My Skin Was All Broken Out

"I was so ashamed of my pimply and blotchy skin that I felt like covering my face every time I met folks. It wasn't until I tried Rowley's Mentho Sulphur that I got any hope. Just three or four applications cleared my skin wonderfully. Sulphur is a remarkable thing for the skin, and as sulphur clears it, mentho heals the sore, broken tissue. This necessary two-fold action is what you get in Rowley's Mentho Sulphur. Long-standing cases of skin trouble are often cleared up in two or three days' time. Even fiery eczema yields to this marvelous combination. It brings instant relief from itching and smarting. Your druggist has Rowley's Mentho Sulphur in jars ready to use. Just 10¢. It's Rowley's."
