

WENDLING PLANT REOPENS

WORK STARTS AT PLANT AND KILLS OF MILL

Twenty-Five Men Are Employed and Sufficient Material on Hand to Continue Operations

Work at the planer and at the dry kilns of the Booth-Kelly lumber mill at Wendling has been resumed after a shut-down for the past few weeks following the blaze that destroyed the sawmill recently. About 25 of the former employees of the concern are at work and it is expected that operations will continue as there is plenty of work on hand for both the planer and the kilns that were saved from the fire. A portion of the output of the Springfield plant of the concern will also be sent to Wendling, which will further increase the activity of the reopened mill, officials state.

RAIL EARNINGS INCREASE

SOUTHERN PACIFIC LINES SHOW BETTER BUSINESS

Indications of the increase in railway earnings of the Southern Pacific lines is shown in a report for the month of June received at the local office of the lines from the headquarters of the company. The following is the communication received: "The net railway operating income of the Southern Pacific Co., as shown in the report of earnings and expenses for the month of June, made public yesterday, July 25, continue to show gain over last year.

"The net railway operating income for June, 1922, shows an increase of \$11,884,844 over that of June, 1921. "The net railway operating income for May, 1922 was \$1,893,339.32 more than that of May, 1921. The railway operating revenue gross for June, 1922, was \$22,897,008.58, a decrease of one per cent from the gross revenue of June, 1921, but by railway efficiency and economy measures the railway operating expenses were reduced, which accounts for the increase in the net railway operating income, which is obtained after deducting railway tax accruals, uncollectible railway revenues, equipment rents, etc., from the net revenue from railway operations. The net railway operations income is the amount available for the payment of interest on bonds and other fixed charges and for dividends.

"The operating ratio, which is the barometer of railroad efficiency and good management, was 69.71 for June, 1922, as compared with 78.86 for June, 1921. A very satisfactory showing."

LOCAL MUSICIANS MARRIED

REX UNDERWOOD AND AURORA POTTER SURPRISE FRIENDS

Coming as a surprise to their many friends in this city was the marriage yesterday at Salem of Rex Underwood, of the school of music of the University of Oregon, and Miss Aurora Potter, graduate of the local institution, who is prominent in Eugene music circles. According to previous announcement the happy event was not to have taken place until next September but the date was advanced to enable the couple to take a honeymoon trip to California prior to the opening of the university in the fall. Mr. and Mrs. Underwood will leave on a motor trip to Carmel, California, and will be in the south for some time before returning to make their home in this city. The bride is an accomplished pianist and with her sister, Miss Alberta Potter, has entertained at many musical affairs in Eugene and other Northwestern cities. Mr. Underwood has been a member of the university faculty for the past three years.

INDICTED MEN MAKE PLEAS

TWO PLEAD NOT GUILTY AND FOUR UNDECIDED

Following the bringing in of indictments by the grand jury, six men were arraigned yesterday to plead to the charges. Charles Ray pleaded not guilty to a charge of automobile theft, and Delbert Rudolph, charged with arson, also entered a plea of not guilty. R. H. Anthony, Hardgrove, charged with the theft of an automobile, and E. C. Rudolph, charged jointly with James Wilson and Delbert Rudolph in an arson charge, asked for more time to consider a plea, and they will be arraigned this morning at 9:30. James Wilson, indicted on two counts, one of arson and another of attempting to defraud an insurance company, was given until Wednesday to plead on both charges. Walter B. Johnson, his legal representative, the Hardgrove brothers have retained Charles A. Hardy to defend them, but were represented yesterday by S. M. Callahan in the absence of Mr. Hardy. Delbert and E. C. Rudolph and Charles Ray were represented by counsel at the arraignment.

CERAMICS MAKER VISITS

MR. BEEBE THINKS THE STATE'S GOODS UNKNOWN

People of Oregon do not really know or understand the potentialities of their state, believes Charles V. Beebe, secretary of the Danby Clay Products company, of Warrenton, who is now in this city. Mr. Beebe, who is visiting with Sam Rugh, local realtor, carries a message concerning ceramics which is informative. Mr. Beebe, who has over a dozen of his company's products on display in the Rugh Realty company, says that the plant at Warrenton, which operates three kilns, is the only one in this state and that there are no other plants on the Pacific coast. All the pottery and art objects of clay are at present shipped here from the east at a great expense, said Mr. Beebe. While telling about the manufacture of ceramics, Mr. Beebe said that the right kind of clay was the most essential part of the industry and that at Warrenton an abundance of excellent material had been discovered. The Warrenton company first opened the plant last January and the earthenware and wares turned out since that time have established for the owners a business which is fast growing and attracting the attention of dealers up and down the coast.

