CUTICURA HEALS LARGE RINGWORM

On Head, Itched and
Burned. Could Not Sleep.

"A large ringworm started on my
head. Each day it grew larger and
itched and burned so that I used to
have to get up at night and bathe it.
The hair around it fell out and be-
came very dry. I could not sleep at
night on account of the irritation.
The trouble lasted about a
month. I began using Cuticura
Soap and Ointment and after using
about three cakes of Cuticura Soap
and two boxes of Cuticura Ointment
I was completely healed." (Signed)
