The High Spots of Thrift in Clothes

When a man sacrifices quality for the sake of a few dollars, he is also sacrificing economy for the sake of a few dollars. He saves on the sum spent and increases the expense. Economically he is "walking backwards."

Again we say—Society Brand!

The Bride's Problem

Friends and relatives generally present the bride with dishes needed for the dining room table, but it's the bride's problem to fill those dishes satisfactorily and economically. It's a real pleasure to welcome new home-managers to this store. They—like our older friends—will find that the food problem solves itself where "Service, Savings and Satisfaction" rule. Ready prepared, home-cooked foods from our Model Kitchen are a real help these hot days, for every-day use and every emergency.
