CRESWELL HOLDS CLINIC

THIRTY-SIX BABIES WERE EXAMINED FRIDAY

(Register Lane County Special) CRESWELL, Ore., Aug. 5.—The first meeting of the baby clinic was held at the school house on Friday and 36 babies were examined. The physicians in attendance who made the examination were our local physician, Dr. D. A. Forbes, and Dr. Bertha Stuart Dymont, of Eugene, who specializes in diseases of children. The county nurse, Miss Sally Criswell, and Mrs. Herbert Clark, of Eugene, were present.

The interest manifested in the work by Creswell clinician made the decision of holding a clinic once in every two months at the next one will be in October. The meeting had been well advertised by attractive posters prepared and placed by Evelyn York, Esther McDonald and Elizabeth Sedgwick.

CRESWELL SEES CARAVAN

FORD AND FORDSON EXHIBITION ATTRACTS MANY

(Register Lane County Special) CRESWELL, Ore., Aug. 5.—The Ford and Fordson power exhibition was at Creswell Friday and put in busy day exhibiting their power and farm machinery attachments. The field chosen for their main exhibition was that of R. F. Scott, west of town. The afternoon was spent in demonstrating the work of different plows and cultivators and the lectures given by the young men were most instructive. The central plaza back of the postoffice was the rendezvous of the exhibit and many hundreds of people during the day and evening examined the several trucks. The light exhibit

was especially attractive. The evening was given to entertainment, a moving picture educational exhibit abounding in beautiful pictures, among which were excellent views of Niagara Falls, also other demonstrations of river scenes especially showing the adaptation of water and electric power. The radio exhibit, for some reason, did not work very well, although the operator stated that he had a line on a violin solo from Los Angeles.

One of the features of the demonstration was a mower attachment with a six-foot blade that attracted considerable attention. The sprayer attachment also was viewed with interest. A street was graded from Oregon avenue one block south on Fourth street.

This exhibit was brought here through the efforts of the local representative of Ford cars, Carlisle Scarborough.

RIVER AVENUE PERSONALS

(Register Lane County Special) RIVER AVENUE, Ore., Aug. 5.—G. K. Fry is painting his house this week. Mr. and Mrs. Lussier and Mr. and Mrs. Hissel have returned from Newport after a week's outing. HARRISBURG IS GROWING

SEVERAL NEW BUILDINGS BEING ERECTED

HARRISBURG, Ore., Aug. 5.—(Special to the Register)—There is to be some building activity in Harrisburg and vicinity during the next few weeks. Two modern houses have been planned and are to be erected at once as well as a new green house in the business district. Thompson & Cook have the contract for a home which is to be a modern seven-room structure for Mike Richard on his farm a few miles north of town. The erection of this home has also been commenced.

The greenhouse which is to be erected is the second for Willard Ingram, who is manager of the Harrisburg greenhouse—his business having outgrown the one building. This building will be 16x77 feet in size and will contain a new boiler which is to be used in furnishing heat for the two greenhouses. The glass for the new building has already been received.

Myrtle Porter, Carl Drago, Donald Shaffner Sunday, accompanied Grace Drago to Monmouth where she is attending school. Mr. and Mrs. Lloyd Abbey and Dorothy, and Mr. and Mrs. Preston Hart spent Saturday evening at the home of Mr. and Mrs. Walter Campbell.

LEABURG NEWS ITEMS

(Register Lane County Special) LEABURG, Ore., Aug. 5.—Dr. M. M. Bull intends hunting about 500,000 trout in the spring and placing them in lakes he intends to prepare on the Rouse ranch he just purchased. Miss Nita Fountain and Miss Helen France just returned from Monmouth, where they have been attending summer school. The roads up the McKenzie are in a frightful condition on account of so much being plowed up, and they seem unable to get roller. However, the crusher is running and it can crush the work when they do get a roller. H. D. Fountain is clearing and getting ready to start the excavating for Dr. Bull's fish ponds.

Walter Campbell was at home Wednesday evening. Myrtle Porter, Carl Drago, Donald Shaffner Sunday, accompanied Grace Drago to Monmouth where she is attending school. Mr. and Mrs. Lloyd Abbey and Dorothy, and Mr. and Mrs. Preston Hart spent Saturday evening at the home of Mr. and Mrs. Walter Campbell.

NATRON PERSONALS

(Register Lane County Special) NATRON, Ore., Aug. 5.—Mr. and Mrs. Stewart visited the city Tuesday to see the Ford parade and see just how popular the Ford is in this city. Miss Myrtle Lindley was a passenger on our late train Tuesday morning for the city, to visit friends. Miss Nita Fountain and Miss Helen France just returned from Monmouth, where they have been attending summer school. The roads up the McKenzie are in a frightful condition on account of so much being plowed up, and they seem unable to get roller. However, the crusher is running and it can crush the work when they do get a roller. H. D. Fountain is clearing and getting ready to start the excavating for Dr. Bull's fish ponds.

New House to Be Built

HARRISBURG, Ore., Aug. 5.—(Special to the Register)—The contract for the erection of the new A. M. Pryor residence was let to Thompson & Cook of this city. This building will be modern throughout and will be built on the property Mr. Pryor recently secured from Nate Windom on east Main street. The old house on this property has been moved back and workmen have already commenced preparing the foundation for the new residence which is to cost in the neighborhood of \$3,000. It will be two stories in height with six rooms on the first floor and two on the second.

at their home near Junction City Wednesday afternoon. Mr. and Mrs. Roy Hard and Mrs. Cassidy were Eugene visitors Thursday.

PAVING WORK IS SLOW

LACK OF SAND HINDERS OPERATIONS ON HIGHWAY

HARRISBURG, Ore., Aug. 5.—(Special to the Register)—Up to now the Scandia company has laid only one and one half miles of concrete paving on the Harrisburg-Harrisburg stretch of the Pacific highway. The reason more paving has not been laid is due to trouble in securing sand. The deliveries of sand from Eugene have and enough cannot be secured from the plant here. A large amount of crushed rock has been dumped over the river bank this week in order to keep the crusher furnishing sand full time, but at this time the sand supply has not proved sufficient.

HARRISBURG NEWS NOTES

(Special to the Register)—Wayne Morgan finished his University of Oregon summer school term last Saturday and Sunday he returned to his home in this city. The eighth annual Methodist Sunday school picnic which was held last Friday at the University of Oregon, was well attended and everybody that was there reports having a right good time. Everything went off in fine shape. The Christian church indulged in a day of downright merriment Wednesday when they held another one of their Sunday school picnics near town. Everybody enjoyed the occasion immensely, so they say.

From Girlhood to Womanhood Woman Relied Upon Lydia E. Pinkham's Vegetable Compound Emporia, Kansas.—"I began using Lydia E. Pinkham's medicines years ago when I was a girl. For several years I had severe pains at menstrual periods, making me very weak and interfering with my regular duties. I tried several remedies without obtaining relief. I was induced to try Lydia E. Pinkham's Vegetable Compound by friends and it restored me to normal health, and I often have occasion to do recommend your Vegetable Compound to my friends who have troubles similar to my own. You may use these facts as a testimonial."—EVA ALDRICH, 218 Union St., Emporia, Kansas.
