

IMPROVEMENTS ARE PLANNED BY GRANGE

CRESWELL, Aug. 26.—(Special).

A most interesting meeting of Creswell grange was held at the grange hall Saturday afternoon. The report of the executive committee relative to improvements on the place was accepted and they were authorized to go ahead with the work. The building will be moved back ten feet on the lot and placed on a concrete foundation and a concrete walk will be laid along the two adjacent streets. This will give the lot a much better appearance and allow for a lawn which will be landscaped and set to shrubs.

The ways and means committee is making plans for a harvest home supper to be served the first part of next month, the definite date to be announced later. Pomona grange was announced for next week, Aug. 31 at Lincolnton and a number of members are planning to attend.

The juveniles were invited in for the lecture hour. A lively spelling contest was put on by the worthy lecturer, Mrs. David Francis and an impromptu playlet put on by the members under the leadership of Mrs. J. Idehoff held an interesting meeting with games. A picnic is being planned for an early date.
