Feb. 16. Those going to Corvallis from Eugene were Drs. Harry Baker, W. E. Hudson, M. C. Harris, W. B. Lee, J. M. Miller, Will E. George, M. D. Reimann, F. A. Relling, J. D. Tye, Harry W. Titus, C. B. Willoughby.

CRESWELL

CRESWELL, Jan. 21.—(Special)—The funeral of William F. Mouser a resident of the Swale district who died at the Pacific Christian hospital Saturday morning will be held Monday afternoon at 2 o'clock at the Schwering chapel. Rev. George M. Cromley of the Presbyterian church officiating. The interment will be in the Creswell cemetery.

Miss Lillian Traxler, registered nurse of Eugene, spent the week-end with her mother, Mrs. Clara Traxler.

Dr. H. A. Wheeler assisted in the morning services at the Methodist church Sunday. Mrs. Keith Martin and Mrs. T. H. Trevithick sang a duet "The Old Rugged Cross." Rev. Trevithick spoke from his subject "The Central Cross" taken from John 10. He mentioned the fact that all four apostles, Matthew, Mark, Luke and John gave complete descriptions in detail of Jesus' crucifixion but as writers of today, each used different phrases in describing the scene. The malefactor crucified with Jesus mocked him as some men of today do but one admitted their was no sin in the Christ. There are always two classes in society, the negligent and the impatient, each with the same opportunities, if not the same desires.

The Methodist Ladies will hold their regular business session at the Aid House Wednesday afternoon.

Highway Bridge Work to be Let

Contracts for the erection of the state creek bridge at Vida and the McKenzie river bridge at McKenzie Bridge on the McKenzie highway will probably be let at the next meeting of the state highway commission, according to Raymond Walsh, resident engineer of the commission.

The state creek bridge will be 50 to 60 feet below the present covered wooden bridge. The McKenzie Bridge structure will be 200 yards above the present one.

Contracts for rebuilding a seven mile section of the highway east of Springfield may be let at the commission meeting following the next one if right-of-way can be secured in time, said Mr. Walsh.

"--the after effects of Flu are more dangerous than flu itself"

Physicians advise that the chief danger in this epidemic is AFTER Influenza. Then, more than ever, colds attacking the weakened system may lead to bronchitis, pneumonia, sinus trouble, abscess of the ear, mastoiditis, or even the dread meningitis. This is especially true of children or old folks.

After A Flu Attack

- Do these 3 things until you regain your full strength:
1. Exercise moderately outdoors; get eight hours sleep with the bedroom well ventilated.
 2. Avoid overwork, sudden chills, and all excesses which may lower the body-resistance.
 3. Above all, stop every cold at the start!

At First Sign of a Cold—

Put some Vicks up each nostril and snuff well back. At bedtime, apply hot wet towels over throat and chest until the skin is thoroughly reddened. Then rub vigorously with Vicks. Spread it on thickly and cover with warm flannel.

Vicks acts 2 ways at once (absorbed and inhaled) and often checks a cold overnight. If by morning the cold still lingers, stay in bed and repeat the treatment every 4 hours.

Avoid Too Much "Dosing"

A peculiarity of influenza is that its toxins leave the digestive system upset.

Constant "dosing," especially in the case of children, still further disturbs the digestion and lessens the appetite, just when the body needs nourishment more than ever.

Vicks VapoRub is especially valuable here because it is applied externally, and so can be used freely at the first sign of every cold, without upsetting the most delicate digestion.

1918 and Now

As in 1918, Vicks VapoRub is again proving its value in the present epidemic. In spite of vastly increased capacity, the Vicks laboratories are once more operating all night long, as the public now demands over 375,000 jars every 24 hours.

Come In! We'll get you out!
