REGISTER FORECAST NOT CHANGED BY LATE COUNT

Lane Results Practically as Set Forth Yesterday HALL GENEROUSLY BACKED

For State Senator Magladry Leads Entire Ticket—Wheeler and Keeney Are Safely Nominated

Complete returns covering the bulk of the Lane county vote failed to change in any particular the results forecast in yesterday morning's Register from early and incomplete returns.

Lane county has given a substantial plurality to Charles Hall, of Marshfield, as the Republican nominee for governor, with Ben W. Olcott, the present incumbent, running second. L. E. Bean, of Eugene, is third. Other candidates received only scattering ballots.

For the Republican nomination for congressman from the first district, W. C. Hawley has been given a decisive plurality over Mr. Norblad, of Astoria, getting, in fact, a decisive majority of all the votes cast. For state treasurer, the vote was split between Lane county turned against O. P. Hoff, a former Lane county man, giving a heavy majority to T. F. Ryan, his opponent. For labor commissioner, a strong preference was recorded for C. H. Gram, the present incumbent.

Magladry Leads Ticket

For state senator, J. S. Magladry leads the entire ticket in the size of his majority over Walter B. Jones, the present incumbent. Mr. Magladry wins over his opponent by approximately two and a half to one. H. C. Wheeler, of Pleasant Hill, and B. F. Keeney, of Eugene, are safely nominated as Republican candidates for the lower house of the legislature, but a very pretty race has developed between F. L. Chambers, of Eugene, and Emmett Howard, of the River road. On the face of present returns, Mr. Chambers is leading by 151 votes. These figures include the city of Eugene complete, with 15 outlying precincts, nearly all in the western part of the county, yet to be heard from.

L. N. Roney has been nominated as the Republican candidate for commissioner, with J. D. Hamlin second, H. P. Markusen third and M. Svarverud fourth in the balloting.

Recall is Favored

Lane county has voted heavily for the recall of Fred A. Williams and Fred G. Buchtel as members of the public service commission, the vote against both being more than two to one. T. M. Kerlan is preferred to succeed Mr. Williams and Newson McCoy to succeed Mr. Buchtel. It was noted plainly throughout the entire balloting that the vote in favor of the recall was much heavier than the vote for the candidate to succeed the recalled commissioner.

The Democrats of Lane county evidence a strong preference for Walter M. Pierce as their candidate for governor. E. W. Zumwalt was nominated for commissioner by writing his name on the ballot.

The Republicans of Lane county voted heavily for Ralph Williams, the present incumbent, for national congressman over H. Fithian, his opponent for the place.

Fair Grounds Purchase in Doubt

Owing to the fact that most of the boards sealed up the figures on the fair grounds purchase with their tally sheet, the figures of the measure are meager. Complete returns from 13 precincts, well scattered over the county, however, indicate that the measure will be approved, it having received in those precincts a favorable vote of 595 to 294 against.

Following are the figures from 81 precincts out of a total of 98 in the county on various candidates:

JERSEY JUBILEE PLANNED

LANE COUNTY BREEDERS WILL GO TO SHEDD

Lane county Jersey breeders in quite large numbers are expected to take part in the first day's exercises and festivities of the Linn county Jersey jubilee to be held May 25, 26 and 27, according to Ira P. Whitney, county agent. A tour of the leading Jersey herds of the county will be made, starting from Albany on the 25th. J. C. Brown and son's herd at Shedd will be visited and the crowd will have a picnic dinner on the Dixon farm. It is here that the Lane county breeders and their families are expected to deposit their lunch baskets and join in the merry-making.

Mr. Whitney urges as many Jersey breeders of Lane county as possible to attend that day as it is planned to invite the Linn breeders to attend a similar event at the Owen Thompson farm at Blachly some time in June.

GEORGE TERRY SENTENCED

MAN WHO HAD STILL GOES TO JAIL SIX MONTHS

George Terry, who was arrested a few days ago when a large moonshine still was found at his home at the corner of Blair boulevard and second avenue-west, yesterday pleaded guilty to the charge of unlawful possession of liquor and was sentenced by Justice of the Peace Jesse G. Wells to serve six months in the county jail and to pay a fine of \$100.

