

RED CROSS DRUG STORE

Make Remarkable Offer to Any Person in Eugene Who Is Weak, Sick, Nervous or Run-Down

It is now possible for you to come to this store, buy a regular \$1.10 package of Nuxated Iron, use it for two weeks, and if at the end of that time you have not received all, and even greater benefits than you expect, simply bring the wrapper back to Red Cross Drug Store and we will cheerfully hand you back your money.

Eugene people may well ask how we can afford to make this remarkable "Satisfaction or Money Back" offer. Medical examinations by physicians all over the country show that an amazing number of people lack 100% iron in their blood. At a recent conference, Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (Out Door Department), New York, and the Westchester County Hospital, said: "Without iron, the blood becomes weak, thin, pale and watery. In many people this so seriously weakens their vital organs as to lead them to believe that they have heart or stomach trouble, kidney disease, nerve force exhaustion or some other serious ailment. I have had people come to me thinking they had heart trouble, because they often had pains and palpitation of the heart, sudden dizziness, faintness or spots before the eyes. In a great many of these cases, the moment iron was supplied, all of these symptoms disappeared." We make this offer because Genuine Nuxated Iron contains true organic iron like the iron in your blood. So many people are deficient in iron who would surely be benefited by this remarkable remedy, that we recommend that you come right to the Red Cross Drug Store and get your bottle of Nuxated Iron. Use it for two weeks, and note the improvement in your own case in strength, energy and endurance. If you are not more than surprised at the results, just bring back the wrapper and we will promptly refund your money without question.

CLUB TO MEET FRIDAY EVE.

MEMBERS PLEASANT HILL COMMUNITY TO GATHER

No Program or Refreshments Have Been Planned for This Meeting as Picnic Occurs June 10

(Register Lane County Special)
PLEASANT HILL, Ore., May 30.—The Pleasant Hill Community club will hold its regular monthly meeting Friday evening, June 2. No program or refreshments have been planned for this meeting since the Pleasant Hill annual picnic comes June 10. After the short business meeting the evening will be turned over to the young people's games. There will be a short meeting of the Pleasant Hill Community club after the regular meeting to finish plans for the cafeteria luncheon to be served at the picnic. A large crowd is expected June 10 rain or shine. Full particulars regarding the program will be printed after the meeting Friday. A special feature of the picnic will be the demonstrations put on by the boys and girls clubs of the county under the supervision of Mr. Swan.

Call Club Hold Meetings

The Pleasant Hill Community call club held two meetings this past month, one with Mr. Allen and Mr. Swan, the other with Mr. Swan alone when he gave instructions on judging dairy stock. Three of the club members will attend the school at Corvallis this summer.

The Pleasant Hill garden club met at Taylor Church, home May 29 and elected the following officers: Paul Harden, president; Lyman Tinker, vice-president; Carl Linton, secretary and Torvel Robinson treasurer.

Sewing Club Is Active

The Pleasant Hill sewing club girls are meeting once a week now in order to finish their work before the picnic when they will have a display.

The Edenville sewing girls have been busy for several weeks and some of the members have dresses ready for their display picnic day.

The Trent camp cooking girls intend to have a very clever and suggestive demonstration June 10 which will open the eyes of some of the summer campers.

The clubs at Coast Fork and Willamette and possibly other clubs have some surprises ready, too.

ALL-DAY MEETING IS HELD

MEMBERS OF TRIANGLE GRANGE GATHER ON SATURDAY

(Register Lane County Special)
BLANCHLY, Ore., May 31.—Triangle Grange held an all-day meeting May 29 with a good attendance. This meeting was somewhat different from the regular monthly meetings—namely a clean-up day.

The men brought tools and two large fir trees were felled. The grounds were given the annual once-over, cleaning the rubbish and some leveling was in order, the grounds showing some improvements from the efforts of the day.

A business session was held at the close of labor in the afternoon, discussing some interesting problems. The large issue was that the grange announced the intention of having a big Fourth of July celebration, somewhere about Triangle lake, followed by a big dance at the grange hall during the evening.