REALTORS TO MEET HERE

BOARDS FROM SIX TOWNS WILL HEAR NATIONAL SECRETARY

Eugene has been selected as a meeting place for six Willamette valley realty boards whose members will assemble in the Hotel Osburn on Tuesday evening, August 1, at 8 o'clock to meet with A. C. Herrin, field secretary of the National Realty association. It was deemed impossible for Mr. Herrin to meet with the various boards at this time when on a hurried tour of the West and it was decided to have the Roseburg, Corvallis, Albany, Springfield and Lebanon boards come to Eugene to hear an address by the visitor. Melvin Hansen, president of the Eugene Realty board, has announced that a general good time and program is assured when the guests gather around the many musical affairs in Eugene and other Northwestern cities. Mr. Herrin, who is a man of national repute. Several other speakers will also address the Willamette realtors. Letters have been mailed out to the different realty boards saying that women guests are invited and asking that reservations at the banquet be made by return mail.

FARM HAND IS BADLY HURT

H. HARGET FAILS FROM LOAD OF HAY

H. Harget, a farmer who was working on a ranch near Eugene, yesterday afternoon fell from a load of hay and was severely injured about the head and neck. He was taken to the Eugene hospital and at a late hour last night it was reported that his condition was serious. He is thought to be paralyzed, but it is not thought that his skull was fractured when he fell.

DAILY MARKET REPORT

OREGON-JOURNAL MARKET SERVICE

PORTLAND, Ore., July 27.—Market for eggs continues to show depression. Not only are buying and selling prices for fresh stock weak, but there is a tendency on the part of storage interests to speculate in cold feet. Some of them, who were holding out for fairly firm contract prices on storage eggs a few weeks ago, are now trying to find buyers at 5 to 7 cents a dozen less than they were asking for. Part of the matter is that the country is overladen with eggs. Not only has it an overplus apparently in the ice houses but its output of fresh eggs at the moment is beyond consumptive demand even at prevailing prices. Poultry industry of the country has increased so much during the last year or so that eggs are today "dirt cheap" and no longer pay for commercial production. Selling prices are being headed in some instances by the local trade.

BUTTER SITUATION VERY SLIM

Market for butter is very slim. Trade in cubes is practically all at the moment, because holders are unwilling to take too much decline, while buyers are wary in fear of an early downward trend. Only very immediate requirements are taken care of.

CHEESE MARKET HOLDS STEADY

Conditions continue steady in the cheese trade. Prices are unchanged all around, although there is naturally more or less disposition among buyers to shop for bargains.

SUGAR ADVANCE IS IN EFFECT

Advance of 10c per hundred pounds quoted by refiners Wednesday is now in effect here, although actual sales are being made from 10c to 15c below the regular list.

GOOD PEACHES VERY SCARCE

Good peaches of size and quality are very scarce. Sizeable California stock is selling at \$1.50 to \$2.00, while similar Oregon stock is selling at \$1.00 to \$1.25 per box. First of the California crop will begin rolling in carload lots August 1.

TOMATO PRICES BROKEN AGAIN

Further break in tomato prices is shown here with Dales offering at \$1.00 per box generally with an overfilled market. Most of the wholesale houses are carrying a liberal surplus.

BRIEF NOTES OF PRODUCE TRADE

Thompson seedless grapes offered for August 1 shipment.

MARKET NOTES

Market notes compiled from the South. Cucumbers are slow and from 75c to 90c box generally. Chickens made quiet at printed prices. Country-killed calves of quality scarce, others slow. Dressed hogs scarce and firm. Loganberries higher with sales at \$1.30 to \$1.50; raspberries, \$2.00; blackberries, \$1.80 to \$2.00; currants, \$1.00 to \$1.20. Apples market firm and active for quality.

NOTICE OF SALE OF REAL PROPERTY

Notice is hereby given that pursuant to an order of the County Court of Lane County, Oregon, made and entered the 15th day of July, 1922, in the matter of the estate of William Morris, deceased, the undersigned administrator will sell at public sale for cash, on Saturday, the 27th day of August, 1922, at the southwest door of the County Court house, in Lane County, Oregon, all of the right, title and interest that the said estate has by operation of law or otherwise in and to certain certain described real property, to-wit: Lot 6, in the town of Florence, Lane County, Oregon.