Terry has previously been fined \$500 and sentenced to serve three months in jail for a similar offense but was out on bail pending appeal to the circuit court.

PENDLETON HIGH WINS

GRANTS PASS TEAM LOSES BY 2 TO 1 VOTE

Affirmative on Subject of Adoption of Graduated Income Tax for State Makes Better Argument

The debating team of the Pendleton high school upholding the affirmative defeated the debaters of Grants Pass high school by a 2 to 1 decision at Willard hall last night on the subject "Resolved that a graduated income tax should be a feature of the taxation system of the state of Oregon." The victory means that the Pendleton debaters are the state champions. The affirmative argued that a general property tax was inadequate, unjust and that a graduated income tax was more just and could be used as a source of more revenue. The negative on the other hand maintained that a graduated income tax would drive capital out of the state and that it was unjust.

The Pendleton team was composed of Corlyss Courtney, leader, Lula Garrett and Mrs. Laura T. Grunnell, coach. Representing the Grants Pass team were Rex Kramer, leader, Philip Fordyce and Miss Amanda Zabel, coach.

A. C. Strange, of Astoria, president of the debate league, presided, and the judges were Professor Clarence D. Thorpe, R. W. Prescott and I. O. Immel. President Campbell made a brief speech, and Professor E. E. DeCou, donor of a silver loving cup, presented it to the winners.

BOOZE BAIL IS FORFEITED

CITY IS NOW OVER \$200 BETTER OFF

One Man Becomes Drunk on Canned Heat Mixed with Grape Juice

T. G. Lawrence of Portland, arrested at 2:30 o'clock yesterday as he was sleeping in a car on the street and carrying a bottle of moonshine in his pocket, forfeited \$100 bail by not appearing in police court yesterday afternoon. After his arrest he gave the police the bail money to insure his appearance at 3 o'clock yesterday afternoon.

J. I. Fisher, who was arrested a few nights ago with half a gallon of moonshine, also forfeited his bail of \$115, put up when he was arrested by the police.

K. Anderson became "stewed" on the contents of a "canned heat" appliance and was arrested late Friday night. As he had but 15 cents in his pockets and said he had a good job with the Booth-Kelly Lumber company, he was allowed to go. Anderson told Judge King that he heated the wood alcohol concoction used to create the "canned heat" and squeezed the liquid into grape juice. He said it made a fine drink.

INSTALL PHONE EXCHANGE

FARMERS ADJACENT TO SPRINGFIELD ORGANIZE

Association Formed and Ross Matthews Elected President and C. E. Jordan Vice-president

The first definite movement toward establishing an independent telephone exchange of farmers' lines in this county was taken at a meeting at Springfield when Ross Matthews of Thurston was chosen president; H. K. Edrington, of Goshute, vice-president; C. E. Jordan, of Pleasant Hill, secretary; M. L. Wallace, of Jasper, treasurer; Ross Matthews, E. Y. Swift, of Pleasant Hill; W. L. Wheeler, of Pleasant Hill; D. G. Linton, of Pleasant Hill; John R. Berra, of Berra; and Cloverdale, were chosen as board of managers.

It is announced that it is the intention of installing the new exchange at Springfield as soon as possible and have the various farmers' lines radiating from that city in regular operation with the least delay possible.

This action on the part of the farmers of that section of the county is the result of the rise in rates on the farmers' lines.

JUNIOR WEEK-END CLOSES WITH BIG ANNUAL PROM

Ralph Couch and Bernice Altstock Win Cups ATHLETICS FILL THE DAY

Armory Transformed Into Fairyland for Dance With Crescent Moon and Lantern Decorations

The most successful junior week-end ever held at the University of Oregon, in the opinion of many, came to a close last night with the junior prom. Yesterday's activities included the final games of the Oregon-O. A. C. basketball game, the Oregon-Washington track meet, the state championship debate and the Oregon-O. A. C. tennis matches.

As a climax to the festivities of the past two days, the annual junior prom was held last night at the armory. The floor was crowded with couples and the large hall was artistically decorated in a moonlight effect, with small half moons dangling from the ceiling among lanterns. At each end of the hall huge crescent moons helped carry out the scheme.

