GIRL NOW WELL AND STRONG

Daughter Took Lydia E. Pinkham's Vegetable Compound as Mother Advised

Wauseon, Ohio.—"My daughter always had backache and leg-ache at certain periods and could not be on her feet at those times. We read about Lydia E. Pinkham's Vegetable Compound doing girls so much good so she began to take it. That is two years ago and she is a different girl since then able to do any work she wants to do—although she is still careful not to do heavy work—and so well and strong. We recommend Lydia E. Pinkham's Vegetable Compound to all mothers with ailing daughters, and I give you permission to publish this letter as a testimonial."—Mrs. A. M. BURKHOLDER, Route No. 2, Box 1, Wauseon, Ohio.

Something out of balance will affect the finest clock, causing it to gain or lose. The proper adjustment made, all is well. So it is with women. Some trouble may upset you completely.

Lydia E. Pinkham's Vegetable Compound will correct the cause of the trouble and disagreeable symptoms will disappear as they did in the case of Mrs. Burkholder's daughter.

MOTHERS—it is worthy of your confidence.

DAILY MARKET REPORT

OREGON JOURNAL MARKET SERVICE

PORTLAND, Ore., June 5.—Despite the recent spell of strength for butter at California points, the South is not taking anything but the cheapest offerings from this territory. While it appears willing to take the better grades, the price it is offering, 35½@35 3-4c, is below what sellers here say they can afford to sell centralized extras and pay the prevailing extreme for butter fat.

Output of butter continues to gain liberally in this territory, although some falling off in interior production may be expected at any time because of the extreme hot weather which is drying up the grass in that section.

STRAWBERRY SUPPLIES LIBERAL

Quite liberal lots of home-grown strawberries came forward. On the farmers' market sales were made around $3.50@$4.50 per crate, with the average around $3.75@$4.00 for the better class stuff. Clarks around $5.00@$5.50 on the street.

VEAL ARRIVES IN POOR SHAPE

Because of improper handling the supply of veal that is coming here in very poor condition, is increasing. Farmers who send veal to market during the heated period should take more care. Your commission man will give full instructions.

EGG TRADE IS HOLDING STEADY

While further efforts are being made by interested parties, aided by a friendly newspaper, to force lower prices for eggs here, bids in general continued unchanged with an active demand for supplies.

FRED COOPER IS UNDER KNIFE

Fred Cooper, popular member of the staff of Wadham & Co., wholesale grocers, is at Good Samaritan hospital after undergoing a very serious operation Saturday. His condition is reported as favorable.