ALTA G. WILSON, Administrator of the Estate of William Morris, deceased.

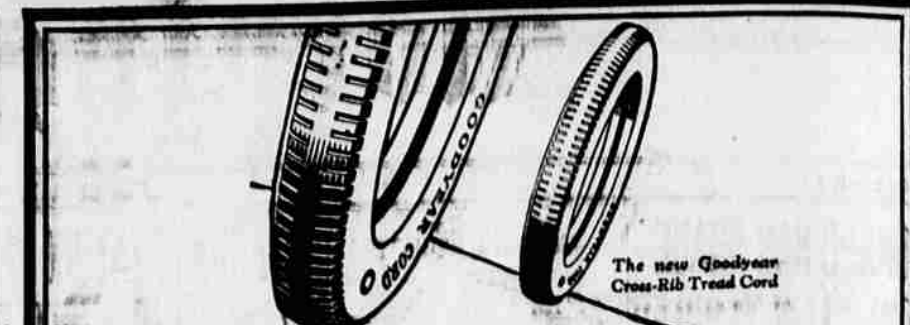

SUMMONS

In the Circuit Court of the State of Oregon for Lane County. Faw H. Allison, Plaintiff, vs. Frances Allison, defendant. In the name of the State of Oregon, you are hereby required to appear and answer the complaint of the above-named plaintiff, in the above entitled cause, in the above entitled Court and on file therein, on or before the 5th day of August, A. D. 1922, said date being the date of the filing of the first publication of this summons, and if you fail to answer, for want thereof, the plaintiff will apply to the Court for the relief demanded in the complaint, which said relief is for a decree of the Court forever dissolving the bonds of matrimony and marriage contract existing between the plaintiff and defendant for an absolute divorce of the plaintiff from the defendant and for such other and further relief as to the Court may seem equitable and just. This summons is published in the Morning Register, a newspaper of general circulation, published at Eugene, Oregon, by and pursuant to an order of the Hon. G. F. Skippworth, Judge of the above entitled Court, dated June 22nd, 1922, since such work for said cause has been discontinued, and the first publication thereof being on the 23rd day of June, A. D. 1922, and the last publication will be on the 4th day of August, A. D. 1922.

J. S. MEDLEY, Attorney for Plaintiff.

NOTICE OF SHERIFF'S SALE ON EXECUTION

Notice is hereby given that by virtue of an execution and order of sale issued out of the Circuit Court of the State of Oregon for Lane County, on the 26th day of July, 1922, in an action wherein on the 1st day of July, 1922, in the above entitled court, Clyde H. Johnston, plaintiff, recovered judgment against the defendants, Roy H. Morgan and Fieda P. Morgan, for the sum of \$1017.50, with interest thereon at the rate of 8 per cent per annum from the 21st day of September, 1921, to the 26th day of July, 1922, and the further sum of \$17.80 costs and disbursements, which judgment was entered and docketed in the office of the Clerk of said Court on said date, and the said execution and order of sale to me directed commanding me, in the name of the State of Oregon, in order to

A Popular-Priced Cord Tire Without a Rival

The new Goodyear Cross-Rib Tread Cord Tire is built with genuine high-grade long-staple cotton as a foundation. It is liberally oversize—the 4 1/2-inch tire, for example, measuring nearly 5 inches.

The deep, clean-cut, cog-like pattern of its tread affords excellent traction even in snow and mud, engaging the road like a cogwheel.

The scientific distribution of rubber in this tread—the wide center rib and the semi-flat contour—gives a thick, broad surface that is exceedingly slow to wear.

This new tire is a genuine Goodyear through and through—in design, in material, in construction.

It costs less to buy than the net price you are asked to pay for many "long discount" tires of unknown reputation and value.

Why be satisfied with less than this efficient tire can give—why take a chance on an unknown make?

You can get this new Goodyear Cross-Rib Tread Cord now, as well as the famous All-Weather Tread Cord, from any of the Goodyear Service Station Dealers listed here.

Compare these prices with NET prices you are asked to pay for "long discount" tires

Table with 3 columns: Tire size, Price, and another tire size. Includes items like 30x3 1/2 Clincher, 32x4 Straight Side, etc.

These prices include manufacturer's excise tax

Goodyear Cross-Rib Tread Cord Tires are also made in 6, 7 and 8 inch sizes for trucks