Announcement was made at the junior prom that Ralph Couch, of Wallawa, and Bernice Altstock, of Portland, had been selected to receive the awards of the Koyl and Gerlinger cups respectively. Ralph Couch was a member of this year's basketball team and a letterman. He is a trustee of the university chamber of commerce and a member of Alpha Tau Omega fraternity and Alpha Kappa Psi, national honorary commerce fraternity. Miss Altstock has been a member of the glee club for three years and has been active in the women's league. She is a member of Pi Beta Phi and Mu Phi Epsilon, honorary musical fraternity for women.

The Koyl cup, presented by Charles W. Koyl, of the class of 1911, for many years secretary of the university Y. M. C. A., is awarded annually by a committee of the faculty to that man of the junior class who is in their judgment the best all-around man.

The Gerlinger cup, presented by Mrs. G. T. Gerlinger, regent of the university, is awarded under conditions similar to those of the Koyl cup to the best all-around woman of the junior class.

Patrons and patronesses for the junior prom were: Governor and Mrs. Ben W. Olcott, President and Mrs. P. L. Campbell, Mr. and Mrs. George Gerlinger, Judge and Mrs. J. W. Hamilton, Mr. and Mrs. A. C. Dixon, Mr. and Mrs. Charles H. Fisher, Dean and Mrs. John Straub, Dean and Mrs. Colin V. Dymond, Dean Edsabeth Fox, Mr. and Mrs. W. F. G. Thacher and Miss Mary Watson.

Officials Admit They Had Little Hope and Are Agreeably Surprised at Result

At the special city election Friday the measure authorizing the city council to issue bonds up to \$20,000 to pay for the paving of street intersections carried by a majority of 184 votes, according to the figures handed to Alta King, city recorder, yesterday by the judges and clerks of election.

City officials who saw the necessity of issuing bonds to pay for intersection pavement in order that a number of needed paving projects might be put through admitted yesterday that they had little hope that the measure would carry and were agreeably surprised when he vote was announced.

It is interesting to note that all precincts east of Willamette street except one gave a majority for the bonds while only four of the ten west of Willamette street gave a favorable vote. The vote by precincts follows:

YOUNG MEN SIGN FOR CAMP

THREE TURN IN APPLICATIONS TO LIEUTENANT GRAHAM

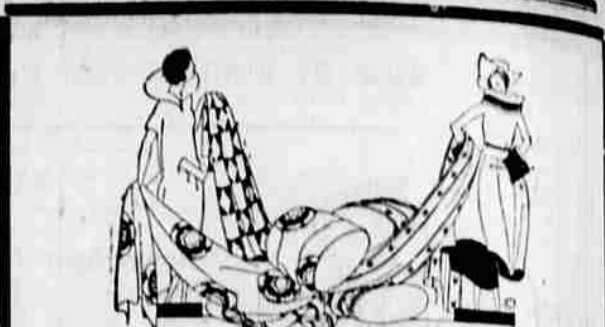

Enthusiasm Aroused Among Youth of This Section in Military Training

Frank Whittinger, Clara Heider and James Mack, all young men of this city, have sent in their applications for the citizens' military training camp, according to announcement of Lieutenant W. F. Graham of Vancouver barracks, who has been here for a few days working in the interests of this camp which is to be held at Camp Lewis this summer.

More than 50 applications have been distributed in Eugene and Springfield and hope was expressed by Lieutenant Graham that quite a large number will be forwarded some time within the next few days.

"The young men in this city appear to be quite enthusiastic about the camp and I am confident that Eugene will do its share towards filling the quota of 340 for Oregon and Kennebec, Wash.," said the lieutenant. "Of course, if there are more than 340 applications for enrollment in the camp the corps area commander will no doubt permit us to send these young men to Camp Lewis because Washington is far below her quota and Oregon's men can take their places. Personally, I would like to see this."

The general committee of the I. O. O. F. desires that all who can meet the trains with automobiles on Monday and Tuesday to convey grand lodge delegates to their rooms.
